#### Item 8.01 Other Events.

As previously announced, Wesbanco, Inc. ("WesBanco") and Farmers Capital Bank Corporation ("Farmers Capital") entered into a definitive Agreement and Plan of Merger (the "Merger Agreement"), dated as of April 19, 2018, providing for, among other things, the merger of Farmers Capital with and into WesBanco with WesBanco surviving (the "Proposed Merger"). The Merger Agreement also provides that, immediately following the completion of the Proposed Merger, United Bank & Capital Trust Company, a Kentucky state-chartered commercial bank and a wholly-owned subsidiary of Farmers Capital ("United Bank"), will merge with and into Wesbanco Bank, Inc., a West Virginia banking corporation and a wholly-owned subsidiary of WesBanco ("WesBanco Bank"), with WesBanco Bank continuing as the surviving bank.

On July 10, 2018 an alleged class action complaint was filed by a purported stockholder of Farmers Capital in the Franklin Circuit Court of the Commonwealth of Kentucky captioned Parshall v. Farmers Capital Bank Corporation (Case No. 18-CI-00699) against Farmers Capital, United Bank, the individual members of the board of directors of Farmers Capital ("Defendant Directors"), WesBanco and WesBanco Bank (the "Complaint"). Among other things, the Complaint alleges that the Definitive Proxy Statement filed by Farmers Capital with the Securities and Exchange Commission ("SEC") on June 15, 2018 failed to disclose allegedly material information, including information relating to Farmers Capital's financial projections and the valuation analyses performed by Farmers Capital's financial advisor in connection with the Proposed Merger, and that the Director Defendants breached various of their fiduciary duties to Farmers Capital's shareholders and that Farmers Capital, United Bank, WesBanco and WesBanco Bank aided and abetted those alleged breaches.

The Complaint generally seeks an injunction barring the defendants from consummating the Proposed Merger. Alternatively, the Complaint seeks rescission of the Merger or rescissory damages. The Complaint also requests an accounting for all damages suffered as a result of the alleged claims asserted in the Complaint and an award of the costs incurred in prosecuting the case, including attorneys' and experts' fees and costs.

WesBanco and Farmers Capital believe the allegations in the Complaint are without merit and intend to defend vigorously against those allegations.
