Welcome The Milford National Bank and Trust Company Customers

We are delighted to announce the merger between Milford National Bank and Trust Company and Rockland Trust. Like The Milford National Bank and Trust Company, Rockland Trust is committed to the communities it serves and is continually recognized for providing exemplary customer service. With more than a 100-year heritage of building long-term relationships with our customers, you can count on receiving superior service from our team of knowledgeable professionals, each of whom strives to live up to our promise of "Where Each Relationship Matters."

Please use the information below to learn more about Rockland Trust and the transition of your accounts. As we work on integrating the two organizations, Rockland Trust will communicate any changes in your account(s) and services.

Who is Rockland Trust and where are they located?

Rockland Trust is a regional community bank that offers a full range of consumer, business, and investment products and services. With more than 85 branches serving eastern Massachusetts, Rockland offers locations in Greater Boston communities, as well as Bristol County, the South Shore, Cape Cod, and Martha's Vineyard.

Rockland Trust is a strong and safe bank that was recently recognized by Bank Director as the top performing bank in Massachusetts. In addition to consumer banking and lending products, Rockland Trust is a leader in business and commercial banking. The Bank also has two sizeable charitable foundations dedicated to the well-being of their communities.

Like The Milford National Bank and Trust, Rockland Trust has a 100+ year heritage and shares a deep commitment to the communities it serves. Both organizations pride themselves on delivering the exceptional personal service of a community bank. Both organizations also believe that colleagues are critical to their success, which has contributed to them being respected employers with long-term loyal employees. In fact, The Boston Globe has recognized Rockland Trust as one of the Best Places to Work nine years in a row and ranked the Bank in 2017 as the #1 financial services company to work for in its category.

The Milford National Bank and Trust is a strong and profitable community bank. The combination will create an even stronger bank committed to serving the needs of communities, customers, and businesses.

Joining forces with Rockland Trust positions us to thrive in an increasingly competitive environment where technology is required to meet our customers' needs.

Joining forces with Rockland Trust preserves the strengths of The Milford National Bank, while bringing additional capabilities and technology to support the needs of our customers and communities.

Rockland Trust brings a deep and broad range of consumer and business capabilities that will help us serve our customers' needs better. Additional products and services Rockland Trust provides, include:

- "Smart" ATMs that allow for envelope-free bulk deposits with check images printed on receipts;

- State-of-the-art mobile banking services for consumers and businesses, including the ability to deposit checks via smart phone or tablet, and Apple Pay™, Samsung Pay, and Google Pay™;

- Instant issue chip-enabled debit cards;

- A wide range of investment management and trust services and products through Rockland Trust's Investment Management Group (IMG), which will complement Milford National's experienced investment management team with the resources of one of the largest independent investment advisors in Massachusetts;

- Cash management services for businesses, including "positive pay" and an automated fraud detection tool;

- A business credit card that provides rewards, multiple layers of security, and other built-in benefits;

- Larger commercial lending capacity, of up to \$75 million, served through 11 commercial lending centers;

- A wide range of affordable housing capabilities and expertise;

- Merchant services that allow our business customers to accept credit and debit cards in their stores and even on their web sites;

- Asset Based Lending programs that allow us to meet the credit needs of a broader set of business customers;

- Foreign exchange services and 1031 exchanges, and

- A dedicated municipal and government banking team that offers resources to navigate the often complex fiduciary concerns and compliance requirements.
