Item 1. Security and Issuer

The class of equity securities to which this statement relates is the preferred shares, no par value (the “Shares”), of TIM Participações S.A., a Brazilian corporation (the “Issuer”). The principal executive offices of the Issuer are located at Avenida das Américas, 3.434 - 6º andar, 22640-102 Rio de Janeiro, RJ, Brazil.

Item 2. Identity and Background

The name of the person filing this statement is Telecom Italia S.p.A., an Italian corporation (“TI”).

The address of the principal office of TI is Piazza degli Affari 2, 20123 Milan, Italy. TI and its subsidiaries operate mainly in Europe, the Mediterranean Basin and South America. The TI group is engaged principally in the communications segment and, particularly, in the fixed and mobile national and international telecommunications segments, the television segment and the office products segment.

TI owns the Shares through Telecom Italia International N.V. (“TII”) and TIM Brasil Serviços e Participações S.A. (“TIM BSP”). TII, a Netherlands corporation with registered office in Strawinskylaan 1627, 1077 XX Amsterdam, The Netherlands is a wholly-owned subsidiary of TI. TIM BSP, a Brazilian corporation with registered office in Avenida das Américas, 3434, Bloco 1, 6.º andar, Barra de Tijuca, Rio de Janeiro, RJ, Brazil is a wholly-owned subsidiary of TII, with the exception of one share held by each of the current two Directors of TIM BSP pursuant to Brazilian law, and holds 990,098,812 Shares. Both TII and TIM BSP are purely holding companies.

The name, business address, present principal occupation or employment, principal business address and citizenship of each director and executive officer of TI, TII and TIM BSP is set forth on Schedule A.

During the last five years, none of TI, TII or TIM BSP and to the best of their knowledge, any of the persons listed on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject, to federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

Not applicable. Please see “Purpose of Transaction” below.

Item 4. Purpose of Transaction

On March 26, 2010 the Issuer published the convening notice for its Annual and Extraordinary Shareholders’ Meeting in order to resolve, among others, on the proposal for the allocation of the results related to the fiscal year 2009 and the distribution of dividends. On the same date, the Issuer published the proposal of Management to fully distribute the outstanding balance of the net profits of the fiscal year 2009 (apart from the 5% retained as legal reserve under Brazilian law) as prime dividends to the holders of the Shares on the date of the Shareholders’ Meeting convened to approve their distribution. The amount to be distributed will not be sufficient, for the third consecutive year, to pay holders of the Shares the non-cumulative prime dividends in the amount they are entitled to receive pursuant to the By-Laws of the Issuer. Under Brazilian law and the By-Laws of the Issuer, if the Issuer fails to pay the prime dividends for three consecutive years, the Shares acquire full voting rights and the holders of Shares are entitled to vote as common shareholders, including in the shareholders’ meetings of the Issuer, until such dividends are eventually distributed. As a consequence, the holders of Shares will be able to exercise voting rights in the Shares initially at the

Annual and Extraordinary Shareholders' Meeting of the Issuer convened for April 27, 2010.

In addition to the Shares TI, through TII and TIM BSP, also owns 650,537,118 common shares of the Issuer (the "Common Shares"), which represent 77.14% of the voting stock of the Issuer (prior to the Shares obtaining full voting rights). The Common Shares are only listed in Brazil. As has been disclosed in the Issuer's Annual Report on Form 20-F for many years, TI's control of the Issuer, and the nature of such control, has been fully set out

5 of 11

---

in such 20-F filings. The right which TI and its affiliates now have to vote the Shares will have no effect on TI's control of the Issuer.

TI is filing this statement only as a consequence of the provisions of Brazilian law described above that grant provisional voting rights to holders of preferred shares in specific cases. This statement is not filed in relation to any acquisition or disposition of the Shares by TI, TII or TIM BSP or any change in its control of the Issuer.

Item 5. Interest in Securities of the Issuer

(a) TI, for the purpose of Rule 13d-3 promulgated under the Exchange Act, indirectly owns 990,098,812 Shares, representing approximately 60.65% of the outstanding Shares. TI also indirectly holds 650,537,118 Common Shares of the Issuer. Gabriele Galateri di Genola, Luca Luciani and Marco Patuano, in their capacity of Directors of the Issuer and in accordance with Brazilian law, each own one Share of the Issuer.

Except as set forth in this Item 5(a), none of TI, TII or TIM BSP or, to the best of their knowledge, any persons named in Schedule A hereto, owns beneficially any Shares.

(b) TI, through its wholly-owned subsidiaries TII and TIM TSB, has sole power to vote and to dispose of 990,098,812 Shares. As described in "Purpose of Transaction" above, the Shares will cease to have voting rights once the prime dividend payment is made.

(c) No transaction in the Shares has been effected since January 31, 2010 by TI, TII or TSB or, to their best knowledge, by any of the persons named in Schedule A hereto.

(d) Inapplicable.

(e) Inapplicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Not applicable.

Item 7. Material to be Filed as Exhibits

Not applicable.
