In addition to the solicitation of proxies by mail, officers of the Fund and officers and regular employees of EquiServe, the Fund's transfer agent, affiliates of EquiServe or other representatives of the Fund also may solicit proxies by Internet, telephone, telegraph or in person. In addition, the Fund has retained Georgeson Shareholder Communications Inc. to assist in the solicitation of proxies for a minimum fee of \$3,500 plus reimbursement of expenses. The costs of proxy solicitation and the expenses incurred in connection with preparing the Proxy Statement and its enclosures will be paid by the Fund. The Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of its shares.

PROPOSAL 1: TO ELECT THREE (3) DIRECTORS OF THE FUND

The Board of Directors is divided into three classes, each class having a term of three years. Each year the term of office of one class will expire. Mario J. Gabelli, Felix J. Christiana and Karl Otto Pohl have all been nominated for a three-year term to expire at the Fund's 2004 Annual Meeting of Shareholders and until their successors are duly elected and qualified. All of the nominees are current Directors of the Fund and all of the current Directors are also directors or trustees of other investment companies for which Gabelli Funds, LLC (the "Adviser") or its affiliates serve as adviser.

Under the Fund's Articles of Incorporation, Articles Supplementary and the Investment Company Act of 1940, as amended (the "1940 Act"), holders of Preferred Stock, voting as a separate class, are entitled to elect two Directors, and holders of the Common Stock and Preferred Stock, voting as a single class, are entitled to elect the remaining Directors, subject to the provisions of the 1940 Act and the Fund's Articles of Incorporation, Articles Supplementary and By-Laws. The holders of Preferred Stock would elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on Preferred Stock are in arrears for two full years. No dividend arrearages exist at this time. Felix J. Christiana and Anthony J. Colavita are currently Directors elected solely by the holders of the Fund's Preferred Stock. A quorum of the Preferred Stockholders must be present at the Meeting in order for the proposal to elect Mr. Christiana to be

Each nominee has indicated that he has consented to serve as a Director if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees. The business address of each Director is One Corporate Center, Rye, NY 10580-1434.

The Fund pays each Director not affiliated with the Adviser or its affiliates a fee of \$5,000 per year plus \$750 per meeting attended in person, together with the Director's actual out-of-pocket expenses relating to their attendance at such meetings. The aggregate remuneration (not including out-of-pocket expenses) paid by the Fund to such Directors during the year ended December 31, 2000 amounted to \$58,500. During the year ended December 31, 2000, the Directors of the Fund met four times. Each Director then serving in such capacity attended at least 75% of the meetings of Directors and of any Committee of which he is a member.

The Directors serving on the Fund's Nominating Committee are Messrs. Colavita (Chairman) and Zizza. The Nominating Committee is responsible for recommending qualified candidates to the Board in the event that a position is vacated or created. The Nominating Committee would consider recommendations by shareholders if a vacancy were to exist. Such recommendations should be forwarded to the Secretary of the Fund. The Nominating Committee did not meet

Edgar Filing: GABELLI CONVERTIBLE SECURITIES FUND INC /DE - Form DEF 14A

during the year ended December 31, 2000. The Fund does not have a standing compensation committee.

Messrs. Christiana, Colavita and Pustorino, who are not "interested persons" of the Fund as defined in the 1940 Act, serve on the Fund's Audit Committee. The Audit Committee is responsible for reviewing and evaluating issues related to the accounting and financial reporting policies and internal controls of the Fund and the internal controls of certain service providers, overseeing the quality and objectivity of the Fund's financial statements and the audit thereof and to act as a liaison between the Board of Directors and the Fund's independent accountants. During the year ended December 31, 2000, the Audit Committee met twice.

AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee is to assist the Fund's Board of Directors in its oversight of the Fund's financial reporting process. The Board of Directors of the Fund has adopted a Charter for the Audit Committee, a copy of which is attached as Appendix A to the Proxy Statement. Management, however, is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews.

In connection with the Fund's audited financial statements for the year ended December 31, 2000, included in the Fund's Annual Report dated December 31, 2000 (the "Annual Report"), the Audit Committee reviewed and discussed at a meeting held on February 16, 2001, the Fund's audited financial statements with management and the Fund's independent accountants, and discussed the audit of such financial statements with the Fund's independent accountants.

6

The Audit Committee specifically discussed with the independent accountants the quality, and not just the acceptability under generally accepted accounting principles, of the accounting principles applied by the Fund. The Audit Committee also received a formal written statement from the Fund's independent accountants delineating the relationships between the independent accountants and the Fund and its affiliates and discussed matters designed to assist the Committee in determining whether the independence of the accountants might reasonably be viewed as becoming adversely affected.

Members of the Fund's Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting

principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the Fund's audited financial statements and the discussions referred to above with management and the Fund's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report.

Set forth in the table below are audit fees and non-audit related fees billed by the Fund's independent accountants to the Fund for the Fund's fiscal year ended December 31, 2000.

Audit Fees -----	Financial Information Systems Design and Implementation Fees -----	All Other Fees -----
<p>\$24,000 - For professional services rendered for the audit of the Fund's annual financial statements for the year ended December 31, 2000.</p>	<p>No fees were billed for professional services rendered to the Fund, the Fund's investment adviser and any entity controlling, controlled by or under common control with the Adviser that provides services to the Fund.</p>	<p>\$19,400 - For tax services other attest services rendered by the principal accountant (other than those disclosed in the previous columns) to the Fund. There were no other fees paid to the Fund's investment adviser, any entity controlling, controlled by or under common control with the Adviser that provides services to the Fund.</p>

The Audit Committee has considered whether the provision of the non-audit services is compatible with maintaining the auditors independence.

BROKER NON-VOTES AND ABSTENTIONS

If a proxy which is properly executed and returned accompanied by instructions to withhold authority to vote represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote Shares on a particular matter with respect to which the broker or nominee does not have discretionary power) is unmarked or marked with an abstention (collectively, "abstentions") the Shares represented thereby will be considered to be present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on an issue. The election of Directors (Proposal 1) provides that the three candidates who receive the highest number of votes cast at the meeting are elected; therefore, abstentions will be disregarded.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report dated June 30, 2001.

OTHER MATTERS TO COME BEFORE THE MEETING

The Directors of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

SHAREHOLDER PROPOSALS

All proposals by shareholders of the Fund which are intended to be presented at the Fund's next Annual Meeting of Shareholders to be held in 2002 must be received by the Fund for consideration for inclusion in the Fund's Proxy Statement and proxy relating to that meeting no later than December 10, 2001. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal is referred to Rule 14a-8 under the Securities Exchange Act of 1934.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN THE PROXY CARD AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

APPENDIX A

THE GABELLI CONVERTIBLE SECURITIES FUND, INC.
AUDIT COMMITTEE CHARTER

ORGANIZATION

There shall be an audit committee of the Board of Directors which shall be composed of at least three members of the Board of Directors who are independent of the management of The Gabelli Convertible Securities Fund, Inc. (the "Fund"), are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member, and who are "financially literate," i.e. have the ability to understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one member will have accounting or related financial management expertise. The audit committee chair shall be elected by the full Board of Directors.

STATEMENT OF PRINCIPLE

The function of the audit committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control, and it is the independent accountants' responsibility to plan and carry out a proper audit. The independent accountants are ultimately accountable to the Board of Directors and the audit committee, as representatives of shareholders.

DUTIES AND RESPONSIBILITIES

A. GENERAL

1. to review and evaluate any issues raised by the independent accountants or management regarding the accounting or financial reporting policies and practices of the Fund, its internal controls and, as appropriate, the internal controls of certain service providers;
2. to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof;
3. to act as a liaison between the Fund's independent accountants and the full Board of Directors.

B. SPECIFIC

1. recommend the selection and retention of independent accountants;
2. review the fees to be charged by the independent accountants for audit and non-audit services;

A-1

3. ensure receipt from the independent accountants of a formal written statement delineating all the relationships between them and the Fund, consistent with Independence Standards Board Standard 1; evaluate the independence of the

accountants; and actively engage in a dialogue with them regarding matters that might reasonably be expected to affect their independence;

4. meet with the Fund's independent accountants, at least once a year and more often if required, to review the conduct and results of each external audit of the Fund's financial statements, including their:
 - (a) judgment as to adequacy of the internal controls, including computerized information system controls over the daily net asset valuation process (including valuation of securities);
 - (b) conclusions concerning adequacy of internal controls at servicing agents employed on behalf of the Fund, including significant comments contained in independent accountants' reports on those controls;
 - (c) findings and recommendations on internal controls maintained both by the Fund and its service providers, together with the responses of the appropriate management, including the status of previous audit recommendations;
 - (d) reasoning in accepting or questioning significant estimates by management;
 - (e) judgments about the quality, not just the acceptability, of the Fund's accounting principles including the degree of aggressiveness or conservatism in the application of such principles in its financial reporting;
 - (f) views as to the adequacy and clarity of disclosures in the Fund's financial statements in relation to generally accepted accounting principles;
 - (g) views about how the Fund's choices of accounting and tax principles, disclosure practices and valuation policies may affect shareholders' and public views and attitudes about the Fund;
 - (h) conclusions regarding any serious difficulties or disputes with management encountered during the course of the audit;
 - (i) review of any significant risks to which the Fund is, or might be, exposed and the steps management has taken to minimize such risks;
 - (j) discussion of any significant changes to the audit plan;
 - (k) discussion of other matters related to the conduct of the audit which are to be communicated to the audit committee under generally accepted auditing standards.

5. in proxy statements relating to an annual meeting of shareholders at which Directors are to be elected, the audit committee will submit a report to the SEC indicating whether it has:
 - (a) reviewed and discussed the Fund's audited financial statements with management and independent accountants;
 - (b) discussed the matters outlined in SAS 61 "Communication with Audit Committees" with the independent accountants;
 - (c) discussed independence issues with the independent accountants and received the statement required in (B) (3) above.
6. consider, in consultation with the independent accountants, the scope and plan of upcoming external audits to assure completeness of coverage and effective use of audit resources, and review with them their conclusions regarding the Fund's accounting and internal control procedures;
7. investigate improprieties or suspected improprieties in fund operations;
8. report its findings to the Board of Directors on a regular and timely basis;
9. review results of regulatory examinations, as needed;
10. meet periodically with independent accountants in separate executive sessions to discuss any matters that the audit committee or independent accountants believes should be discussed privately;
11. authorize and oversee investigations into any matters within the audit committee's scope of responsibilities, or as specifically delegated to the committee by the Board of Directors;
12. the audit committee shall be empowered to retain independent counsel and other professionals who have had no economic relationship with the Fund within the past two years, to assist it in carrying out its responsibilities under this charter; and
13. review and reassess the adequacy of this charter on an annual basis and propose any changes for the approval of the full Board of Directors.
