Item 8.01. Other Events.

On September 17, 2015, Peak Resorts, Inc. (the "Company") issued a press release announcing that a fire destroyed the main lodge at its Mad River Resort in Zanesville, Ohio on the evening of September 16, 2015. A copy of the press release is filed hereto as Exhibit 99.1 and incorporated herein by reference.

After the release was issued on September 17, management conducted an on-site assessment of the fire damage, accompanied by local staff, fire officials and insurance company representatives. Fortunately, the main lodge only contained the food and beverage operations, which the Company intends to operate out of temporary buildings for the 2015-2016 ski season. All other resort operations, such as equipment rental, ticketing, ski school, tubing, administrative offices, maintenance, etc., are housed in other buildings that were not damaged. Management expects that there will be no meaningful impact on the upcoming ski season.

On September 18, 2015, the Company issued a press release announcing that its board of directors declared a quarterly cash dividend of \$0.1375, payable on November 25, 2015 to stockholders of record on October 13, 2015. A copy of the press release is filed hereto as Exhibit 99.2 and incorporated herein by reference.
