* The address of each non-interested Director is P.O. Box 9095, Princeton, NJ 08543-9095.

** Each of the Director nominees is a member of the Audit Committee of each Fund.

Each Director serves until his or her successor is elected and qualified, or until his or her death or resignation, or removal as provided in the Funds' respective by-laws or charter or by statute, or until December 31 of the year in which he or she turns 72.

Audit Committee Report

The Board of Directors of each Fund has a standing Audit Committee (each, a Committee), which consists of the Directors who are not interested persons of the Fund within the meaning of the Investment Company Act and who are independent as defined in the listing standards of the New York Stock Exchange (the non-interested Directors). Currently, Ms. Ramo and Messrs. Bodurtha, Grills, London, Perold, Salomon and Swensrud are non-interested Directors with respect to each Fund and members of each Committee. The principal responsibilities of each Committee are the appointment, compensation and

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

oversight of the Fund's independent accountants, including the resolution of disagreements regarding financial reporting between Fund management and such independent accountants.

Each Fund has adopted a written Charter for the Committee, which is attached as Exhibit A to this Combined Proxy Statement. Each Fund's Committee also has (a) received written disclosures and the letter required by Independence Standards Board Standard No. 1, as may be modified or supplemented, from Deloitte & Touche LLP (D&T), independent accountants for each Fund, and (b) discussed with D&T certain matters required to be discussed by Statements on Auditing Standards No. 61. Each Committee has considered whether the provision of non-audit services by the Fund's independent accountants is compatible with maintaining the independence of those accountants.

The Committees also review and discuss the audit of each Fund's financial statements with Fund management and the independent accountants. Had any material concerns arisen during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in each Fund's Annual Report, the Committee would have been notified by Fund management or the independent accountants. The Committees received no such notifications for any of the Funds. Following each Committee's review and discussion regarding the audit of the Fund's financial statements with management and the independent accountants, each Committee recommended to the Board of Directors that the Fund's audited financial statements for the fiscal year ended May 31, 2003 be included in such Fund's Annual Report to Stockholders.

6

In addition to the above, each Fund's Committee also reviews and nominates candidates to serve as non-interested Directors. The Committees generally will not consider nominees recommended by stockholders of a Fund. The non-interested Directors have retained independent legal counsel to assist them in connection with these duties.

Committee and Board of Directors Meetings

During each Fund's fiscal year ended May 31, 2003, each Board of Directors held 8 meetings and each Committee held 4 meetings. Each of the Directors then in office attended at least 75% of the aggregate of the total number of meetings of the Board of Directors held during the fiscal year and, if a member, the total number of meetings of the Committee held during such period.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the officers and Directors of each Fund and persons who own more than ten percent of a registered class of the Fund's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (SEC) and the New York Stock Exchange (NYSE). Officers, Directors and greater than ten percent stockholders of each Fund are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on each Fund's review of the copies of such forms, and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, each Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30 of the Investment Company Act (i.e., any advisory board member, investment adviser or affiliated person of the Fund's investment adviser) have complied with all filing requirements applicable to them with respect to transactions during the Fund's most recent fiscal year, except that (i) FAM inadvertently made late Form 4 filings with respect to each of the Funds; (ii) William Bentley, Lawrence Haber, Jerry Miller, Frank Salerno, and Charles Winters, officers of the Funds' investment advisor or its affiliate, inadvertently made late Form 3 filings; and (iii) James H. Bodurtha inadvertently made a late Form 5 filing with respect to Corporate High Yield.

Interested Persons

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

Each Fund considers Mr. Glenn to be an interested person of that Fund within the meaning of Section 2(a)(19) of the Investment Company Act based on his former positions with FAM and its affiliates and/or due to his ownership of securities issued by ML & Co. Mr. Glenn is the President of each Fund.

7

Compensation of Directors

FAM, the investment adviser of each Fund, pays all compensation to all officers and Directors of each Fund who are affiliated with ML & Co. or its subsidiaries. Each non-interested Director receives an annual retainer of \$132,000 for his or her services to MLIM/FAM-Advised Funds, including the Funds. The portion of the annual retainer allocated to each MLIM/FAM-Advised Fund is determined quarterly based on the relative net assets of each such fund. In addition, each non-interested Director receives a fee per in-person Board meeting attended and per in-person Committee meeting attended. The annual per meeting fees paid to each non-interested Director aggregate \$100,000 for all MLIM/FAM-Advised Funds for which that Director serves and are allocated equally among those funds. The Co-Chairmen of the Audit Committee, each receives an additional annual retainer in the amount of \$20,000, which is paid quarterly and allocated to each MLIM/FAM-Advised Fund for which they provide services based on the relative net assets of each such fund. Information with respect to fees and expenses paid to the non-interested Directors for each Fund's most recently completed fiscal year is set forth in the following table:

Fund	Board			Audit Committee			Aggregate Fees and Expenses (\$)
	# Meetings Held*	Annual Fee (\$)	Per Meeting Fee (\$)**	# Meetings Held*	Annual Fee (\$)	Per Meeting Fee (\$)**

ADDITIONAL INFORMATION

Expenses and Methods of Proxy Solicitation; Vote Required

The expenses of preparation, printing and mailing of the enclosed forms of proxy and accompanying Notice and Combined Proxy Statement will be borne by the Funds in proportion to their relative net assets.

In order to obtain the necessary quorum at each Meeting (i.e., a majority of the Fund's Common Stock entitled to vote at the Meeting, present in person or by proxy), supplementary solicitation may be made by mail, telephone, telegraph or personal interview by officers of each Fund. Each Fund has retained Georgeson Shareholder, 17 State Street, New York, New York 10004, to assist in the solicitation of proxies at a cost of approximately \$3,500 for each Fund, plus out-of-pocket expenses

estimated to be \$500 for each Fund.

All shares represented by properly executed proxies, unless such proxies have previously been revoked, will be voted at each Meeting in accordance with the directions on the proxies; if no direction is indicated, the shares will be voted FOR the nominees. In the case of Corporate High Yield and Corporate High Yield III, approval with respect to the election of Directors (Item 1) will require the affirmative vote of a plurality of the votes cast by each Fund's stockholders, in person or by proxy, at a meeting at which a quorum is present and

11

duly constituted. A plurality of the votes means the candidate must receive more votes than any other candidate for the same position, but not necessarily a majority of the votes cast. In the case of MuniAssets, assuming a quorum is present at the Meeting, the election of Directors will require the affirmative vote of a majority of the total votes cast by the stockholders represented at the Meeting and entitled to vote.

Broker Non-Votes and Abstentions

Broker-dealer firms, including Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S), holding shares of each Fund in street name for the benefit of their customers and clients, will request the instructions of such customers and clients on how to vote their shares on Item 1 before the Meeting. The Funds understand that, under the rules of the New York Stock Exchange, such broker-dealer firms may, without instructions from their customers and clients, grant authority to the proxies designated to vote on the election of Directors (Item 1) if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The Funds will include shares held of record by broker-dealers as to which such authority has been granted in its tabulation of the total number of shares present for purposes of determining whether the necessary quorum of stockholders of each Fund exists. Proxies that are returned to a Fund but that are marked abstain or on which a broker-dealer has declined to vote on Item 1 (broker non-votes) will be counted as present for the purposes of determining a quorum. MLPF&S has advised each Fund that if it votes shares held in its name for which no instructions are received, except as limited by agreement or applicable law, it will do so in the same proportion as the votes received from beneficial owners of those shares for which instructions have been received, whether or not held in nominee name. Abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the vote on Item 1 for any Fund.

Other Matters

Management knows of no other matters to be presented at the Meetings. However, if other matters are presented for a vote at the meeting or any adjournments thereof, the proxy holders will vote the Common Stock represented by properly executed proxies according to their judgment on those matters.

Independent Accountants Fees

The following table sets forth the aggregate fees paid to D&T for each Fund's fiscal year ended May 31, 2003 for professional services rendered for: (i) the audit of the Funds' annual financial statements included in each Fund's report to stockholders; (ii) all other audit related services provided to each Fund; and (iii) all non-audit services provided to each Fund, FAM, and entities controlling, controlled by or under common control with FAM that provide services to the Fund. For each Fund's fiscal year ended May 31, 2003, the independent accountants did not render any professional services for financial information systems and design and implementation services to the Funds, FAM or entities controlling, controlled by or under common control with FAM that provide services to the Funds. The Committee of each Fund has determined that the provision of other audit related services under clause (ii) and the provision of non-audit services under clause (iii) are compatible with maintaining the independence of the independent accountants. Representatives of D&T are expected to be present at the Meetings and will have an opportunity to make a statement if they so desire and to respond to questions from stockholders.

Annual Report Delivery

Each Fund will furnish, without charge, a copy of its annual report for the Fund's last fiscal year to any stockholder upon request. Such requests should be directed to the applicable Fund, P.O. Box 9011, Princeton, New Jersey 08543-9011, Attention: Fund Secretary, or to 1-800-637-3863.

Stockholder Proposals

If a stockholder of any Fund intends to present a proposal at the 2004 Annual Meeting of Stockholders of such Fund, each of which is anticipated to be held in August 2004, and desires to have the proposal included in the Fund's proxy statement and form of proxy for that meeting, the stockholder must deliver the proposal to the offices of the appropriate Fund by March 19, 2004. The persons named as proxies in the proxy materials for the 2004 Annual Meetings of Stockholders may exercise discretionary authority with respect to any stockholder proposal presented at such meeting if written notice of such proposal has not been received by the Fund by June 7, 2004. Written proposals and notices should be sent to the Secretary of the respective Fund (addressed to 800 Scudders Mill Road, Plainsboro, New Jersey 08536).

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS/TRUSTEES
FOR EXCHANGE LISTED FUNDS**

Although the audit committee of an investment company also serves as a nominating committee, the following charter pertains only to each audit and nominating committee's duties as an audit committee. The Board of Directors/Trustees of each investment company listed on Appendix A hereto has adopted the following audit committee charter:

I. Composition of the Audit Committee

The Audit Committee shall be composed of at least three Directors/Trustees:

- (a) each of whom shall not be an interested person of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended, or an affiliated person of the Fund, as described in Section 10A(m) of the Securities Exchange Act of 1934, as amended (the "1934 Act");
- (b) each of whom shall not accept any consulting, advisory, or other compensatory fee from the Fund (other than fees for serving on the Board of Directors/Trustees or any committee thereof) or have any other relationship to the Fund that may interfere with the exercise of such person's independence from the Fund and Fund management;
- (c) each of whom shall otherwise satisfy the applicable independence requirements for any stock exchange or market quotation system on which Fund shares are listed or quoted;
- (d) each of whom shall be financially literate, as such qualification is interpreted by the Board of Directors/Trustees in its business judgment, or shall become financially literate within a reasonable period of time after his or her appointment to the Audit Committee; and
- (e) at least one of whom shall have accounting or related financial management expertise as the Board of Directors/Trustees interprets such qualification in its business judgment.

The Audit Committee shall determine whether at least one member of the Audit Committee is a financial expert as defined in rules promulgated by the U.S. Securities and Exchange Commission (the "SEC") under the Sarbanes-Oxley Act of 2002 and shall consider whether any member thereof serves on the audit committee of any other public companies.

II. Purposes of the Audit Committee

The Audit Committee, in its capacity as a committee of the Board of Directors/Trustees, is directly responsible for the appointment, compensation, and oversight of the Fund's independent accountants, including the resolution of disagreements regarding financial reporting between Fund management and such independent accountants. The Audit Committee should report regularly to the Board of Directors/Trustees with respect to the matters described in Section III of this Audit Committee Charter. The Fund's independent accountants report directly to the Audit Committee.

III. Responsibilities and Duties of the Audit Committee

The policies and procedures of the Audit Committee shall remain flexible to facilitate its ability to react to changing conditions and to generally discharge its functions. The following listed responsibilities describe areas of attention in broad terms.

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

To carry out its purposes, the Audit Committee shall have the following responsibilities and duties:

- (a) upon submission of an application form by the Fund's independent accountants to the Public Company Accounting Oversight Board, to request: (i) a copy of such application form; (ii) any material amendments to such application form; and (iii) the written findings of the Public Company Accounting Oversight Board in connection with that Board's inspection of the Fund's independent accountants;
- (b) to preapprove all auditing services to be provided to the Fund by the Fund's independent accountants*;
- (c) to preapprove all non-auditing services, including tax services, to be provided to the Fund by the Fund's independent accountants in accordance with the 1934 Act; provided, however, that the preapproval requirement with respect to the provision of non-auditing services to the Fund by the Fund's independent accountants may be waived by the Audit Committee under the circumstances described in the 1934 Act**;
- (d) to ensure that the Fund's independent accountants submit on a periodic basis to the Audit Committee a formal written statement delineating all relationships between such independent accountants and the Fund, consistent with Independence Standards Board Standard No. 1, to actively engage in a dialogue with the Fund's independent accountants with respect to any disclosed relationships or services that may affect the objectivity and independence of such independent accountants and, if deemed appropriate by the Audit Committee, to recommend that the Board of Directors/Trustees take appropriate action in response to the report of such independent accountants to satisfy itself of the independence of such independent accountants;
- (e) to receive and consider specific representations from the Fund's independent accountants with respect to the independence of such accountants, audit partner rotation, and conflicts of interest described in Section 10A(l) of the 1934 Act, and to consider whether the provision of any non-audit services to the Fund by the Fund's independent accountants as described in Section III(c) of this Audit Committee Charter is compatible with maintaining the independence of those accountants;
- (f) to review arrangements for annual and special audits and the scope of such audits with the Fund's independent accountants;
- (g) to review and discuss the Fund's audited financial statements with Fund management;

* The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant such preapprovals; provided, however, that the Audit Committee shall not delegate preapproval of the audit required by the 1934 Act. The decisions of any member or members of the Audit Committee to whom such authority has been given shall be reported to the full Audit Committee at each of its scheduled meetings.

** The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant such preapprovals. The decisions of any member or members of the Audit Committee to whom such authority has been given shall be reported to the full Audit Committee at each of its scheduled meetings.

- (h) to discuss with the independent accountants those matters required by Statement of Accounting Standards Nos. 61 and 90 relating to the Fund's financial statements, including, without limitation, any adjustment to such financial statements recommended by such independent accountants, or any other results of any audit;
- (i) to cause to be prepared and to review and submit any report, including any recommendation of the Audit Committee, required by SEC Rules to be included in the Fund's annual proxy statement;
- (j) to review legal and regulatory matters presented by counsel and the Fund's independent accountants that may have a material impact on the Fund's financial statements;
- (k) to establish and administer policies and procedures relating to: (i) the hiring of employees or former employees of the Fund's independent accountants; and (ii) the resolution of any disagreements between Fund management and the Fund's independent accountants regarding accounting and/or financial reporting policies and procedures;
- (l) to consider with the Fund's independent accountants their comments with respect to the quality and adequacy of the Fund's accounting and financial reporting policies, practices and internal controls and management's responses thereto, including, without limitation, the effect on the Fund of any recommendation of changes in accounting principles or practices by management or the independent accountants;

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

- (m) to receive and consider reports from the Fund's independent accountants regarding: (i) all critical accounting policies and practices to be used; (ii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with Fund management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent accountants; and (iii) other material written communications between the independent accountants and Fund management, such as any management letter or schedule of unadjusted differences;
- (n) to receive reports from the principal executive officer and the principal financial officer, or persons performing similar functions, regarding: (i) all significant deficiencies in the design or operation of Fund internal controls that could adversely affect the Fund's ability to record, process, summarize, and report financial data and have identified for Fund's independent accountants any material weaknesses in internal controls; (ii) any fraud, whether or not material, that involves Fund management or other employees who have a significant role in the Fund's internal controls; and (iii) whether or not there were significant changes in the Fund's internal controls or in other factors that could significantly affect the Fund's internal controls subsequent to the date of their evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses;
- (o) to establish procedures for: (i) the receipt, retention, and treatment of complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters;
- (p) to discuss with Fund management and the Fund's independent auditors policies with respect to risk assessment and risk management and the quality and adequacy of the Fund's internal controls and processes that could materially affect the Fund's financial statements and financial reporting;

3

-
- (q) to assist the Fund, if necessary, in preparing any written affirmation or written certification required to be filed with any stock exchange on which Fund shares are listed;
 - (r) to review and reassess the adequacy of this Charter on an annual basis and recommend any changes to the Board of Directors/Trustees; and
 - (s) to perform such other functions consistent with this Audit Committee Charter, the Fund's Articles of Incorporation or Declaration of Trust, as applicable, the Fund's By-laws, and applicable law, as the Audit Committee or the Board of Directors/Trustees deems necessary or appropriate.

In fulfilling their responsibilities under this Audit Committee Charter, it is recognized that members of the Audit Committee are not full-time employees of the Fund. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures. Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations inside and outside the Fund from which the Audit Committee receives information and (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations, absent actual knowledge to the contrary (which actual knowledge shall be promptly reported to the Board of Directors/Trustees).

Fund management is responsible for maintaining appropriate systems for accounting. The Fund's independent accountants are responsible for conducting a proper audit of the Fund's financial statements and are ultimately accountable to the Audit Committee. The Audit Committee has the ultimate authority and responsibility to select (subject, if applicable, to shareholder approval) and evaluate the Fund's independent accountants, to determine the compensation of the Fund's independent accountants and, where appropriate, to replace the Fund's independent accountants.

IV. Meetings

The Audit Committee shall meet regularly with the Fund's independent accountants (outside the presence of Fund management) and at least once annually with the representatives of Fund management responsible for the financial and accounting operations of the Fund. The Audit Committee shall hold special meetings at such times as the Audit Committee believes appropriate. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of

conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

V. Assistance from Fund Management; Authority to Engage Advisers; Funding

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Audit Committee may request. The Audit Committee shall have the power and authority to take all action it believes necessary or appropriate to discharge its responsibilities, including the power and authority to retain independent counsel and other advisers. The Fund shall provide for appropriate funding, as determined by the Audit Committee as a committee of the Board of Directors/Trustees, for payment of compensation to: (i) the Fund's independent accountants and (ii) any advisers employed by the Audit Committee under this Section V.
