IntegraMed America, Inc. (the "Company") is unable to file its Form 10-Q for the quarterly period ended September 30, 2009 within the prescribed period due to reasons that could not be eliminated without unreasonable effort or expense. As previously reported on a Current Report on Form 8-K filed on November 3, 2009, management of the Company concluded on October 28, 2009 that the Company's audited financial statements for the year ended December 31, 2006, 2007 and 2008 should not be relied upon and will be restated. The Company is still determining the impact of the restatement and the effect it will have on the subject quarterly report. The Company anticipates that it will file the subject quarterly report prior to the fifth calendar day following the prescribed due date.
