Form FWP  
May 30, 2017

CIT Update May 30, 2017 Filed Pursuant to Rule 433 Registration Statement No. 333 - 204117

**1 Important Notices** This presentation contains forward - looking statements within the meaning of applicable federal securities laws that are based upon our current expectations and assumptions concerning future events, which are subject to a number of risks and uncertainties that could cause actual results to differ materially from those anticipated. The words “expect,” “anticipate,” “estimate,” “forecast,” “initiative,” “objective,” “plan,” “goal,” “project,” “outlook,” “prior,” “intend,” “evaluate,” “pursue,” “commence,” “seek,” “may,” “would,” “could,” “should,” “believe,” “potential,” “continue,” or any of those words or similar expressions is intended to identify forward - looking statements. All statements contained in this presentation, other than statements of historical fact, including without limitation, statements about our plans, strategies, prospects and expectations regarding future events and our financial performance, are forward - looking statements that involve certain risks and uncertainties. While these statements represent our current judgment on what the future may hold, and we believe these judgments are reasonable, these statements are not guarantees of any events or financial results, and our actual results may differ materially. Important factors that could cause our actual results to be materially different from our expectations include, among others, the risk that (i) CIT Group Inc. (“CIT”) is unsuccessful in implementing its Amended Capital Plan on the timing and terms contemplated, (ii) the risk that CIT is unsuccessful in implementing its strategy and business plan, (iii) the risk that CIT is unable to react to and address key business and regulatory issues, (iv) the risk that CIT is unable to achieve the projected revenue growth from its new business initiatives or the projected expense reductions from efficiency improvements, and (v) the risk that CIT becomes subject to liquidity constraints and higher funding costs. We describe these and other risks that could affect our results and the preferred stock that we are offering in Item 1 A, “Risk Factors,” of our Annual Report on Form 10 - K for the year ended December 31, 2016, and the preliminary prospectus supplement dated the date hereof which were filed with the Securities and Exchange Commission (“SEC”). Accordingly, you should not place undue reliance on the forward - looking statements contained in this presentation. These forward - looking statements speak only as of the date on which the statements were made. CIT undertakes no obligation to update publicly or otherwise revise any forward - looking statements, except where expressly required by law.

**Use of Non - GAAP Financial Measures** This presentation includes non - GAAP financial measures. Non - GAAP financial measures are commonly used in our industry, have certain limitations and should not be construed as alternatives to financial measures determined in accordance with GAAP. The non - GAAP measures as defined by us may not be comparable to similar non - GAAP measures presented by other companies. Our presentation of such measures, which may include adjustments to exclude unusual or non - recurring items, should not be construed as an inference that our future results will be unaffected by other unusual or non - recurring items. See slides 22 - 23 of this presentation for a reconciliation of these non - GAAP financial measures to the most directly comparable GAAP measure.

**Important Additional Information** CIT has filed a registration statement (including a prospectus and a prospectus supplement) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus and the prospectus supplement in that registration statement and other documents CIT has filed with the SEC for more complete information about CIT and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at [www.sec.gov](http://www.sec.gov). Alternatively, CIT, any underwriter or any dealer participating in the offering will arrange to send you the prospectus and prospectus supplement if you request it by calling Morgan Stanley & Co. LLC, toll - free at 866 - 718 - 1649.

Certain balances may not sum due to rounding. Note: Additional \$0.2B of financing & leasing assets in Non - Strategic Portfolios are held for sale.

Financial Update

7 (1) Average earning assets (AEA) components include interest earning cash, investments, securities and indemnification assets, loans and operating lease equipment, less the credit balances of factoring clients. (2) Return on average tangible common equity for continuing operations excluding noteworthy items is adjusted to remove the impact of intangible amortization, goodwill impairment and the impact from valuation allowance from income from continuing operations, while the average tangible common equity is reduced for disallowed deferred tax assets and ~\$3 billion of capital reduction associated with the Commercial Air sale. See appendix page 23 for reconciliation (3) Average finance receivables (AFR) is computed using month - end balances and is the average of finance receivables which includes loans, direct finance lease and leverage lease receivables and factoring receivables. It excludes operating lease equipment. (4) Capital ratios as of 3/31/17 and based on fully phased - in Basel III estimates. At or For the Period Ended 1Q17 4Q16 3Q16 2Q16 1Q16 EPS (Diluted) – Total \$0.88 (\$5.65) \$0.65 \$0.08 \$0.72 EPS (Diluted) – Continuing Ops. \$0.38 (\$2.10) \$0.47 \$0.43 \$0.30 Book Value Per Share \$50.14 \$49.50 \$55.45 \$54.92 \$54.99 Tangible Book Value Per Share (TBVPS) \$46.09 \$45.41 \$49.56 \$48.99 \$48.94 After - tax return on Average Earning Assets (ROAEA) – Continuing Ops.
