ITEM 11. EXECUTIVE COMPENSATION

EXECUTIVE COMPENSATION

Summary Compensation Table

The following Summary Compensation Table sets forth certain information regarding compensation paid during the fiscal years ended September 30, 2013, September 30, 2012 and September 30, 2011 to (1) Morton H. Kinzler, our Chairman of the Board of Directors and Chief Executive Officer, (2) Alexander C. Kinzler, our President, Chief Operating Officer and General Counsel, and (3) Russell M. Gifford, our Executive Vice President, Chief Financial Officer, Treasurer and Secretary.

No Named Executive Officer was granted a stock award in fiscal year 2013, 2012 or 2011. As a result, such column has been omitted.

We reflect portions of our CEO's and our President's annual performance bonuses in the "Non-Equity Incentive Plan Compensation" column. These amounts represent cash payments for our CEO's and our President's 2013 performance under our 2008 Pay for Performance Plan (the "2008 Plan"). Performance measures and targeted goals for the Company's 2013 fiscal year performance period were established by the Compensation Committee in December 2012 and the Committee designated the CEO and the President (who is also the Company's COO) to be eligible to participate in the 2008 Plan for fiscal year 2013. The material terms of such performance measures and targeted goals are as follows:

The Compensation Committee determined that the sum of the following three components shall represent the maximum bonus that may be achieved under the 2008 Plan for fiscal 2013 by each of the CEO and the President/COO (the "2013 Maximum Bonus Amount"), which is designed so that the Company will be in compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended:

- (a) an amount equal to 5% of the earnings before income taxes on a GAAP basis of the Company;
- (b) the greater of (i) for an increase in earnings before income taxes on a GAAP basis over the prior fiscal year, 20% of the first 100% of such increase as calculated above, and 10% of the remaining amount of such increase; or (ii) for an increase in earnings attributable to the combined Land Investment and Residential Real Estate segments in the State of Hawaii on a GAAP basis over the prior fiscal year with respect to such segments, 20% of the first 100% of such increase and 10% of the remaining amount of such increase; and
- (c) for an increase in the Company's market capitalization of up to 10%, determined by comparing the closing price of the Common Stock on September 30, 2012 and September 30, 2013, 10% of the amount of such increase.

The 2013 Maximum Bonus Amount for each participant shall in no case exceed 150% of such participant's base salary as of January 2013. Additionally, a decrease in earnings before income taxes or market capitalization will not decrease the amounts of the other respective components of the 2013 Maximum Bonus Amount. The Committee, in its sole discretion, reserves the right to eliminate or reduce the 2013 Maximum Bonus Amount payable to the CEO and/or to the COO pursuant to the bonus formula described above and in addition or alternatively to grant ordinary bonuses.

The Compensation Committee determined that, pursuant to the adopted performance measures and targeted goals, the maximum bonus grant which could have been payable as calculated under the Plan was \$19,000 as to our CEO, and \$19,000 as to our President/COO. The Compensation Committee reviewed the performance of our CEO and President/COO during fiscal 2013, analyzed the Company's results for the year, reviewed the overall performance of management for the fiscal year, reviewed with management various factors the Committee takes into account in setting compensation, including individual and corporate, financial and non-financial performance, the creation of value for our stockholders, the long-term commitment and contributions of management to the Company, including the ownership by management of approximately 21% of the Company's outstanding stock. The Committee determined that, as a result of the Company's 2013 performance, it was appropriate to pay the respective annual performance bonus amounts as shown in the table below.

Outstanding Equity Awards At Fiscal Year-End 2013

The following table sets forth grants of stock options and grants of unvested stock awards outstanding on the last day of the fiscal year ended September 30, 2013 to each of the Named Executive Officers. No Named Executive Officer held unvested stock awards as of fiscal year end 2013. As a result, such columns have been omitted.

If a change in control occurs, then all unvested stock options will accelerate and will become exercisable in full. Assuming a change in control occurred September 30, 2013 and using the closing price of the Company's stock on that date, the value of the accelerated vesting of these options would be \$0 and \$0 for Mr. A. Kinzler and Mr. Gifford, respectively.

Pension Plan and Other Plans

Barnwell sponsors a noncontributory defined benefit pension plan ("Pension Plan") covering substantially all of its U.S. employees, with benefits based on years of service and the employee's highest consecutive five-year average earnings. Barnwell's funding policy is intended to provide for both benefits attributed to service to date and for those expected to be earned in the future.

In addition, Barnwell sponsors a Supplemental Employee Retirement Plan ("SERP"), a noncontributory supplemental retirement benefit plan which covers certain current and former employees of Barnwell for amounts exceeding the limits allowed under the Pension Plan, and a postretirement medical insurance benefits plan ("Postretirement Medical") covering U.S. employees who have attained at least 20 years of service with Barnwell and served at least 10 years at the position of Vice President or higher, their spouses and qualifying dependents.

Barnwell estimates that it will make approximately \$600,000 in contributions to the Pension Plan during fiscal 2014. The SERP and Postretirement Medical plans are unfunded and Barnwell will fund benefits when payments are made. Barnwell does not expect to make any benefit payments under the Postretirement Medical plan during fiscal 2014 and expected payments under the SERP for fiscal 2014 are not significant. Fluctuations in actual market returns as well as changes in general interest rates will result in changes in the market value of plan assets and may result in increased or decreased retirement benefits costs and contributions in future periods.

All three of Barnwell's Named Executive Officers participates in each of the plans described above.
