Item 1.01 Entry into a Material Definitive Agreement.

On April 1, 2008, Iomega Corporation (“Iomega”) entered into a lease agreement with BOYER IOMEGA II, a Utah limited liability company, by its managing partner, The Boyer Company, L. C., (the “Landlord”), pursuant to which Iomega will lease approximately 52,000 square feet of office space located at the Executive Business Park, Roy, Utah, retroactive to January 1, 2008. Immediately prior to this new lease, Iomega was leasing 90,000 square feet at the same location, at \$12.35 per square foot, per year, under a lease scheduled to end in September 2008 (the “Prior Lease”). The new rental rate drops to \$11.00 per square foot, per year. Hence, Iomega’s costs for its primary Utah office space (housing R&D, logistics, finance, and other personnel) will drop both on a per square foot rental rate, and based upon leasing less feet, retroactive to January 1, 2008. The lease term of the new lease is six years, thus expiring December 31, 2013, subject to Iomega’s right to terminate the lease after 36 months (i.e., effective December 31, 2010) or thereafter, by providing nine months’ advance notice. In the event of early termination, Iomega would be required to reimburse the landlord for any unamortized improvement allowance actually spent and used by Iomega for the space being terminated (based on a 6 year straight-line amortization schedule), and for the reduction in 2008 rent resulting from lowering Iomega’s rent expenses retroactive to January 1, 2008.

This lease is net of expenses, taxes, insurance, management fees, and electricity.

Item 1.02

The information in Item 1.01 above is incorporated herein by reference. The new lease had the effect of terminating the Prior Lease.
