The supplemental life insurance is a ten-year level term policy with a death benefit of \$400,000 payable to the beneficiary designated by Mr. Pallé.

Executive Officer Bonus Plan

We provide our executives with an annual opportunity to earn cash incentive awards through the Executive Officer Bonus Plan. The performance goals are expressed in terms of (a) one or more corporate or divisional earnings-based measures (which may be based on net income, operating income, cash flows, or any combination thereof) and/or (b) one or more corporate or divisional sales-based measures. Each such goal may be expressed on an absolute and/or relative basis, may employ comparisons with our past performance (including one or more divisions) and/or the current or past performance of other companies, and in the case of earnings-based measures, may employ comparisons to capital, stockholders' equity and shares outstanding. Performance goals need not be uniform among participants, but they have been in recent years.

After our financial results for a fiscal year have been determined, the Compensation Committee will certify the level of performance goal attainment and the potential bonus payment for each participant. The Compensation Committee has full authority to decrease the amount that would otherwise be payable to any participant for a fiscal year.

For the 2017 fiscal year, all of the named executive officers were participants under the Executive Bonus Plan. The participants were entitled to share in a Bonus Pool ("**Bonus Pool**") based upon a subjectively determined allocation, which took into account the relative compensation levels of the executives as well as other subjective factors related to overall job performance in 2017, such as the ease with which the executive could be replaced, whether further opportunities for advancement within Blonder existed for the executive, teamwork skills, perceived efforts,

interpersonal relationships and overall job performance. The Bonus Pool for 2017 was equal to the lesser of (i) the sum of the base salary of all participants in the aggregate, or (ii) the sum of (a) 10% of the first \$1 million of our pre-tax income, plus (b) 15% of the next \$1 million of our pre-tax income, plus (c) 20% of the next \$1 million of our pre-tax income, plus (d) 25% of the next \$1 million of our pre-tax income, plus (e) 20% of the next \$1 million of our pre-tax income, plus (f) 10% of our pre-tax income in excess of \$5 million, all as set forth on our audited financial statements (in all cases calculated before taking into account any accrual for such Bonus Pool). Further, no bonus would be paid to any participant unless the Bonus Pool (calculated in the manner described above) equaled or exceeded \$90,000. Based upon our reported pre-tax income for 2017, no bonuses were paid to our named executive officers relating to such year.

Employee Benefit Plans

In May 2005, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2005 Employee Equity Incentive Plan (the “**Original 2005 Employee Plan**”). Our stockholders approved an amendment and restatement in its entirety of the Original 2005 Employee Plan in May 2014 (as amended and restated, the “**2005 Employee Plan**”) which, among things (i) increased the number of shares of Common Stock available for issuance under the 2005 Employee Plan, (ii) extended the term of the 2005 Employee Plan to February 7, 2024, (iii) made awards under the 2005 Employee Plan subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and (iv) prohibited repricing of stock options absent advance stockholder approval.

The 2005 Employee Plan is administered by the Compensation Committee of the Board of Directors. Under the 2005 Employee Plan, our executive officers and other key employees, as determined by the Compensation Committee, are eligible to receive equity-based awards from time to time as determined by the Compensation Committee. Under the 2005 Employee Plan, our executive officers and other key employees may be awarded stock options to purchase a number of shares of Common Stock (“**Stock Options**”), stock appreciation rights to receive the excess, if any, of the fair market value of a specified number of shares of Common Stock at the time of exercise over the grant price (“**SARS**”), stock awards at no cost to the executive officer or key employee (“**Stock Awards**”), which may be either restricted stock or unrestricted stock, or performance based awards to receive a number of shares of Common Stock if certain performance goals are met (“**Performance Awards**”). Each grant of a Stock Option, SAR, Stock Award or Performance Award will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Compensation Committee, provided, however, that the exercise price for any Stock Option or SAR granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. The 2005 Employee Plan expires on February 7, 2024.

At our 2016 Annual Meeting, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2016 Director Equity Incentive Plan (the “**2016 Employee Plan**”), which supplements the 2005 Employee Plan.

The 2016 Employee Plan is administered by the Compensation Committee of the Board of Directors. Under the 2016 Employee Plan, our executive officers and other key employees, as determined by the Compensation Committee, are eligible to receive equity-based awards from time to time as determined by the Compensation Committee. The 2016 Employee Plan authorizes the award of up to a maximum of 1,000,000 shares. Any shares subject to an award issued under the 2016 Employee Plan which is terminated, canceled, expired or forfeited for any reason will again be available for the grant of an award. Under the 2016 Employee Plan, our executive officers and other key employees may be awarded Stock Options, SARS, Stock Awards, which may be either restricted stock or unrestricted stock, and Performance Awards. Each grant of a Stock Option, SAR, Stock Award or Performance Award will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Compensation Committee, provided, however, that the exercise price for any Stock Option or SAR granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. Awards under the 2016 Employee Plan are subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and Stock Options awarded under the 2016 Employee Plan cannot be re-priced absent advance stockholder approval. The 2016 Employee Plan expires on February 4, 2026. At our annual meeting in 2017, stockholders approved an amendment to the 2016 Employee Plan to increase the annual individual award limits relating to stock options and stock appreciation rights from 100,000 to 250,000 shares of Common Stock.

In April 2017, Messrs. Nikoo and Smith were awarded options to purchase 37,500 shares and Mr. Pallé was awarded options to purchase 100,000 shares respectively, of our Common Stock. Mr. Nikoo’s, Mr. Smith’s and Mr. Pallé’s shares vest over three years in equal yearly installments on the yearly anniversary of the award date. In addition, in May 2017, Mr. Pallé was awarded options to purchase 150,000 shares of our Common Stock, with the options vesting over three years in equal yearly installments on the yearly anniversary of the award date.

Retirement Benefits

Each of the named executive officers is eligible to participate in our 401(k) Savings and Investment Retirement Plan, which covers all full time employees and is qualified under Section 401(k) of the Internal Revenue Code. Under this plan, we match 50% of each participating employee's salary deferral up to a maximum match of 3% of eligible compensation.

(2) The amounts in the “Stock and Option Awards” column reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718. Assumptions used in the calculation of these amounts are included in Note 13 to our audited consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2017.

- (3) Each non-employee Director was granted 10,000 shares of Common Stock on April 4, 2017, which shares vested immediately and an option to purchase 10,000 shares of Common Stock which options vested on April 4, 2018.

Director Compensation Arrangements

We pay each of our non-employee Directors an annual retainer of \$25,000 per year, payable quarterly, and the non-employee Director who serves as our Chairman of the Board receives an additional annual retainer for serving in that capacity of \$25,000 per year, also payable quarterly. We also pay each non-employee Director a fee of \$1,000 for each Board meeting attended in person (\$500 if attendance was telephonic) and a fee of \$600 for each committee meeting attended in person (\$300 if attendance was telephonic or if attending on the same date as a Board meeting). We reimburse each Director for certain travel, lodging and related expenses incurred in connection with attendance at Board and committee meetings. From time to time, in the sole discretion of the Board, we grant equity awards to our non-employee Directors. During 2017, we did not pay Mr. Pallé, our President and Chief Executive Officer, any separate compensation for serving on the Board of Directors or any committees thereof.

On March 19, 2015, the Board adopted the Director Stock Purchase Plan, which was intended to enable outside directors to allocate portions of their annual retainer fees to be paid in shares of the Company's Common Stock, in lieu of cash payments. This plan was designed and derived from the Executive Stock Purchase Plan adopted by the Company in June 2014, which was intended to enable executive officers of the Company to allocate a portion of their base salary to be paid in shares of the Company's Common Stock, in lieu of cash. In March 2016, the Company adopted the Amended and Restated Director Stock Purchase Plan, which replaced the Director Stock Purchase Plan. Under the Amended and Restated Director Stock Purchase Plan, the portion of directors' fees (including meeting fees, which were not permitted to be converted into common stock purchases under the Director Stock Purchase Plan) permitted to be paid in shares of the Company's Common Stock, in lieu of cash, was increased and the new plan was made more flexible to encourage the non-employee directors to elect to receive shares of the Company's Common Stock in lieu of cash payments.

Director Benefit Plans

In May 2005, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2005 Director Equity Incentive Plan (the “**Original 2005 Director Plan**”). In May, 2014, our stockholders approved an amendment and restatement in its entirety of the Original 2005 Director Plan (as amended and restated, the “**2005 Director Plan**”), effective as of February 7, 2014, which, among other things, (i) increased the number of shares of Common Stock available for issuance under the 2005 Director Plan, (ii) extended the term of the 2005 Director Plan to February 7, 2024, (iii) made awards under the 2005 Director Plan subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and (iv) prohibited repricing of stock options absent advance stockholder approval.

The 2005 Director Plan is administered by our Board of Directors. Under the 2005 Director Plan, Directors who are not currently employed by us or by any of our subsidiaries and who have not been so employed within the past six months, are eligible to receive equity-based awards from time to time as determined by our Board. Under the 2005 Director Plan, eligible Directors may be awarded stock options to purchase a number of shares of Common Stock (“**Stock Options**”), stock appreciation rights to receive the excess, if any, of the fair market value of a specified number of shares of Common Stock at the time of exercise over the grant price (“**SARS**”) or stock awards (“**Stock Awards**”) at no cost to the Director, which may be either restricted stock or unrestricted stock. Each grant of a Stock Option, SAR or Stock Award will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Board of Directors, provided, however, that the exercise price for any Stock Option or SAR granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. The 2005 Director Plan expires on February 7, 2024.

At our 2016 Annual Meeting, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2016 Director Equity Incentive Plan (the “**2016 Director Plan**”), which supplements the 2005 Director Plan.

The 2016 Director Plan is administered by our Board of Directors. Under the 2016 Director Plan, Directors who are not currently employed by us or by any of our subsidiaries and who have not been so employed within the past six months, are eligible to receive equity-based awards from time to time as determined by our Board. The 2016 Director Plan authorizes the award of up to a maximum of 400,000 shares. Any shares subject to an award issued under the 2016 Director Plan which is terminated, canceled, expired or forfeited for any reason will again be available for the grant of an award. Under the 2016 Director Plan, eligible Directors may be awarded Stock Options, SARS or Stock Awards, which may be either restricted stock or unrestricted stock. Each grant of a Stock Option, SAR or Stock Award will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Board of Directors, provided, however, that the exercise price for any Stock Option or SAR granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. Awards under the 2016 Director Plan are subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and Stock Options awarded under the 2016 Director Plan cannot be re-priced absent advance stockholder approval. The 2016 Director Plan expires on February 4, 2026.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

On March 28, 2016, the Company, Robert J. Pallé and Carol Pallé, James H. Williams and Steven Shea (the “**Lenders**”), entered into an Amended and Restated Senior Subordinated Convertible Loan and Security Agreement (the “**Loan Agreement**”) pursuant to which the Lenders agreed to lend the Company up to \$750,000. Mr. Pallé is the President and Chief Executive Officer of the Company, and also serves as a director of the Company. Mrs. Pallé is an employee of the Company and the spouse of Mr. Pallé. Mr. Shea is our Chairman of the Board and a director of the Company. Mr. Williams is a director of the Company. On March 21, 2017, the Amended and Restated Loan Agreement was amended. The Loan Agreement and the subsequent amendment, and the transactions provided therein were approved, in each instance, by the Company’s independent directors (and in the case of the transactions involving Messrs. Shea and Williams, by the Company’s independent directors other than Messrs. Shea and Williams). Interest on the outstanding balance under the Loan Agreement accrues at 12% per annum (subject to increase under certain circumstances) and is payable monthly in-kind by the automatic increase of the principal amount of the loan on each monthly interest payment date, by the amount of the accrued interest payable at that time (“PIK Interest”) (however, the Company has the option to pay interest in cash on any interest payment date, in lieu of PIK Interest). The Lenders have the option of converting the principal balance of the loan, in whole (unless otherwise agreed by the Company), into shares of the Company’s common stock at a conversion price of \$0.54 per share (subject to adjustment under certain circumstances). As of December 31, 2017 the Lenders had advanced \$500,000 to the Company and \$71,000 of PIK interest was accrued in the year ended December 31, 2017. On April 17, 2018, Robert J. Pallé and Carol Pallé exercised their conversion rights and converted \$454,731 (\$350,000 principal and \$104,731 of accrued interest) of their loan (representing the entire amount of principal and interest outstanding and held by Mr. and Mrs. Pallé on that date) into 842,095 shares of the Company’s common stock.

One of our Directors, Gary P. Scharmett, is a partner at the law firm of Stradley Ronon Stevens & Young, LLP, which serves as our outside counsel. For the 2017 and 2016 fiscal years, we were billed fees for legal services by this firm in the aggregate amount of \$358,071 and \$532,199, respectively. Mr. Scharmett’s interest in these fees arises from his minority ownership interest as a partner at this firm. In the Company’s opinion, the terms of such services were substantially equivalent to those which would have been obtained from unaffiliated parties.

Conflicts of Interest/Related-Party Transactions

The Company has in place a Code of Ethics which addresses, among other things, the Company's policies with respect to situations and transactions that may involve a conflict of interest. Under the Code of Ethics, the Audit Committee has the responsibility to consider and approve any transaction in which a related party may have a conflict of interest, based on a determination by the Audit Committee that the transaction is fair as to, and in the best interests of, the Company and its stockholders.

Director Independence

The Board of Directors has considered the independence of our Directors pursuant to Section 803A of the NYSE American Company Guide ("**Independence Rules**"). Under the NYSE American Independence Rules, a Director may not be determined to be independent if certain relationships exist. In addition to reviewing whether any of those specific disqualifying relationships exist under the Independence Rules, the NYSE American also requires that the Board determine whether any of our Directors has a relationship that it believes would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. In the course of this determination, the Board considered the following relationship and arrangement between a non-management Director and us, which was determined to be immaterial and not falling within one or more of the disqualifying relationships under the Independence Rules or which would otherwise interfere with the exercise of the Director's independent judgment in carrying out the responsibilities of a Director:

Gary P. Scharmett: The fees paid by us to the law firm where he is a partner were below 5% of the law firm's consolidated gross revenue in each of the prior three years. See "Certain Relationships and Related Transactions" below for more detail on these fees paid for legal services.

Based on this review, the Board has determined that, except for Robert J. Pallé, our Chief Executive Officer and President, each of our Directors is independent pursuant to the Independence Rules. Accordingly, the current Board consists of a majority of independent Directors.

All Other Fees	-	-

Audit-Related Fees

The audit-related fees for fiscal years 2017 and 2016 consisted principally of audits of our pension and 401(k) plans.

Tax Fees

Tax fees for fiscal years 2017 and 2016 consisted principally of preparing our U.S. federal and state income tax returns.

Our Audit Committee has reviewed the non-audit services currently provided by our independent registered public accounting firm during 2017 and 2016 and has considered whether the provision of such services is compatible with maintaining the independence of such independent registered public accounting firm in performing its audit services. Based on such review and consideration, the Audit Committee has determined that the provision of such non-audit services is compatible with maintaining the independence of the independent registered public accounting firm.

Pre-Approval Policy for Services by Independent Registered Public Accounting Firm

Our Audit Committee has implemented pre-approval policies and procedures for the engagement of our independent registered public accounting firm for both audit and permissible non-audit services. Under these policies and procedures, all services provided by the independent registered public accounting firm must either (i) be approved by our Audit Committee prior to the commencement of the services, (ii) relate to assisting us with tax audits and appeals before a taxing authority or be services associated with periodic reports or registration statements filed by us with the SEC, all of which services are pre-approved by our Audit Committee, or (iii) be a de minimis non-audit service (as described in Rule 2-01(c)(7)(i)(C) of the SEC's Regulation S-X) that does not have to be pre-approved as long as management promptly notifies our Audit Committee of such service and our Audit Committee approves it prior to the service being completed. Within these parameters, our Audit Committee annually approves the scope and fees payable for the year end audit, statutory audits and employee benefit plans audits to be performed by the independent registered public accounting firm for the next fiscal year. Our Audit Committee also may delegate pre-approval authority for permissible non-audit services to the Audit Committee's Chairman. Any approvals of non-audit services made by our Audit Committee's Chairman are then reported by him at the next Audit Committee meeting. All of the services provided by our independent registered public accounting firm during fiscal year 2017 and fiscal year 2016 were approved in accordance with our pre-approval policies and procedures. None of the services were approved pursuant to Rule 2-01(c)(7)(i)(C) of the SEC's Regulation S-X.
