Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

**GOL Wins the IR Magazine Awards Brazil 2010 Award in the Most
Progress in Investor Relations Category**

São Paulo, July 15, 2010 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and BM&FBOVESPA: GOLL4), (S&P/Fitch: BB-/BB-, Moody's: Bra3), the largest low-cost and low-fare airline in Latin America, won the IR Magazine Awards Brazil 2010 award in the Most Progress in Investor Relations category, among the country's leading companies in market value, ratifying the company's efforts to constantly improve its corporate governance and financial information disclosure practices, with the objective of serving the interests of all its stakeholders transparently and impartially. The award was given by the IR Magazine and *Revista RI* magazines, and the Brazilian Institute of Investor Relations (IBRI).

GOL's mission is to be the best company for flying, working and investing.

It is extremely important to be positively recognized by the Capital Markets, especially for a company whose mission is to be the best for flying, working and investing, says Leonardo Pereira, the Investor Relations Officer.

The award, which honors excellence in communications with shareholders and investor relations practices in Brazil, is based on an independent survey conducted by the Brazilian Economic Institute of the Getúlio Vargas Foundation (FGV) from a sample of 400 analysts and institutional investors and 5,000 individual investors.

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management concerning the future of the business and its continued access to capital to fund the Company's business plan. Such forward-looking statements depend, substantially, on changes in market conditions, government regulations, competitive pressures, the performance of the Brazilian economy and the industry, among other factors and risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
