## ITEM 1.01

### ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

#### Share Exchange Agreement

On April 9, 2015, we closed the transaction contemplated by an Agreement of Exchange of Stock (the "Share Exchange Agreement") by and between us, AllCom, a Nevada corporation ("AllCom") and Genie Gateway, a California corporation ("Genie"), dated as of January 30, 2015, as amended, pursuant to which AllCom transferred to us 100% of the common stock of Genie in exchange for the issuance of: (i) 125,798,890 shares of our Common Stock, restricted in accordance with Rule 144, (ii) 5,000,000 shares of our Series B Convertible Preferred Stock, restricted in accordance with Rule 144, with the rights and preferences in the Certificate of Designation for the Series B Convertible Preferred Stock attached hereto, and (iii) 10,000,000 shares of our Series C Convertible Preferred Stock, restricted in accordance with Rule 144, with the rights and preferences in the Certificate of Designation for the Series C Convertible Preferred Stock attached hereto (such transaction, the "Share Exchange Transaction"), all of which shares equate to approximately 97% of our outstanding voting control (not including the shares of our Series A Convertible Preferred Stock, which as noted below, have been transferred to AllCom, but will be retired once we effect a reverse stock split of our common stock). As a result of implementing the Share Exchange Agreement, Genie became our wholly-owned subsidiary and now, in addition to managing our cable operations that we control through our subsidiary, Summit Digital, Inc., we are now also in the business of being a unified communications and payment processing platform that blends business products and services - traditionally purchased from multiple vendors - into one seamless service, through Genie.

According to the Certificate of Designation for our Series B Convertible Preferred Stock, there are Five Million (5,000,000) shares authorized, with the following rights and preferences: (i) dividend rights equal to the dividend rights our common stock; (ii) liquidation preference over our common stock; (iii) all shares of Series B Convertible Preferred Stock are convertible into an aggregate of 16,666,666 shares of Common Stock, on a pro rata basis, automatically and immediately after a reverse split of our outstanding common stock; (iv) no redemption rights; (v) no call rights by us; and (vi) shares of Series B Convertible Preferred Stock vote on an "as converted" basis on all matters validly brought to our common stockholders for approval.

According to the Certificate of Designation for our Series C Convertible Preferred Stock, there are Ten Million (10,000,000) shares authorized, with the following rights and preferences: (i) dividend rights equal to the dividend rights our common stock; (ii) liquidation preference over our common stock; (iii) all shares of Series B Convertible Preferred Stock are convertible into an aggregate of 144,994,200 shares of our common stock on a pro rata basis in the sole discretion of the holder of such shares; (iv) no redemption rights; (v) no call rights by us; and (vi) shares of Series C Convertible Preferred Stock vote on an "as converted" basis on all matters validly brought to our common stockholders for approval.

Additionally, as part of the Share Exchange Transaction, our two former officers and directors, Mr. Thomas Nix and Mr. Stephen Spencer, each transferred their One Million (1,000,000) shares of our Series A Convertible Preferred Stock, which shares currently have voting rights equal to 500,000,000 votes of our common stock, to AllCom. In accordance with the Share Exchange Agreement, these shares will be cancelled upon the effectiveness of a reverse stock split of our common stock, leaving no shares of our Series A Convertible Preferred Stock outstanding. In exchange for agreeing to forfeit their Series A Preferred Stock, each of Mr. Nix and Mr. Spencer will receive 54,000 shares of our post-reverse stock split common stock.

After the Closing, AllCom will attempt to raise capital and agreed that from the first One Million Dollars (\$1,000,000) of proceeds received from outside investors, it will use One Hundred Thousand Dollars (\$100,000) to pay off a maximum of \$100,000 of owed to our creditors and as past management as of March 31, 2015.

As part of the Share Exchange Transaction, WWAG and AllCom agreed that Thomas Nix, our former President and former member of our Board of Directors will have the option, beginning on July 31, 2015, and ending on September 30, 2015, to purchase our cable television system business, currently run by Summit Digital, Inc., for the sum of Twenty Five Thousand Dollars (\$25,000), payable directly to us. However, the parties agreed to waive the Twenty Five Thousand Dollars (\$25,000) payment for the cable system business if Mr. Nix personally covers any operating losses resulting from the cable television business from the closing of the Share Exchange Transaction through the time of exercising his purchase option.

### **COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS**

As described above, as a result of the Share Exchange Transaction, we acquired Genie, including its business of being a unified communications and payment processing platform that blends business products and services - traditionally purchased from multiple vendors - into one seamless service. In addition, we agreed Mr. Nix would have the option of purchasing our current cable system business if certain payments are made by Mr. Nix between July 31, 2015 and September 30, 2015.
