### **Section 3 Securities and Trading Markets**

#### **Item 3.02. Unregistered Sales of Equity Securities.**

The Company has agreed to issue 11,400,000 special warrants to three offshore investors at U.S.\$2.23 per special warrant for aggregate subscription proceeds of approximately U.S.\$25.4 million. Each special warrant entitles the holder to receive, at no additional cost, one common share and one common share purchase warrant of the Company. Each common share purchase warrant entitles the holder to purchase one common share at a price of U.S.\$2.63 per share until the fifth anniversary date of the closing. The special warrants may be exercised at any time following their date of issuance but will be deemed exercised immediately prior to their time of expiry. The special warrants will expire on the date which is the earlier of:

- (a) the fifth business day following the issuance of a regulatory receipt for a prospectus qualifying the distribution in Canada of the common shares and common share purchase warrants underlying the special warrants; or
- (b) the four month anniversary of the date of issuance of the special warrants.

Robert Friedland, the Company's Deputy Chairman and largest shareholder, has subscribed for 2.2 million special warrants and, following the closing of the transaction, Mr. Friedland's total equity interest in the Company will remain at just over 20%. Two offshore institutional investors subscribed for 5.7 million and 3.5 million special warrants, respectively. U.S.\$4 million of the proceeds will be used to retire long-term debt, resulting in a net cash infusion of approximately U.S.\$21.4 million. The issuance of the Special Warrants will be a sale of securities outside the United States under Rule 903 of the Securities Act of 1933 and is not subject to registration under the Securities Act. A copy of the Company's press release announcing the financing is filed as Exhibit 99.1 to this report and is incorporated by reference herein.
