be bound by and consent to the exercise of any U.K. bail-in power (as defined below) by the relevant U.K. resolution authority that may result in (i) the reduction or cancellation of all, or a portion, of the principal amount of, or interest on, the Senior Notes; (ii) the conversion of all, or a portion, of the principal amount of, or interest on, the Senior Notes into shares or other securities or other obligations of Lloyds Bank plc, Lloyds Banking Group plc or another person; and/or (iii) the amendment or alteration of the maturity of the Senior Notes, or amendment of the amount of interest due on the Senior Notes, or the dates on which interest becomes payable, including by suspending payment for a temporary period; which U.K. bail-in power may be exercised by means of variation of the terms of the Senior Notes solely to give effect to the exercise by the relevant U.K. resolution authority of such U.K. bail-in power. Each holder and beneficial owner of the Senior Notes will further be required to acknowledge and agree that the rights of the holders and/or beneficial owners under the Senior Notes are subject to, and will be varied, if necessary, solely to give effect to, the exercise of any U.K. bail-in power by the relevant U.K. resolution authority.

For these purposes, a “U.K. bail-in power” is any write-down, conversion, transfer, modification or suspension power existing from time to time under any laws, regulations, rules or requirements relating to the resolution of banks, banking group companies, credit institutions and/or investment firms incorporated in the United Kingdom in effect and applicable in the United Kingdom to Lloyds Banking Group plc or its affiliates, including but not limited to any such laws, regulations, rules or requirements which are implemented, adopted or enacted within the context of a European Union directive or regulation of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions and investment firms and/or within the context of a U.K. resolution regime under the Banking Act as the same has been or may be amended from time to time (whether pursuant to the U.K. Financial Services (Banking Reform) Act 2013 (the “Banking Reform Act 2013”), secondary legislation or otherwise), pursuant to which any obligations of a bank, banking group company, credit institution or investment firm or any of its affiliates can be reduced, cancelled, modified, transferred and/or converted into shares or other securities or obligations of the obligor or any other person (or suspended for a temporary period) or pursuant to which any right in a contract governing such obligations may be deemed to have been exercised. A reference to the “relevant U.K. resolution authority” is to any authority with the ability to exercise a U.K. bail-in power.

It is expected that delivery of the Notes will be made against payment thereof on or about May 8, 2018, which will be 5 business days (as such term is used for purposes of Rule 15c6-1 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act")) following the date hereof (such settlement cycle being referred to as "T+5"). Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise.
