Explanatory Note

On June 14, 2001, The Bear Stearns Companies Inc., a Delaware corporation (the "Company"), filed with the Securities and Exchange Commission a Registration Statement on Form S-8 (File No. 333-63002) in order to register an aggregate of 300,000 shares of the Company's common stock, par value \$1.00 per

## Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-8 POS

share (the "Common Stock") issuable in connection with the Company's Non-Employee Directors' Stock Option and Stock Unit Plan (the "Plan").

When it was initially adopted, the Plan provided for annual grants of options to purchase Common Stock to members of the Company's board of directors who are not employees of the Company or any of its subsidiaries ("Non-Employee Directors"). The Plan was subsequently amended and restated to provide for annual grants of restricted stock units in addition to the annual grants of options and to permit Non-Employee Directors to elect to receive options or shares of Common Stock in exchange for up to one-half of the annual cash retainer paid by the Company for services rendered as a director.

This Post-Effective Amendment No. 1 to the Registration Statement is being filed solely for purposes of registering 2,864 shares of Common Stock awarded pursuant to the Plan to certain non-employee directors who are affiliates of the Company (the "Selling Stockholders") for resale by the Selling Stockholders. The reoffer prospectus which is filed as a part of this Registration Statement has been prepared in accordance with the requirements of Form S-3, and pursuant to General Instruction C of Form S-8 may be used for reoffers or resales of the shares of Common Stock that have been acquired by the Selling Stockholders pursuant to the Plan.

### REOFFER PROSPECTUS

The Bear Stearns Companies Inc.

2,864 Shares of Common Stock

Certain of the members of our board of directors that are not employees of the Company or its subsidiaries ("Non-Employee Directors"), all of whom are named in this prospectus, may offer and sell from time to time, for their own accounts up to 2,864 shares of our Common Stock that they acquired pursuant to our Non-Employee Directors' Stock Option and Stock Unit Plan. We will not receive any of the proceeds from such sales.

The Selling Stockholders propose to sell the shares from time to time in transactions occurring either on or off the New York Stock Exchange, Inc. at prevailing market prices or at negotiated prices. Sales may be made through brokers or to dealers, who are expected to receive customary commissions or discounts.

The Selling Stockholders and participating brokers and dealers may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, as amended, in which event any profit on the sale of shares by those Selling Stockholders and any commissions or discounts received by those brokers or dealers may be deemed to be underwriting compensation under the Securities Act.

Bear, Stearns & Co. Inc. and/or Bear, Stearns Securities Corp., subsidiaries of The Bear Stearns Companies Inc., may act as a broker on behalf of one or more of the Selling Stockholders.

The Common Stock is traded on the NYSE under the symbol "BSC." On April 18, 2007, the closing price of the Common Stock on the NYSE was \$157.02 per share.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

With respect to the unaudited interim financial information for the periods ended February 28, 2007 and 2006, which is incorporated herein by reference, Deloitte & Touche LLP, an independent registered public accounting firm, have applied limited procedures in accordance with standards of the Public Company Accounting Oversight Board (United States) for a review of such information. However, as stated in their reports included in the Company's Quarterly Report on Form 10-Q for the quarter ended February 28, 2007, as amended by Amendment No. 1 on Form 10-Q/A, and incorporated by reference herein, they did not audit and they do not express an opinion on that interim financial information. ### Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereto) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that the undertakings set forth in paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in

reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an

employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referred to in Item 6 of this Registration Statement, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
