Item 1.01. Entry into a Material Definitive Agreement

On January 14, 2005, Manatron, Inc. (the "Company") entered into a revolving credit loan agreement (the "Loan Agreement") with Comerica Bank (the "Bank"), which superseded and replaced the Company's previous revolving loan agreement with the Bank dated May 17, 2002 (the "2002 Agreement"). Under the Loan Agreement the Bank will provide the Company with a \$6,000,000 revolving line of credit. The Company's borrowing limit is no longer limited based on the ratio of the Company's funded debt to EBITDA, as was the case under the 2002 Agreement. Any principal outstanding under the Loan Agreement will bear interest at a rate equal to the Bank's prime rate less .5%. The loan under the Loan Agreement is unsecured and terminates on August 1, 2007, the date on which payment of amounts owing under the Loan Agreement is due. The Loan Agreement contains standard events of default and affirmative and negative covenants, including covenants requiring maintenance of financial ratios based on the Company's tangible-net-worth and debt and its current assets and liabilities. As of this filing, the Company has not drawn on this line of credit.
