STAR BULK CARRIERS CORP. ANNOUNCES RESULTS OF ITS SPECIAL MEETING OF SHAREHOLDERS

ATHENS, GREECE, DECEMBER 23, 2015— Star Bulk Carriers Corp. (the "Company" or "Star Bulk") (Nasdaq: SBLK), a global shipping company focusing on the transportation of dry bulk cargoes, today announced that the Company's Special Meeting of Shareholders was duly held in Cyprus on December 21, 2015 pursuant to a Notice of the Special Meeting of Shareholders dated December 4, 2015 ("the Notice").

At the meeting, the following proposal, which was set forth in more detail in the Notice and the Company's Proxy statement was approved and adopted:

The approval of an amendment to the Company's Third Amended and Restated Articles of Incorporation to effect a reverse stock split of the Company's issued and outstanding common shares by a ratio of not less than one-for-three and not more than one-for-ten, with the exact ratio to be set at a whole number within this range, to be determined by the Company's Board of Directors (the "Board") or any duly constituted committee thereof, at any time after approval of the amendment in its discretion, and to authorize the Board to implement the reverse stock split by filing the amendment with the Registrar of Corporations of the Republic of the Marshall Islands.

About Star Bulk

Star Bulk is a global shipping company providing worldwide seaborne transportation solutions in the dry bulk sector. Star Bulk's vessels transport major bulks, which include iron ore, coal and grain and minor bulks which include bauxite, fertilizers and steel products. Star Bulk was incorporated in the Marshall Islands on December 13, 2006 and maintains executive offices in Athens, Greece. Its common stock trades on the Nasdaq Global Select Market under the symbol "SBLK". On a fully delivered basis, Star Bulk will have a fleet of 84 vessels, with an aggregate capacity of 9.7 million dwt, consisting of Newcastlemax, Capesize, Post Panamax, Kamsarmax, Panamax, Ultramax, Supramax and Handymax vessels with carrying capacities between 45,588 dwt and 209,537 dwt. Our fleet currently includes 70 operating vessels and 19 newbuilding vessels under construction at shipyards in Japan and China. All of the newbuilding vessels are expected to be delivered through 2016. Additionally, the Company has one chartered-in Supramax vessel, under a time charter expiring in September 2017.

Forward-Looking Statements

The Private Securities Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "may," "should," "expect," "pending" and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, examination by the Company's management of historical operating trends, data contained in its records and other data available from third parties. Although the Company believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond the Company's control, the Company cannot assure you that it will achieve or accomplish these expectations, beliefs or projections. In addition to these important factors, other important factors that, in the Company's view, could cause actual results to differ materially from those discussed in the forward-looking statements include general dry bulk shipping market conditions, including fluctuations in charterhire rates and vessel values, the strength of world economies the stability of Europe and the Euro, fluctuations in interest rates and foreign exchange rates, changes in demand in the dry bulk
