Part III - Narrative

Edgar Filing: COEUR D ALENE MINES CORP - Form NT 10-Q

State below in reasonable detail the reasons why the subject Form 10-Q could not be filed within the prescribed time period.

On August 9, 2002, Coeur d'Alene Mines Corporation (the "Company") received a letter of comments from the Staff of the Securities and Exchange Commission relating to the amendments to the Company's Registration Statement on Form S-3 relating to the proposed public resale of the Company's recently issued Series II 13.375% Convertible Senior Subordinated Notes and Annual Report on Form 10-K and Quarterly Report of Form 10-Q incorporated by reference therein that had been filed with the Commission on July 26, 2002. Certain of those comments affect the preparation of the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2002. The Company's decision to delay its filing of that Form 10-Q reflects its desire to have sufficient time to do the work that is required to assure that such filing complies with the relevant comments in the comment letter. The Company discussed those comments with the SEC Staff on August 14, 2002, and is confident it can conform the Form 10-Q disclosures to such comments without affecting its results of operations as reported in its press release dated August 7, 2002.

In addition to the above matter, the Company's decision to delay its filing of the Quarterly Report on Form 10-Q for the quarter ended June 30, 2002 also reflects the Company's recent retention of KPMG LLP as its independent auditor on July 22, 2002.

Edgar Filing: COEUR D ALENE MINES CORP - Form NT 10-Q

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As the Company announced in its press release, dated August 7, 2002, the Company expects that the amount of total revenues to be reported by it for the quarter ended June 30, 2002 will be approximately \$22.1 million, as compared to \$20.1 million for the quarter ended June 30, 2001. Furthermore, it expects to report total costs and expenses for the quarter of approximately \$33.0 million compared to \$23.7 million for the prior year's comparable quarter. Of that amount of total costs and expenses, the Company expects to report a loss of approximately \$2.9 million in connection with the retirement of debt in the quarter ended June 30, 2002, compared to a gain of \$5.8 million in connection with the retirement of debt for the quarter ended June 30, 2001. The Company expects to report a net loss of \$10.9 million for the quarter ended June 30, 2002, compared to a net loss of \$3.6 million for the prior year's comparable quarter.
