CONTROLS AND PROCEDURES

As of October 31, 2003, management of The Bank of Nova Scotia (the "Bank") evaluated the effectiveness of the design and operation of its disclosure controls and procedures (disclosure controls) and internal controls over financial reporting (internal controls), as defined under rules adopted by the U.S. Securities and Exchange Commission. This evaluation was performed under the supervision of, and with the participation of, the Chief Executive Officer and the Chief Financial Officer.

Disclosure controls are procedures designed to ensure that information required to be disclosed in reports filed with the securities regulatory agencies is recorded, processed, summarized and reported on a timely basis, and is accumulated and communicated to the Bank's management, including the Chief Executive Officer and the Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Internal controls are procedures designed to provide reasonable assurance that transactions are properly authorized, assets are safeguarded against unauthorized or improper use, and transactions are properly recorded and reported. This permits the preparation of the Bank's consolidated financial statements in accordance with Canadian generally accepted accounting principles, including the accounting requirements of the Superintendent of Financial Institutions Canada.

The Bank's management, including the Chief Executive Officer and the Chief Financial Officer, does not expect that the Bank's disclosure controls or internal controls will prevent or detect all error and all fraud. Because of the inherent limitations in all control systems, an evaluation of controls can provide only reasonable, not absolute assurance, that all control issues and instances of fraud or error, if any, within the Bank have been detected.

Based on the evaluation of disclosure controls and internal controls, the Chief Executive Officer and the Chief Financial Officer have concluded that, subject to the inherent limitations noted above:

the Bank's disclosure controls are effective in ensuring that material information relating to the Bank is made known to management on a timely basis, and is included as appropriate in this annual report; and

the Bank's internal controls are effective in providing reasonable assurance that the Bank's consolidated financial statements are fairly presented in accordance with Canadian generally accepted accounting principles, including the accounting requirements of the Superintendent of Financial Institutions Canada.

To the best of management's knowledge and belief, no change in internal controls occurred during the financial year ended October 31, 2003, that has materially affected, or is reasonably likely to materially affect, internal controls.

AUDIT COMMITTEE FINANCIAL EXPERT

All of the members of the Bank's audit committee are financially literate, and one or more members of the audit committee meet the definition of a financial expert. The Bank's board of directors has determined that Mr. Ronald A. Brenneman is an audit committee financial expert and is independent, as that term is defined by the New York Stock Exchange's corporate governance standards applicable to the Bank.

The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation.

CODE OF ETHICS

The Bank has adopted a code of ethics, entitled "Scotiabank Guidelines for Business Conduct". These guidelines have been in place for many years and apply to all directors, officers and employees of the Bank. The Scotiabank Guidelines for Business Conduct are available on the Bank's Internet website at www.scotiabank.com, in the Corporate Governance section, and are available in print to any shareholder upon written request to the Secretary of the Bank. Amendments to the Scotiabank Guidelines for Business Conduct and waivers, if any, for directors and executive officers will be disclosed on the Bank's website. There were no waivers granted in fiscal 2003.
