2 Calculated based on 238,861,003 shares outstanding as of June 4, 2007, as reported by MedImmune's transfer agent.

Item 1. Security and Issuer

The class of equity securities to which this statement relates is the common stock, \$0.01 par value per share (including the associated preferred stock purchase rights, the “**Shares**”), of MedImmune, Inc., a Delaware corporation (“**MedImmune**”). The principal executive offices of MedImmune are located at One MedImmune Way, Gaithersburg, Maryland, 20878.

Item 2. Identity and Background

(a)–(c) and (f) The names of the persons filing this statement are AstraZeneca PLC, a public limited company incorporated under the laws of England and Wales (“**AstraZeneca**”), and AstraZeneca Biopharmaceuticals Inc., a Delaware corporation and indirect wholly owned subsidiary of AstraZeneca (“**Purchaser**”, and together with AstraZeneca, the “**Reporting Persons**”).

The address of the principal office of AstraZeneca is 15 Stanhope Gate, London, W1K 1LN, England. The address of the principal office of Purchaser is 1800 Concord Pike, P.O. Box 15437, Wilmington, Delaware 19850. The name, business address, present principal occupation or employment, and citizenship of each director and executive officer of AstraZeneca and Purchaser are set forth on Schedule A and Schedule B, respectively, attached hereto and are incorporated herein by reference. The principal business of AstraZeneca is the development and sale of pharmaceutical products on a global basis. The principal business of Purchaser is the acquisition of MedImmune.

(d) During the last five years, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons set forth on Schedule A or Schedule B attached hereto have been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons set forth on Schedule A or Schedule B attached hereto were party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding were or are subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, U.S. federal or state securities laws or finding any violations with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate purchase price for the Shares tendered in the Offer described in Item 4 below was approximately \$12.73 billion. AstraZeneca and Purchaser funded the purchase of the Shares with borrowings from a \$15.0 billion committed revolving facility. The facility is available to AstraZeneca pursuant to an amended and restated facility agreement dated May 31, 2007 among AstraZeneca, Citigroup Global Markets Limited, Deutsche Bank AG, London Branch and HSBC Bank plc acting as mandated lead arrangers and bookrunners, JPMorgan Cazenove Limited acting as mandated lead arranger, HSBC Bank plc as facility agent, HSBC Bank USA, National Association as swingline agent, and the other parties thereto, a copy of which is filed as Exhibit 1 hereto and incorporated by reference. Further information regarding the facility is set forth in Amendment No. 4 to the Schedule TO (as defined below) filed by AstraZeneca and Purchaser on a Schedule TO-T/A with the Securities and Exchange Commission on May 31, 2007.

Item 4. Purpose of Transaction

The Reporting Persons acquired the Shares in connection with the acquisition of MedImmune by AstraZeneca pursuant to the Merger Agreement (described below). On April 22, 2007, MedImmune, AstraZeneca and Purchaser entered into an Agreement and Plan of Merger (the “**Merger Agreement**”). Pursuant to the terms of the Merger Agreement, on May 3, 2007, AstraZeneca and Purchaser commenced a tender offer to acquire all of MedImmune’s outstanding Shares, at a price of \$58.00 per Share, net to the seller in cash, upon the terms and subject to the

conditions set forth in the Offer to Purchase dated May 3, 2007 and in the related Letter of Transmittal (which, as amended or supplemented, together constitute the “**Offer**”). The initial offering period of the Offer expired at 12:00 midnight, New York City time, on Thursday, May 31, 2007. At the expiration of the Offer, a total

of approximately 201,521,289 Shares were validly tendered and not withdrawn (not including Shares delivered through notices of guaranteed delivery), representing approximately 84.4% of the outstanding Shares. In addition, 27,750,668 Shares were tendered by notice of guaranteed delivery, representing approximately 11.6% of the outstanding Shares. In total, 229,271,957 Shares, including Shares tendered by notice of guaranteed delivery, were validly tendered and not withdrawn, representing approximately 96.0% of the outstanding Shares.

On June 1, 2007, AstraZeneca announced that Purchaser had commenced a subsequent offering period for all remaining untendered Shares. The subsequent offering period expired at 12:00 midnight, New York City time, on Tuesday, June 5, 2007. In total, Purchaser purchased in the initial and subsequent offering periods of the Offer 219,463,013 Shares, representing approximately 91.9% of the outstanding Shares.

Purchaser has accepted for payment, and AstraZeneca has provided the funds necessary to pay for, all Shares that were validly tendered during the initial offering period and the subsequent offering period of the Offer.

In accordance with the Merger Agreement, AstraZeneca intends to complete the acquisition of MedImmune under the short-form merger provisions of the Delaware General Corporation Law without a vote or meeting of MedImmune's stockholders via a merger, whereby Purchaser will merge with and into MedImmune (the "**Merger**"), with MedImmune continuing as the surviving corporation and an indirect wholly owned subsidiary of AstraZeneca (the "**Surviving Corporation**"). At the effective time of the Merger, each outstanding Share (other than any Shares in respect of which appraisal rights are validly exercised under the Delaware General Corporation Law and any Shares held by MedImmune, AstraZeneca or any of their subsidiaries (including Purchaser)) will be converted into the right to receive the same \$58.00 per Share price paid in the Offer, without interest. The Merger is expected to be completed on or about June 18, 2007. Following the Merger, the Shares will no longer meet the standards for continued listing on the NASDAQ Global Select Market and will be eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**").

In addition, pursuant to the Merger Agreement, each director of MedImmune, other than Ms. Barbara Hackman Franklin, Dr. M. James Barrett and Ms. Elizabeth H.S. Wyatt, submitted letters of resignation from the MedImmune Board effective as of June 1, 2007. On June 1, 2007, the MedImmune Board appointed Messrs. David Elkins, Glenn Engelmann, John Goddard, Shaun Grady, Rodger McMillan and John Rex as directors of MedImmune to fill the vacancies created by such resignations. Such individuals were designated for appointment as directors by AstraZeneca and Purchaser pursuant to the Merger Agreement, and their appointment provides AstraZeneca with majority representation on the MedImmune Board of Directors. Following the Merger, the directors of Purchaser will be the directors of MedImmune.

The foregoing description of the Merger and the Offer is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2 hereto and incorporated by reference and the Tender Offer Statement on Schedule TO, originally filed by AstraZeneca and Purchaser with the Securities and Exchange Commission on May 3, 2007 (as amended, the "**Schedule TO**"), a copy of which is filed as Exhibit 3 hereto and incorporated by reference.

Item 5. Interest in Securities of the Issuer

(a) For the purposes of Rule 13d-3 promulgated under the Exchange Act, each of the Reporting Persons may be deemed to beneficially own 219,463,013 Shares or approximately 91.9% of the outstanding Shares. Following the effective time of the Merger, Purchaser will own all of the outstanding shares of common stock of the Surviving Corporation and, as a result, for the purposes of Rule 13d-3 promulgated under the Exchange Act, upon the consummation of the Merger, each of the Reporting Persons may be deemed to beneficially own 100% of the outstanding shares of common stock of the Surviving Corporation. AstraZeneca is filing solely in its capacity as the indirect parent company of, and indirect beneficial owner of Shares held by, Purchaser.

All calculations of percentages of Shares herein are based on information as of June 4, 2007 as provided to AstraZeneca by MedImmune's transfer agent.

Except as set forth in Item 5(a) of this statement, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons set forth on Schedule A or Schedule B hereto, beneficially owns Shares.

(b) Purchaser and, by virtue of its relationship to Purchaser reported under Item 2 of this statement, AstraZeneca may be deemed to have shared voting and dispositive power with respect to the Shares that are owned by Purchaser.

(c) Except as set forth in Item 4 of this statement, neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons set forth on Schedule A and Schedule B hereto has effected any transaction in the Shares during the past 60 days.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Other than as described in Items 3, 4 and 5, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the persons named in Item 2 and any other person with respect to any securities of MedImmune, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of MedImmune, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
