To

Companhia Brasileira de Distribuição

Att. Mr. Enéas Pestana

Chief Executive Officer

Mr. Vitor Fagá de Almeida

Investor Relations Officer

Dear Sirs:

We hereby inform that, on the present date, I filed a request for arbitration before International Chamber of Commerce – ICC against Casino Guichard Perrachon, Segisor and Sudaco Participações Ltda. (jointly “Casino”), in accordance with the Shareholders' Agreement dated as of November 27th, 2006 (“Shareholders' Agreement”).

The arbitration procedure, which is subject to applicable confidentiality provisions, is aimed at ensuring that Casino complies with the Shareholders' Agreement and refrain from further actions that violate the rights and obligations of my position as Chairman of the Board of Directors.

I will keep the Company informed of any deployment related to it. I require to the company's management, if it is the case, to publicly disclose the entire content of this letter to the market.

Sincerely,

Abilio dos Santos Diniz

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
