Item 8.01 Other Events.

Kite Realty Group Trust (the "Company") is filing as Exhibit 99.1 (incorporated by reference herein) a description of certain material federal income tax considerations relating to the taxation of the Company as a real estate investment trust, or REIT, and the ownership and disposition of the Company's equity securities. The description contained in Exhibit 99.1 to this Current Report on Form 8-K replaces and supersedes prior descriptions of the federal income tax treatment of the Company and its shareholders to the extent that they are inconsistent with the description contained in this Current Report on Form 8-K.

Certain statements in the description of material federal income tax considerations contain certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are based on assumptions and expectations that may not be realized and are inherently subject to risks, uncertainties and other factors, many of which cannot be predicted with accuracy and some of which might not even be anticipated. Future events and actual results, performance, transactions or achievements, financial or otherwise, may differ materially from the results, performance, transactions or achievements expressed or implied by the forward-looking statements. Risks, uncertainties and other factors that might cause such differences, some of which could be material, include, but are not limited to:

- national and local economic, business, real estate and other market conditions;
- the ability of tenants to pay rent;
- the competitive environment in which we operate;
- financing risks;
- property management risks;
- the level and volatility of interest rates;
- the financial stability of tenants;
- our ability to maintain our status as a REIT for federal income tax purposes;

- acquisition, disposition, development and joint venture risks;
- potential environmental and other liabilities;
- other factors affecting the real estate industry generally; and
- other risks identified in this prospectus supplement, the accompanying prospectus and, from time to time, in other reports we file with the Securities and Exchange Commission or in other documents that we publicly disseminate.

Except as otherwise required by the federal securities laws, the Company undertakes no obligation to publicly update or revise these forward-looking statements, whether as a result of new information, future events or otherwise. The Company refers you to the documents filed by the Company from time to time with the Securities and Exchange Commission, specifically the section titled "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, which discuss these and other factors that could adversely affect the Company's results.
