Other Events.

On December 7, 2011, the Board of Directors of Bunge Limited (“Bunge”) approved a one-year extension of Bunge’s existing share repurchase program through December 31, 2012. Under the program, which was originally announced in June 2010, Bunge is authorized to purchase up to \$700 million of its common shares. As of September 30, 2011, Bunge had repurchased approximately \$474 million of its common shares, leaving approximately \$226 million available for future share repurchases under the program.

Any repurchases may be made from time to time through a variety of means, including in the open market, in privately negotiated transactions or through other means as determined by Bunge, and in compliance with applicable legal requirements. The timing and number of any shares repurchased will depend on a variety of factors, including share price and market conditions, and the program may be suspended or discontinued at any time at Bunge’s discretion.
