- o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

### **Section 2 - Financial Information**

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 30, 2016, Southwestern Energy Company (the Company) borrowed approximately \$1.55 billion (the Borrowing) under the Company s existing Credit Agreement dated December 16, 2013 among JPMorgan Chase Bank, N.A., as administrative agent, the lenders from time to time parties thereto, and other agents (the Credit Agreement). The Company repaid the Borrowing in full on April 1, 2016, although such repayment was not required until the maturity of the Credit Agreement on December 14, 2018. This is in addition to other borrowings in the ordinary course of business.

## **Section 7 - Regulation FD**

Item 7.01 Regulation FD Disclosure.

As part of the Company s ongoing review of options to address its long-term debt maturities, having the cash from the Borrowing as an asset on the Company s consolidated balance sheet as of the last day of the first quarter of 2016 expands the Company s flexibility by increasing by approximately \$232 million the maximum amount of secured debt or debt of subsidiaries that may be incurred during the second quarter of 2016 in accordance with the Company s credit facilities and indentures, if the Company should decide to utilize debt of these types to retire, rearrange or extend existing debt and credit facilities.
