ACCELERATED RETURN NOTES® (ARNs®)

	Accelerated Return Notes® Linked to a Basket of Three Financial Sector Stocks
Issuer	The Bank of Nova Scotia (“BNS”)
Principal Amount	\$10.00 per unit
Term	Approximately 14 months
Market Measure	An approximately equally weighted basket of three financial sector stocks comprised of the common stock of each of Citigroup Inc. (NYSE symbol: “C”), JPMorgan Chase & Co. (NYSE symbol: “JPM”) and Morgan Stanley (NYSE symbol: “MS”) (each, a “Basket Stock”). · 3-to-1 upside exposure to increases in the Market Measure, subject to the Capped Value
Payout Profile at Maturity	· 1-to-1 downside exposure to decreases in the Market Measure, with up to 100.00% of your investment at risk
Capped Value	[\$12.40 to \$12.80] per unit, a [24% to 28%] return over the principal amount, to be determined on the pricing date.
Investment Considerations	This investment is designed for investors who anticipate that the Market Measure will increase moderately over the term of the notes, and are willing to accept a capped return, take full downside risk and forgo interim interest payments.

Risk Factors

Please see the Preliminary Offering Documents for a description of certain risks related to this investment, including, but not limited to, the following:

Depending on the performance of the Market Measure as measured shortly before the maturity date, your investment may result in a loss; there is no guaranteed return of principal.

Payments on the notes are subject to the credit risk of BNS, and actual or perceived changes in the creditworthiness of BNS are expected to affect the value of the notes. If BNS becomes insolvent or is unable to pay its obligations, you may lose your entire investment.

Your investment return is limited to the return represented by the Capped Value and may be less than a comparable investment directly in the Basket Stocks.

Edgar Filing: BANK OF NOVA SCOTIA - Form FWP

Changes in the prices of one or more of the Basket Stocks may be offset by changes in the prices of one or more of the other Basket Stocks.

The initial estimated value of the notes on the pricing date will be less than their public offering price.

If you attempt to sell the notes prior to maturity, their market value may be lower than both the public offering price and the initial estimated value of the notes on the pricing date.

You will have no rights of a holder of the Basket Stocks, and you will not be entitled to receive any shares of the Basket Stocks or dividends or other distributions by the issuers of the Basket Stocks.

The issuer, MLPF&S and their respective affiliates do not control any Underlying Company and have not verified any disclosure made by any Underlying Company. No Underlying Company will have any obligations relating to the notes.

The Redemption Amount will not be adjusted for all corporate events that could affect the Basket Stocks.

The Basket is concentrated in the financial sector and an investment in the notes involves certain risks associated with an investment in companies in the financial sector.

Final terms will be set on the pricing date within the given range for the specified Market-Linked Investment. Please see the Preliminary Offering Documents for complete product disclosure, including related risks and tax disclosure.
