**SAPIENS INSIGHT™ FOR LIFE & ANNUITIES
LAUNCHED IN NORTH AMERICA**

New rules-based insurance solution recognized for future-proofed technology

ORLANDO, FL – MAY 24, 2005 - Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS), a leading global provider of rules-based insurance IT solutions, announced today the North American release of its **Sapiens INSIGHT™ for Life & Annuities** solution at the 2005 ACORD/LOMA conference in Orlando, Florida.

Sapiens INSIGHT™ for Life & Annuities, part of the Sapiens INSIGHT™ suite of insurance solutions, is an innovative individual and group management solution for life, health, and savings products. Developed using the company's pioneering eMerge business-rules technology, it is designed to integrate marketing, product management, distribution, new business, underwriting, policy processing, billing, commissions, claims, funds management, and reporting functionality into a single solution. **Sapiens INSIGHT™ for Life & Annuities'** product management and configuration capabilities are unique in the industry, enabling clients to design and implement new and enhanced life, health, and savings products in as little as a few days.

In a recent report by Datamonitor titled "Policy Administration Systems in Global Life Insurance," Sapiens was described as a key vendor for Life solutions and the future-proofed technology on offer from Sapiens was described as likely to lead to long-term success. Datamonitor noted that "the Sapiens INSIGHT™ solution, although a new system, is fully componentized and web-enabled, with the capacity to run pensions, health and savings on a single product platform."

"We are proud to introduce **Sapiens INSIGHT™ for Life & Annuities** to the North American insurance market," said Steven Bessellieu, President, Sapiens Americas. "Its benefits have been widely recognized by analysts and clients throughout Europe and the Middle East with several referenceable implementations including Allianz and Menora. We believe that the solution's flexibility, rules-based technology, rapid implementation and ease of maintenance will help insurance carriers compete and grow in today's market."

**TEXAS FARM BUREAU INSURANCE COMPANIES SELECT
SAPIENS INSIGHT™ FOR PROPERTY & CASUALTY
SOLUTION SUITE**

Rules-Based Solution Forms New Technology Platform

Anaheim, CA, June 8, 2005 - Sapiens International Corporation N.V. (NASDAQ: and TASE: SPNS), a member of the Formula Group (NASDAQ: FORTY and TASE: FORT), announced today at the 2005 Insurance Accounting & Systems Association (IASA) annual conference being held in Anaheim, California, that Texas Farm Bureau Insurance Companies had licensed its innovative Sapiens INSIGHT™ for Property & Casualty solution suite.

Texas Farm Bureau Insurance Companies acquired the solution as their new information technology foundation for insurance business processing and will be the first insurance company to implement the complete Sapiens INSIGHT™ for Property & Casualty suite including Policy Administration, Claims, Billing and Reinsurance. Phase One of the implementation program will install the Policy Administration and Billing modules to support the introduction of a new Farm Package Policy and the automation of manually rated lines of business. Phase Two, scheduled to begin January 2006, will implement the Claims and Reinsurance components, and additional lines of business.

The decision to implement Sapiens INSIGHT™ enhances the Texas Farm Bureau Insurance Companies foundation for growth and continuing commitment to effectively servicing Texas Farm Bureau membership and insurance customers throughout the state of Texas.

We were impressed with the power of the Sapiens software and with their team. Their policy processing knowledge and ability to transfer knowledge quickly will transform and energize our product development environment. It's a relationship that will greatly benefit our members. Sapiens International and the Texas Farm Bureau Insurance Companies said Bill Brooks, Assistant Vice President, Texas Farm Bureau Insurance Companies.

"We are proud to add the Texas Farm Bureau Insurance Companies to the growing list of clients who recognize the unique benefits of our insurance solutions said Steven Bessellieu, President, Sapiens Americas. "By building the Sapiens INSIGHT™ suite using our pioneering business-rules technology we are simplifying the process of business change for our clients".
