### **Transfer of Rights and Capitalization**

Rio de Janeiro, June 22 2010, Petróleo Brasileiro S.A. - Petrobras announces that the National Petroleum Agency (ANP) has confirmed that the procedure to hire the certifying company that will issue an opinion to assist the Federal Government in its negotiation regarding the value of the Transfer of Rights is in its final stage, and that such opinion is scheduled to be delivered by August 2010.

Petrobras has therefore decided to postpone the proposed public offering of Petrobras shares, with the goal of executing the proposed offering in September of this year in an amount necessary to enable it to fund the 2010-14 Business Plan, to maintain its leverage level in the range disclosed in the Business Plan and to pay for the Transfer of Rights, as approved by the Brazilian Congress and currently under negotiation with the Brazilian federal government.

The Company announces that it will remain in the quiet period, as determined under art. 48 of Brazilian Securities Commission (CVM) Instruction 400/03, until the closing of the offering; and that it will continue both disclosing data to the market regarding the normal course of its activities, and information about the public offer, under the terms of the applicable regulations.

This announcement is not an offer of Petrobras shares. Petrobras shares may not be offered or sold in the United States absent registration or an exemption from registration, and Petrobras currently intends to register the proposed offering in the United States. Any public offering of Petrobras shares will be made by means of a prospectus containing detailed information about Petrobras and the offering.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
