PROPOSED AMENDMENTS TO THE BYLAWS

OF

GOL LINHAS AÉREAS INTELIGENTES S.A.

The Board of Directors of GOL LINHAS AÉREAS INTELIGENTES S.A., in compliance with the provisions set forth in the bylaws as well as the terms of art. 131, of Law 640476, as amended, hereby submit the proposed amendments to the Bylaws for approval by the Special Shareholders' Meeting to be held on July 06, 2012.

i. Proposed Amendment and Justification - art. 3: this amendment refers only to the change of address of the company's head-office, in order to establish it closer to the Company's management. The proposed amendment shall not entail any economic effects whatsoever.

ARTICLE 3: The Company's head office is located in the City of São Paulo, State of São Paulo, at *Pça. Comandante Linneu Gomes, s/n, portaria 3, prédio 24, Jardim Aeroporto*, and it may open and close branches, agencies, warehouses or representation offices in any part of the Brazilian territory or abroad, by resolution of the Board of Directors.

ii. Proposed Amendment and Justification - art. 6: this amendment refers to authorization to the Board of Directors for passing a resolution approving the issuance of convertible debentures up to the limit of the authorized capital stock, in accordance to the amendment to the Corporations Act resulting from the enactment of Law no. 12.431/2011. The proposed amendment shall not entail any economic effects whatsoever.

ARTICLE 6: With due regard to the applicable limits provided for in the law, the Company is authorized to increase its corporate capital up to R\$ 4.000.000.000,00 (four billion Reais).

1st Paragraph - Within the limit authorized by this Section, the Company may, by resolution of the Board of Directors, increase the corporate capital, regardless of amendment to the By-Laws, either upon issuance of shares, without respecting the proportionality between the different types of shares, *or upon issuance of debentures convertible into stock*. The Board of Directors shall determine the conditions for the issuance, including the price and pay-up term.

iii. Proposed Amendment and Justification -art. 13: this amendment is intended for excluding the requirement that members of the Board of Directors must be shareholders of the Company, in accordance to the amendment to the Corporations Act resulting from the enactment of Law no. 12.431/2011;

ARTICLE 13: The Board of Directors shall be comprised of at least 5 (five) and at most 11 (eleven) members, resident or not in Brazil, appointed by the General Shareholders' Meeting and subject to dismissal by the General Shareholders' Meeting at any time, for a unified term of office of 1 (one) year, reelection being permitted. The General Shareholders' Meeting shall also designate the Chairman of the Board, who may not be simultaneously the Chief Executive Officer of the Company, under the terms or Article 12, §3, above.

iv. Proposed Amendment and Justification -art. 15: this amendment should be made solely for wording consistency, without any practical effects whatsoever.

ARTICLE 15: The Board of Directors shall decide on the matters described in Section 142 of Law No. 6.404/76 as well as in these Bylaws (and, if applicable, shall speak favorably with respect to the matters of exclusive responsibility of the Shareholders' Meeting), by the favorable vote of the majority of the members present at the meeting.

v. Proposed Amendment and Justification - art. 16: assignment of additional specific duties to the Board of Directors, especially as far as it refers to their obligation to set guidelines, criteria and limits to be complied with by the Board of Officers in the performance of certain acts that give or may give rise to obligations for the Company. Further, authority is granted to the Board of Directors for deciding the issuance of convertible secured debentures, in consequence of the amendment to the Corporations Act resulting from the enactment of Law no. 12.431/2011. It is our understanding that more accurately defining the criteria set out by the Board of Directors for acts to be performed by the Board of Officers is consistent with the segregation of duties between the Board of Directors and the Board of Officers and will provide enhanced transparency to the decision-making processes and transactions of the Company, thus ensuring their interest to be in line with the Company's interest, with due compliance with the Corporate Governance best practices. The proposed amendment shall not entail any economic effects whatsoever.

(...)

ARTICLE 16: The Board of Directors, according to the provisions in Article 29, is responsible for the following decisions:

(...)

k) Determine the powers of the Board of Officers for the secured fiduciary sale or encumbrance of the Company's permanent assets, including mortgaging, pledging, granting of lien, antichresis, surety or guarantee, confessing, waiving rights, discharging third parties' obligations to the company, compromising and otherwise determining, as deemed convenient, which members of the Board of Officers shall perform the authorized act, and being entitled to define cases in which the previous authorization of the Board of Directors is a necessary condition;

(...)

q) *Pass a resolution approving the issuance of secured or unsecured debentures, whether convertible into stock or not;*

(...)

s) *From time to time, set out criteria for: amount, time/term, extension of effects and others, under which certain corporate and/or financial acts, including loans of assets and liabilities, may be performed by the Board of Officers;*

t) *Authorize, as long as the criteria referred to in subclause "s" have not been set out, borrowing of money or granting of loans or other credit facilities, by the Company;*

vi. Proposed Amendment and Justification -art. 17, § 3, "a", "c", "d", "e" and " f" and addition of § 4: The proposed amendments to art. 17, §3 aim at more clearly regulating the main duties of the Chief Executive Officer of the Company, consistently with the segregation of duties between the Board of Directors and the Board of Officers, specifically and explicitly describing certain activities already performed by the Board of Officers, in line with the Corporate Governance best practices and ensuring the alignment of the management bodies for the achievement of the corporate purposes. The addition of §4 also reflects the above referred purpose. The proposed amendments shall not produce any economic effects whatsoever.

ARTICLE 17- (...)

(...)

3rd Paragraph - The Chief Executive Officer shall be responsible, in particular, for coordinating the regular activities of the Company, including the following activities:

(a) *To cause the compliance with these Bylaws and the implementation of the guidelines and resolutions passed at the Shareholders' Meetings, the Board of Directors' Meetings and the Board of Officers' Meetings;*
