2009 Bonus Plan

The Company maintains a bonus program for all employees of the Company, including its executive officers (the Bonus Plan). With respect to the Company's President and Chief Executive Officer, the Bonus Plan is administered annually by the Company's Board, and with respect to executive officers other than the Chief Executive Officer, by the Compensation Committee of the Board (the Compensation Committee). The purpose of the Bonus Plan is to reward employees, including executive officers, for successful achievement of specified performance goals.

On January 14, 2009, the Board and Compensation Committee approved the Bonus Plan for 2009. The performance goals, eligible bonus percentages and weighting for executive officers under the 2009 Bonus Plan are substantially similar to those utilized in the Bonus Plan for 2008. The Board and Compensation Committee may, in its sole discretion, eliminate any individual bonus or reduce or increase the amount of compensation payable with respect to any individual bonus. An executive officer must be an employee of the Company on the date of payment to qualify for a bonus. Any executive officer who leaves the employment of the Company, voluntarily or involuntarily, prior to the payment date, is ineligible for any bonus. An employee who becomes an executive officer during the fiscal year may be eligible for a pro-rated bonus at the option of the Compensation Committee, provided the participant has been employed a minimum of three months during the calendar year.

The Board and Compensation Committee's approval of the terms of the 2009 Bonus Plan shall not be deemed to create an enforceable agreement between the Company and any eligible participant and the Board and the Compensation Committee retains the discretion to change plan design and participants without notice to, or approval of, any participants. No entitlement to payouts under the 2009 Bonus Plan shall exist until the payments are authorized by the Board or Compensation Committee.

2008 Bonus Plan and Base Salary

On January 14, 2009, the Board and Compensation Committee determined that in order to conserve cash, there would be no payouts under the Bonus Plan for 2008 to executive officers and that base salaries for all executives would remain unchanged from 2008 levels.
