

Item 1.01 Entry into a Material Definitive Agreement

Entry into a Credit and Security Agreement

On April 6, 2017, RESI TL1 Borrower, LLC (the “Borrower”), an indirect wholly owned subsidiary of Altisource Residential Corporation (the “Company”), entered into a credit and security agreement (the “Term Loan Agreement”) with American Money Management Corporation (the “Agent”), as Agent, on behalf of Great American Life Insurance Company and Great American Insurance Company as initial lenders, and each other lender added from time to time as a party to the Term Loan Agreement (collectively, the “Lenders” and each, a “Lender”).

Pursuant to the Term Loan Agreement, the Borrower borrowed \$100.0 million to finance the ownership and operation of single-family rental properties (the “Term Loan”). The Term Loan Agreement has a maturity date of April 6, 2022 and a fixed interest rate of 5.00%.

Approximately \$73.6 million of the Term Loan Agreement proceeds were used to pay down other existing borrowings of the Company.

The Term Loan Agreement requires that the Borrower comply with various affirmative and negative covenants that are customary for loans of this type including, without limitation, reporting requirements to the Agent; maintenance of minimum levels of liquidity, indebtedness and tangible net worth; limitations on sales and dispositions of the properties collateralizing the Term Loan Agreement and various restrictions on the use of cash generated by the operations of the properties while the Term Loan is outstanding. The Term Loan Agreement also includes customary events of default, the occurrence of which would allow the Lenders to accelerate payment of all amounts outstanding thereunder. The Term Loan is non-recourse to the Company and is secured by a lien on the membership interests of the Borrower and the properties and other assets of the Borrower. The assets of the Borrower are the primary source of repayment and interest on the Term Loan, thereby making the cash proceeds received by the Borrower from rent payments and any sales of the underlying properties the primary sources of the payment of interest and principal by the Borrower to the Lenders. The Company has limited indemnification obligations for wrongful acts taken by the Borrower and RESI TL1 Pledgor, LLC, the sole member of the Borrower, in connection with the secured collateral.

The foregoing description of the Term Loan Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the full text of the Term Loan Agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Amendment No.1 to Amended and Restated Loan and Security Agreement with Nomura

On April 6, 2017, the Company, acting through its subsidiaries, amended and extended its existing \$250.0 million loan and security agreement (the “April 2016 Facility” and, as newly amended, the “Amended Nomura Facility”) with Nomura Corporate Funding Americas, LLC (“Nomura”) through the entry into Amendment No.1 to the Amended and Restated Loan and Security Agreement (the “Amendment Agreement”). Under the Amendment Agreement, the Company and Nomura:

- extended the termination date of the facility by one year to April 5, 2018;
- retained a maximum aggregate borrowing amount of \$250.0 million and increased the uncommitted maximum borrowing amount to \$100.0 million, which is available to the Company subject to the Company meeting certain eligibility requirements; and
- removed the exit fee requirement upon early repayment.

Edgar Filing: Altisource Residential Corp - Form 8-K

Prior to the entry into the Amendment Agreement, an aggregate of approximately \$144.5 million was outstanding under the April 2016 Facility. The Company used a portion of the proceeds from the Term Loan Agreement to pay down a portion of the Amended Nomura Facility and, upon such payment, an aggregate of approximately \$109.6 million remained outstanding under the Amended Nomura Facility.

The obligations of the Company's subsidiaries under the Amendment Agreement continue to be fully guaranteed by the Company pursuant to the original Guaranty (the "Guaranty") made by the Company in favor of Nomura with respect to the original loan and security agreement between the Company and Nomura dated April 10, 2015 (the "Original Facility").

Other than as described above, the terms of the Amended Nomura Facility remain substantially the same as the April 2016 Facility.
