SABESP Files 2008 20-F Report with the U.S. SEC

São Paulo, April 28, 2010 - Companhia de Saneamento Básico do Estado de São Paulo - SABESP (NYSE: SBS; BM&FBovespa: SBSP3) (the Company), one of the largest water and sewage services providers in the world based on the number of customers, has filed its annual report on Form 20-F for the year ended December 31, 2008 (the 2008 20-F) with the Securities and Exchange Commission (the SEC).

The 2008 20-F will be available on both the SEC's website at www.sec.gov and on the Company's website at www.sabesp.com.br. In addition, shareholders may receive a hard copy of this document, which contains the Company's complete audited financial statements, free of charge, by requesting a copy within a reasonable period of time to:

E-mail: abairoidi@sabesp.com.br

As previously disclosed, SABESP was unable to file its 2008 20-F with the SEC on a timely basis due to a qualification in its audit report for the fiscal year ended December 31, 2008. In January, the New York Stock Exchange (NYSE) Listing and Compliance Committee and senior management of NYSE Regulation agreed to provide the Company with an additional trading period of up to four months, subject to the NYSE's reassessment on an ongoing basis. The Company restated its financial statements to record a R\$409.1 million provision for losses relating to pension plan benefits provided for by Law 4819/58, which were paid by the Company on behalf of the State of São Paulo pursuant to a court decision, and a R\$535.4 million provision relating to the actuarial commitment for pension beneficiaries under Law 4819/58. Following the restatement of the financial statements, the Company's independent auditors issued an unqualified report for the fiscal year ended December 31, 2008, and the Company accordingly filed its 2008 20-F with the SEC.

The restatement of the Company's financial statements for the fiscal year ended December 31, 2008 does not affect the reconciliation of the Brazilian GAAP financial statements to U.S. GAAP, since the U.S. GAAP financial statements already reflected provisions for losses relating to the disputed amounts.
