Committees and Board Meetings

The Board of each Fund maintains a standing Audit Committee and a standing Nominating Committee, each of which consists of all of the non-interested Directors. Currently, Ms. Hodrick and Messrs. Burton, O'Brien, Walsh and Weiss are members of each Fund's Audit Committee and Nominating Committee.

Audit Committees

The principal responsibilities of each Audit Committee are the appointment, compensation and oversight of the Fund's independent registered public accounting firm, including the resolution of disagreements regarding financial reporting between Fund management and such independent registered public accounting firm. The Audit Committee's responsibilities include, without limitation, to (i) review with the independent registered public accounting firm the arrangements for and scope of annual and special audits and any other services provided by the independent registered public accounting firm to the Fund; (ii) discuss with the independent registered public accounting firm certain matters relating to the Fund's financial statements, including any adjustment to such financial statements recommended by such independent registered public accounting firm or any other results of any audit; (iii) ensure that the independent registered public accounting firm submits on a periodic basis a formal written statement with respect to their independence, discuss with the independent registered public accounting firm any relationships or services disclosed in the statement that may impact the objectivity and independence of the Fund's independent registered public accounting firm and recommend that the Board take appropriate action in response thereto to satisfy itself of the independent registered public accounting firm's independence; and (iv) consider the comments of the independent registered public accounting firm with respect to the quality and adequacy of the Fund's accounting and financial reporting policies and practices and internal controls and Fund management's responses thereto. The Board of each Fund has adopted a written charter for the Audit Committee. Each Audit Committee has retained independent legal counsel to assist it in connection with these duties.

Each Fund's Audit Committee also has received written disclosures and the letter required by Independence Standards Board Standard No. 1, as may be modified or supplemented, from Deloitte & Touche LLP (D&T), independent registered public accounting firm for all the Funds, except MY MI, which received such written disclosures from its independent registered public accounting firm, Ernst & Young LLP (E&Y). Each Audit Committee has discussed with D&T and E&Y, as applicable, such firm's independence with respect to the Fund and certain matters required to be discussed by Statements on Auditing Standards No. 61. Each Audit Committee has considered whether the provision of non-audit services by the Fund's independent registered public accounting firm is compatible with maintaining the independence of that registered public accounting firm.

Each Audit Committee also reviews and discusses the audit of the Fund's financial statements with Fund management and the independent registered public accounting firm. If any material concerns arise during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's Annual Report to Stockholders, the Audit Committee would be notified by Fund management or the independent registered public accounting firm. The Audit Committees received no such notifications for any Fund. Following each Audit Committee's review and discussion regarding the audit of the Fund's financial statements with Fund management and the Fund's independent registered public accounting firm, each Audit

Committee recommended to the Directors that the Fund's audited financial statements for the 2004 fiscal year (each Fund's fiscal year end is set forth in Exhibit A) be included in each Fund's Annual Report to Stockholders.

Nominating Committees

The principal responsibilities of each Nominating Committee are to identify individuals qualified to serve as non-interested Directors of the Fund and to recommend its nominees for consideration by the full Board. The non-interested Directors have retained independent legal counsel to assist them in connection with these duties. While each Nominating Committee is solely responsible for the selection and nomination of the Fund's non-interested Directors, the Nominating Committee may consider nominations for the office of Director made by Fund stockholders as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the applicable Fund's Secretary that include biographical information and set forth the qualifications of the proposed nominee. The Nominating Committee evaluates nominees from whatever source using the same standard. Each Fund adopted a Charter of the Nominating Committee on January 21, 2004, a copy of which is attached hereto as Exhibit D. The nomination of Mr. O'Brien was recommended to the Nominating Committee by a non-interested Director.

Edgar Filing: MUNIYIELD FLORIDA INSURED FUND /NJ/ - Form DEF 14A

In identifying and evaluating a potential nominee to serve as a non-interested Director of a Fund, the Nominating Committee will consider, among other factors, (i) the contribution that the person can make to the Board, with consideration being given to the person's business and professional experience, education, and such other factors as the Committee may consider relevant; (ii) the character and integrity of the person; (iii) whether or not the person is an interested person as defined in the Investment Company Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director; (iv) whether or not the person has any business, charitable, financial or family relationships with Fund management, the investment adviser or manager of the Fund, any sub-adviser to the Fund, Fund service providers or their affiliates; (v) whether the individual is financially literate pursuant to the listing standards of the NYSE or NASDAQ, as applicable; (vi) whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vii) whether or not the person is willing to serve, and willing and able to commit the time necessary to perform the duties of a Fund Director; and (viii) whether or not the selection and nomination of the person would be consistent with the Fund's retirement policy.

During each Fund's last fiscal year, each of the Directors then in office attended at least 75% of the aggregate of the total number of meetings of the Board of Directors of that Fund held during the fiscal year and, if a member, the total number of meetings of the Audit Committee and Nominating Committee held during the period for which he or she served. For information about the number of meetings of the Board, the Audit Committee and the Nominating Committee held during each Fund's most recently completed fiscal year, see Exhibit A to this Combined Proxy Statement.

Stockholder Communications

Stockholders may send written communications to a Fund's Board of Directors or to an individual Director by mailing such correspondence to the Director or Directors at P.O. Box 9095, Princeton, New Jersey 08543-9095. Such communications must be signed by the stockholder and identify the Fund, class and number of shares held by the stockholder. Properly submitted stockholder communications will, as appropriate, be

7

forwarded to the entire Board or to the individual Director. Any stockholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), must continue to meet all the requirements of Rule 14a-8. See Additional Information Stockholder Proposals herein.

Director Attendance at Stockholder Meetings

The Funds have no formal policy regarding Director attendance at stockholder meetings. None of the Funds' Directors attended the 2004 Annual Meetings of Stockholders.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Exchange Act requires the officers and Directors of each Fund and persons who own more than ten percent of a registered class of the Fund's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (SEC) and in the case of MY FL, MY MI, MY NJ and MY PA also with the NYSE. Officers, Directors and greater than ten percent stockholders of each Fund are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on each Fund's review of the copies of such forms, and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, each Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30 of the Investment Company Act (i.e., any advisory board member, investment adviser or affiliated person of the Fund's investment adviser) have complied with all filing requirements applicable to them with respect to transactions during the Fund's most recent fiscal year.

Interested Persons

Each Fund considers Mr. Doll to be an interested person of the Fund within the meaning of Section 2(a)(19) of the Investment Company Act based on his positions with FAM and its affiliates. On February 3, 2005, Mr. Doll was elected by each Fund's Board as a Director of that Fund. Effective January 1, 2005, Mr. Doll was elected as President of each Fund by the Fund's Board.

Compensation of Directors

FAM, the investment adviser of each Fund, pays all compensation to all officers of each Fund and all Directors of each Fund who are affiliated with Merrill Lynch & Co., Inc. (ML & Co.) or its subsidiaries. Each Fund (except S&P 500) pays each non-interested Director an annual retainer of \$3,000 and S&P 500 pays each non-interested Director an annual retainer of \$3,500 for his or her services to MLIM/FAM-advised funds, including the Funds. The portion of the annual retainer allocated to each MLIM/FAM-advised fund is determined quarterly based on the relative net assets of each such fund. In addition, each non-interested Director receives a fee per in-person Board meeting attended and per in-person Audit Committee meeting attended. The annual per meeting fees paid to each non-interested Director aggregate \$86,000 for all MLIM/FAM-advised funds for which that Director serves and are allocated equally among those funds. The Chairman of the Audit Committee receives an additional annual retainer in the amount of \$29,500, which is paid annually and allocated to each MLIM/FAM-advised fund for which he provides services based on the relative net assets of the fund.

8

Information relating to (i) the aggregate fees and expenses paid by each Fund to its non-interested Directors during each Fund's most recently completed fiscal year is set forth in Exhibit A to this Combined Proxy Statement and (ii) the compensation received by each non-interested Director is set forth in Exhibit B to this Combined Proxy Statement.

Officers of Each Fund

Information relating to the officers of each Fund is set forth in Exhibit C to this Combined Proxy Statement. Officers of the Funds are elected and appointed by the Board of Directors and hold office until they resign, are removed or are otherwise disqualified to serve.

Stock Ownership

Set forth in Exhibit B to the Combined Proxy Statement is the following information for each Director Nominee: (i) the number of Shares of Common Stock and AMPS, if applicable, of each Fund owned; (ii) the aggregate dollar range such stock ownership represents; and (iii) the aggregate dollar range of securities owned in all registered funds overseen by the Director Nominee in the Merrill Lynch family of funds.

As of the Record Date, no non-interested Director Nominee or his or her immediate family members, owned beneficially or of record any securities of ML & Co. As of the Record Date, the Directors and officers of each Fund as a group owned an aggregate of less than 1% of the Fund's outstanding shares. At such date, Mr. Doll, a Director and officer of each Fund, and the other officers of each Fund owned an aggregate of less than 1% of the outstanding shares of common stock of ML & Co.

See Additional Information Quorum and Vote Required for the required vote necessary for the election of the Director Nominees with respect to each Fund.

The Board of Directors of each Fund recommends that the stockholders vote FOR the election of the Director Nominees.

ITEM 2. APPROVAL OF CHANGE TO FUNDAMENTAL INVESTMENT RESTRICTION

The Boards of MY FL, MY MI, MY NJ and MY PA have approved, and recommend that stockholders of those Funds approve the amendment to the investment restriction of the Fund prohibiting investment in other investment companies, except under certain circumstances. The investment restriction is a fundamental policy of these Funds and may not be changed without stockholder approval.

The investment restriction as proposed to be amended is set forth below. The language to be added appears in bold face type.

The Fund may not:

Purchase securities of other investment companies, except **(i)** in connection with a merger, consolidation, acquisition or reorganization, **(ii)** **by purchase of shares of tax-exempt money market funds advised by the Investment Adviser or its affiliates (as defined in the Investment Company Act) to the extent**

permitted by an exemptive order issued to the Fund by the Securities and Exchange Commission, or (iii) by purchase in the open market of securities of closed-end investment companies and only if immediately thereafter not more than 10% of the Fund's total assets would be invested in such securities.

Each of MY FL, MY MI, MY NJ and MY PA has adopted a fundamental investment restriction that provides that the Fund may not invest in other investment companies except under certain specified circumstances. You are being asked to approve changes to that fundamental investment restriction that would allow these Funds to invest in other investment companies by purchasing shares of tax-exempt money market funds advised by the Fund's Investment Adviser and its affiliates as permitted by an exemptive order issued to each of the Funds by the SEC (the SEC Order). This change will make it possible for each Fund, in the future, to invest uninvested cash balances in the shares of affiliated tax-exempt money market funds. Uninvested cash might arise from a variety of sources including dividend or interest payments, unsettled securities transactions, reserves held for investment strategy purposes, scheduled maturity of investments or liquidation of portfolio securities. Any such investment will be on the same terms and on the same basis as other stockholders in such tax-exempt money market funds, except that shares of tax-exempt money market funds sold to and redeemed by a Fund will not be subject to a sales load, redemption fee, distribution fee under a Rule 12b-1 plan or a service fee, and if the shares are subject to any such fee, the Investment Adviser will waive its advisory fee in an amount necessary to offset the amount of any such fees incurred. Also, if such investment would be subject to an investment advisory fee, the Fund's Investment Adviser has agreed to waive a portion of its advisory fee in an amount to offset the amount of fees incurred by the Fund. The SEC Order permits a Fund to invest up to 25% of its total assets in an affiliated tax-exempt money market fund. If the proposed amendment is adopted, each Fund will interpret the amended restriction in light of the existing SEC Order or as it may be amended in the future.

The Board of each of MY FL, MY MI, MY NJ and MY PA believes that investment in affiliated tax-exempt money market funds would provide each Fund with an efficient and cost-effective means of investing uninvested cash balances.

See Additional Information Quorum and Vote Required for the required vote necessary for the approval of the change to the fundamental investment restriction with respect to each Fund.

The Board of Directors of each of MY FL, MY MI, MY NJ and MY PA recommends that the stockholders of that Fund vote FOR the proposal to amend the Fund's fundamental investment restriction regarding investing in other investment companies.

ITEM 3. PROPOSAL TO DELETE A FUNDAMENTAL INVESTMENT POLICY OF MY PA

In addition to investment restrictions, each Fund operates pursuant to investment objectives and policies that govern the investment activities of the Fund and further limit its ability to invest in certain types of securities or engage in certain types of transactions. At the time that MY PA was organized, the tax and state securities laws of the Commonwealth of Pennsylvania required that the Fund adopt the following investment policy and further required that it be a fundamental policy, *i.e.* one that cannot be changed without a vote of stockholders. That policy appears below:

In order to pass through to investors income from the Fund exempt from Pennsylvania personal income tax, as a fundamental policy the Fund will invest in securities for income earnings rather than trading for profit. The Fund will not vary portfolio investments except to: (i) eliminate unsafe investment or investments not consistent with the preservation of capital or the tax status of the investments of the Fund; (ii) honor redemption orders, meet anticipated redemption requirements, and negate gains from discount purchases; (iii) reinvest the earnings from portfolio securities in like securities; or (iv) defray normal administrative expenses.

Under current law in the Commonwealth of Pennsylvania, such a policy is no longer required. The Fund's Board has considered this policy, including whether or not it is in the best interests of the Fund and its stockholders to keep the policy in place. In consultation with counsel and

Fund management, the Board has determined that it is in the best interests of the Fund and its stockholders to delete the policy. The removal of the policy will provide Fund management with greater flexibility in the management of the portfolio while still adhering to the Fund's fundamental investment objective of providing stockholders with as high a level of current income exempt from Federal and Pennsylvania income taxes as is consistent with its investment policies and prudent investment management. The existing investment policy could significantly limit the Fund's ability to trade securities by permitting the sale of portfolio holdings only in very limited circumstances. Fund management would like to be able, however, to purchase what they believe to be undervalued or underperforming municipal credits and to sell what they believe to be overvalued or outperforming municipal credits. The potential additional risk of this strategy is that the undervalued or underperforming credits might not, in fact, over time perform as anticipated by Fund management. The Fund does not anticipate that eliminating the existing investment policy will materially affect the way the Fund is currently managed.

See Additional Information Quorum and Vote Required for the required vote necessary for the approval of this Item.

The Board of MY PA recommends that the stockholders of the Fund vote FOR the proposal to delete the Fund's fundamental investment policy described above.

ADDITIONAL INFORMATION

Expenses and Methods of Proxy Solicitation

The expenses of preparation, printing and mailing of the enclosed forms of proxy, the accompanying Notice and this Combined Proxy Statement will be borne by each Fund in proportion to its relative net assets. The Funds will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of Shares of Common Stock and AMPS of the Funds.

In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview by officers of each Fund. Each Fund has retained Georgeson Shareholder, 17 State Street, New York, New York 10004, to assist in the solicitation of proxies at a cost of approximately \$3,500 for each Fund, plus out-of-pocket expenses estimated to be \$750 for each Fund.

Quorum and Vote Required

For MY FL and MY PA, a quorum consists of a majority of the Shares of Common Stock and AMPS entitled to vote at the Meetings, present in person or by proxy.

11

For the Funds listed below, a quorum consists of holders of one-third of the shares (Shares of Common Stock only or Shares of Common Stock and AMPS, as applicable) entitled to vote at the Meetings, present in person or by proxy:

MY MI (Shares of Common Stock and AMPS)

MY NJ (Shares of Common Stock and AMPS)

S&P 500 (Shares of Common Stock only)

For Funds with Shares of Common Stock and AMPS, the quorum requirements must be met for holders of Shares of Common Stock and AMPS, each considered separately as a class.

Assuming a quorum is present, approval of Item 1 will require the affirmative vote of stockholders holding at least the percentage of Shares of Common Stock and AMPS indicated in the chart below. For purposes of Item 1, a plurality of the votes cast means the candidate must receive more votes than any other candidate for the same position, but not necessarily a majority of the votes cast. The vote required for approval of Item 2 and Item 3 is the affirmative vote of the lesser of (i) 67% of the shares represented at the Meeting at which more than 50% of the outstanding shares of the applicable Fund are represented or (ii) more than 50% of the outstanding shares of the applicable Fund (an Investment Company Act Majority). The Investment Company Act Majority must be obtained by the Shares of Common Stock and AMPS, voting together as a single class, and by the AMPS, voting separately as a class.

Item 1

Fund	Election of AMPS Directors	Election of Other Directors
MY FL	Affirmative vote of the holders of a majority of the AMPS present in person or by proxy at the Meeting and entitled to vote, voting as a separate class	Affirmative vote of the holders of a majority of the Shares of Common Stock and AMPS present in person or by proxy at the Meeting and entitled to vote, voting together as a single class
MY MI	Affirmative vote of a plurality of votes cast by the holders of AMPS, voting as a separate class	Affirmative vote of a plurality of votes cast by the holders of Shares of Common Stock and AMPS, voting together as a single class
MY NJ	Affirmative vote of a plurality of votes cast by the holders of AMPS, voting as a separate class	Affirmative vote of a plurality of votes cast by the holders of Shares of Common Stock and AMPS, voting together as a single class
MY PA	Affirmative vote of the holders of a majority of the AMPS present in person or by proxy at the Meeting and entitled to vote, voting as a separate class	Affirmative vote of the holders of a majority of the Shares of Common Stock and AMPS present in person or by proxy at the Meeting and entitled to vote, voting together as a single class
S&P 500	N/A	Affirmative vote of a plurality of votes cast by the holders of Shares of Common Stock present in person or by proxy at the Meeting and entitled to vote

12

If, by the time scheduled for a Meeting, a quorum of stockholders is not present or if a quorum is present but sufficient votes to allow action on one or more proposals are not received from the stockholders, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies from stockholders. Any such adjournment will require the affirmative vote of a majority of the Shares of Common Stock and AMPS, if applicable, of the Fund present in person or by proxy and entitled to vote at the time of the Meeting to be adjourned. The persons named as proxies will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of the Fund's stockholders.

All Shares of Common Stock and AMPS represented by properly executed proxies, unless such proxies have previously been revoked, will be voted at each Meeting in accordance with the directions on the proxies; if no direction is indicated, the Shares of Common Stock and AMPS will be voted:

1. FOR the Director Nominees;
2. FOR the approval of an amendment to a fundamental investment restriction for MY FL, MY MI, MY NJ and MY PA; and
3. FOR the approval of the proposal to remove a fundamental investment policy of MY PA.

Broker Non-Votes and Abstentions

Broker-dealer firms, including Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S), holding shares of a Fund in street name for the benefit of their customers and clients, will request the instructions of such customers and clients on how to vote their shares on each Item before the Meeting. The Funds will include shares held of record by broker-dealers as to which such authority has been granted in its tabulation of the total number of shares present for purposes of determining whether the necessary quorum of stockholders of each Fund exists. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may, without instructions from their customers and clients, grant authority to the proxies designated to vote on the election of Directors (Item 1) if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. With respect to the Shares of Common Stock of the Funds, broker-dealer firms, including MLPF&S, will not be permitted to grant voting authority without instructions with respect to the amendment to the fundamental investment restriction (Item 2), or the proposal to remove the fundamental investment policy (Item 3). Shares of AMPS of any Fund held in street name, however, may be voted by broker-dealer firms without instructions under certain conditions with respect to the approval of non-routine matters such as Item 2 or Item 3, as applicable, and counted for purposes of establishing a quorum of that Fund if no instructions are received one business day before the applicable Meeting or, if adjourned, one business day before the day to which the Meeting is adjourned. These conditions include, among others, that (i) with respect to each Fund, at least 30% of that Fund's AMPS outstanding have voted on the Item, (ii) with respect to each Fund, less than 10% of that Fund's AMPS outstanding have voted against the Item and (iii) with respect to each Fund, holders of that Fund's Common Stock have voted to approve the Item. In such instances, the broker-dealer firm will vote such uninstructed shares of AMPS on the Item in the same proportion as the votes cast by all holders of that Fund's AMPS who voted on the Item. MLPF&S has advised each Fund that if it votes shares held in its name for which no instructions have been received, except as limited by agreement or applicable law, (a) with respect to the election of Directors (Item 1) it will do so with respect

13

to Shares of Common Stock and AMPS in the same proportion as the votes received from beneficial owners of those Shares of Common Stock and AMPS, if applicable, for which instructions have been received, whether or not held in nominee name and (b) with respect to the amendment to the fundamental investment restriction (Item 2) or the proposal to remove a fundamental investment policy of MY PA (Item 3), it will do so with respect to the AMPS only, in the same proportion as the votes received from beneficial owners of AMPS for which instructions have been received, whether or not held in nominee name. Proxies that are returned to a Fund but that are marked abstain or on which a broker-dealer has declined to vote on any non-routine proposal (broker non-votes) will be counted as present for the purposes of determining a quorum. Abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the vote on Item 1 for any Fund, except for MY FL and MY PA; in the case of MY FL and MY PA, abstentions and broker non-votes will have the same effect as a vote against Item 1. For all Funds, abstentions and broker non-votes will have the same effect as a vote against Items 2 and 3.

Other Matters

Management knows of no other matters to be presented at the Meetings. However, if other matters are presented for a vote at the Meeting or any adjournments thereof, the proxy holders will vote the Shares of Common Stock and AMPS represented by properly executed proxies according to their judgment on those matters.

Independent Registered Public Accounting Firms Fees

The SEC's auditor independence rules require the Audit Committee of each Fund to pre-approve (a) all audit and permissible non-audit services provided by the Fund's independent registered public accounting firm directly to the Fund and (b) those permissible non-audit services provided by the Fund's independent registered public accounting firm to the Fund's Investment Adviser and any entity controlling, controlled by or under common control with the Investment Adviser that provides ongoing services to the Fund (the Affiliated Service Providers), if the services relate directly to the operations and financial reporting of the Fund.

The first two tables below set forth for each Fund, for its two most recent fiscal years the fees billed by its independent registered public accounting firm for (a) all audit and non-audit services provided directly to the Fund and (b) those non-audit services provided to the Fund's Affiliated Service Providers that relate directly to the Fund's operations and financial reporting, and, therefore, require Audit Committee pre-approval. Services under the caption:

Fees are also related to the performance of agreed upon compliance procedures associated with the Fund's AMPS and tax compliance services associated with reviewing the Fund's tax returns.

The Audit Committee of each Fund has reviewed the non-audit services provided by the Fund's independent registered public accounting firm to the Fund's Affiliated Service Providers that were not subject to the Audit Committee's pre-approval and has determined that the provision of such services is compatible with maintaining the independence of the independent registered public accounting firm.

Audit Committee's Pre-Approval Policies and Procedures

The Audit Committee of each Fund has adopted policies and procedures with regard to the pre-approval of services. Audit, audit-related and tax compliance services provided to a Fund on an annual basis require specific pre-approval by the Fund's Audit Committee. As noted above, the Audit Committee also must approve other non-audit services provided to a Fund and those non-audit services provided to the Fund's Affiliated Service Providers that relate directly to the operations and financial reporting of the Fund. Certain of these non-audit services that the Audit Committee believes are (a) consistent with the SEC's auditor independence rules and (b) routine and recurring services that will not impair the independence of the independent registered public accounting firm may be approved by the Audit Committee without consideration on a specific case-by-case basis (general pre-approval). However, such services will only be deemed pre-approved provided that any individual project does not exceed \$5,000 attributable to the Fund or \$50,000 for the project as a whole. Any proposed services exceeding the pre-approved cost levels will require specific pre-approval by the Audit Committee, as will any other services not subject to general pre-approval (e.g., unanticipated but permissible services). The Audit Committee is informed of each service approved subject to general pre-approval at the next regularly scheduled in-person board meeting.

Non-audit services provided to a Fund's Affiliated Service Providers that have a direct impact on the operations or financial reporting of the Fund must be pre-approved by the Audit Committee of ML & Co. in addition to pre-approval by the Fund's Audit Committee.

The independent registered public accounting firm annually will provide the Audit Committee with a detailed analysis of all fees paid by ML & Co. and its affiliates.

Exhibit D

CHARTER OF THE NOMINATING COMMITTEE

Organization

The Nominating Committee (the "Committee") of the Board of Directors/Trustees for the registered investment companies (each a "Fund" and collectively, the "Funds") listed on Exhibit A attached hereto shall be composed solely of Directors/Trustees who are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"), and who are independent as defined in the New York Stock Exchange and the American Stock Exchange (each, an "Exchange") listing standards (if applicable) ("Independent Directors"). The Board of Directors/Trustees of the Fund (the "Board") shall appoint the members of the Committee (which may or may not be all of the Independent Directors) and shall designate the Chairman of the Committee. The Committee shall have authority to retain outside counsel and other advisors the Committee deems appropriate and shall have the sole authority to approve the compensation and other terms of their retention.

Responsibilities

The Committee shall identify individuals qualified to serve as Independent Directors of the Fund and shall recommend its nominees for consideration by the full Board.

Identification and Evaluation of Potential Nominees

In identifying and evaluating a person as a potential nominee to serve as an Independent Director of the Fund, the Committee should consider among other factors it may deem relevant:

the contribution which the person can make to the Board, with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant;

the character and integrity of the person;

whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director or Independent Director of the Fund;

whether or not the person has any relationships that might impair his or her independence, such as any business, charitable, financial or family relationships with Fund management, the investment adviser or manager of the Fund, Fund service providers or their affiliates;

whether or not the person is financially literate pursuant to the applicable Exchange's audit committee membership standards;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes;

D-1

whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Director of the Fund;

whether or not the selection and nomination of the person would be consistent with the requirements of the Fund's retirement policy.

While the Committee is solely responsible for the selection and nomination of the Fund's Independent Directors, the Committee may consider nominations for the office of Director made by Fund stockholders or by management in the same manner as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee. The Secretary of the Fund will forward all nominations received to the Committee.

Quorum

A majority of the members of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of the members of the Committee present at any meeting at which there is quorum shall be the act of the Committee.

Nomination of Directors

After a determination by the Committee that a person should be nominated as an Independent Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration and, where appropriate, to the Independent Directors.

Meetings

The Committee may meet either on its own or in conjunction with meetings of the Board. Meetings of the Committee may be held in person, video conference or by conference telephone. The Committee may take action by unanimous written consent in lieu of a meeting.
