PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

JUNE 16, 2005

ABOUT THIS PROXY STATEMENT

Our Board of Directors is soliciting proxies to be used at our 2005 Annual Meeting of Stockholders. The meeting will be held at the law offices of Morgan, Lewis & Bockius LLP, 1701 Market Street, Philadelphia, Pennsylvania 19103 on Thursday, June 16, 2005, at 6:00 p.m. local time. This proxy statement, the notice of annual meeting and the form of proxy will be mailed to stockholders beginning on or about April 22, 2005.

VOTING PROCEDURES

WHO CAN VOTE

Only RCM common stockholders at the close of business on the record date, April 21, 2005, may vote at the annual meeting. You are entitled to cast one vote for each share of RCM common stock that you owned as of the close of business on the record date. At the close of business on the record date, there were 11,385,720 shares of RCM common stock outstanding.

HOW YOU CAN VOTE

You can vote by:

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

- o marking your proxy card, dating and signing it, and returning it in the postage-paid envelope we have provided, or
- o attending the meeting and voting in person.

HOW YOU CAN REVOKE YOUR PROXY OR CHANGE YOUR VOTE

You can revoke your proxy at any time before it is voted at the meeting by:

- o sending a written notice that you have revoked your proxy to our Secretary, Stanton Remer, at 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109-4613,
- o submitting a later-dated proxy card, or
- o attending the meeting, giving our Secretary written notice of your revocation and voting your shares.

If a bank, broker or other holder of record holds your shares in its name, you must obtain a proxy card executed in your favor from the holder of record to be able to vote your shares at the meeting.

GENERAL INFORMATION ON VOTING

A quorum must exist for voting to take place at the meeting. A quorum exists if holders of a majority of the outstanding shares of our common stock are present at the meeting in person or are represented by proxy at the meeting. Shares represented by a proxy marked "abstain" or "withheld" on any matter will be considered present at the meeting for purposes of determining whether there is a quorum, but will not be considered as votes FOR or AGAINST that matter. Shares represented by a proxy as to which there is a "broker non-vote" (that is, where a broker holding your shares in "street" or "nominee" name indicates to us on a proxy that you have given the broker the discretionary authority to vote your shares on some but not all matters), will be considered present at the meeting for purposes of determining a quorum but will not be voted on matters as to

which there is a "broker non-vote." Abstentions and "broker non-votes" will therefore have no effect on the outcome of any vote taken at the meeting.

The director nominees will be elected by a plurality of the votes cast for the election of directors at the meeting. Thus, the nominee who receives the most votes will be elected as a director. All other matters to be voted upon at the meeting must be approved by a majority of the votes cast on those matters.

Shares that have been properly voted and not revoked will be voted at the meeting in accordance with the instructions on your proxy card. If you sign your proxy card but do not mark your choices, Leon Kopyt or Stanton Remer, the persons named on the enclosed proxy card, will vote the shares represented by your proxy card:

- o FOR the person we nominated for election as director; and
- o FOR the ratification of our Audit Committee's appointment of Grant Thornton LLP as our independent auditors for our fiscal year ending December 31, 2005.

If any other matters are properly presented at the meeting for consideration, Mr. Kopyt and Mr. Remer will have the discretion to vote on

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

those matters for you. Currently, we are not aware of any such matters.

COSTS OF SOLICITATION

We will pay for preparing, assembling and mailing this proxy statement. Our directors, officers and employees may solicit proxies through the mails, direct communication or otherwise. None of our directors, officers or employees will receive additional compensation for soliciting proxies. We may reimburse brokerage firms and other custodians, nominees or fiduciaries for their reasonable expenses for forwarding proxy and solicitation materials to stockholders.

Our employee directors do not receive any compensation for serving on our Board or its committees, other than the compensation they receive for serving as employees of RCM.

The Board of Directors has approved a compensation package for non-employee directors, which became effective in May 2000. Under the arrangement, each non-employee director receives a retainer fee of \$24,000 per year as compensation for service on the Board. In addition to the retainer fee, each eligible non-employee director is paid meeting attendance fees of \$750 for each Board Meeting and \$300 for each Committee Meeting held on a date other than the date of a Board Meeting.

All employee and non-employee directors also are eligible to receive options to purchase our common stock and stock appreciation rights under our stock option plans.

EMPLOYMENT AGREEMENTS

Mr. Kopyt's employment agreement provides for an annual base salary of \$475,000, vacation time and other customary benefits. In addition, the agreement provides that Mr. Kopyt's annual bonus will be based on our EBITDA, defined as earnings before interest, taxes, depreciation and amortization.

10

Mr. Kopyt's employment agreement is for a term of three years and automatically extends each year for an additional one-year period. This employment agreement is terminable upon Mr. Kopyt's death or disability, or for cause, as defined in the agreement.

CHANGE IN CONTROL AND TERMINATION OF EMPLOYMENT ARRANGEMENTS FOR MR. KOPYT

Mr. Kopyt has an agreement with us that provides him with benefits upon a change in control of RCM. Under this agreement, the remaining term of Mr. Kopyt's employment is extended for five years upon a change in control. If, during the term of Mr. Kopyt's employment following a change in control, RCM terminates Mr. Kopyt's employment other than for cause, as defined in the agreement, or Mr. Kopyt terminates his own employment for good reason, also as defined in the agreement, the provisions below will apply. The agreement defines "good reason" as, among other things, a material change in Mr. Kopyt's salary, title or reporting responsibilities, or a change in RCM's office location that requires Mr. Kopyt to relocate. This agreement includes the following provisions, each of which is effective upon Mr. Kopyt's termination other than for cause or for good reason, in either case following a change in control:

- o RCM must pay to Mr. Kopyt a lump sum equal to the total amount of his salary and bonus for the remainder of the five-year term.
- o RCM must pay to Mr. Kopyt an amount equal to the sum of all penalties he is assessed (including excise taxes imposed on certain parachute

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

payments) and taxes he incurs as a result of the benefits he will receive under the agreement.

SEVERANCE AGREEMENT FOR MR. KOPYT

On June 10, 2002, the Company entered into a Severance Agreement (the "Severance Agreement") with Mr. Kopyt. The agreement provides for certain payments to be made to Mr. Kopyt and for the continuation of Mr. Kopyt's employee benefits for a specified time after his service with the Company is terminated other than for cause, as defined in the Severance Agreement. Amounts payable to Mr. Kopyt under the Severance Agreement would be offset and reduced by any amounts received by Mr. Kopyt after his termination of employment under his current employment and termination benefits agreements, which are supplemented and not superseded by the Severance Agreement.

COMPARISON OF FIVE-YEAR CUMULATIVE TOTAL RETURNS

The graph below is presented in accordance with Commission requirements. You should not draw any conclusions from the data in the graph, because past results do not necessarily predict future stock price performance. The graph does not represent our forecast of future stock price performance.

The graph below compares our total stockholder return over the five-year period ended January 1, 2005 to the cumulative total return of two indices over the same period: Total Return Index for the Nasdaq Stock Market, referred to in the graph as the Nasdaq Composite, and a peer group of staffing companies that we selected in good faith. In developing the index, each selected company is weighted based on its market capitalization measured on December 31, 2004.

Our self-determined peer group consists of the following corporations:

Butler International, Inc.	MPS Group, Inc.
Kelly Services, Inc.	Spherion Corporation

The graph assumes that \$100 was invested on December 31, 1999 in each of our common stock, the Nasdaq Composite and the peer group index, and that all dividends were reinvested.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

We believe that, during our fiscal year ended January 1, 2005, our executive officers and directors made all required filings under Section 16(a) of the Securities Exchange Act on a timely basis. Our belief is based solely on:

- o our review of copies of forms filed pursuant to Section 16(a) and submitted to us during and with respect to our fiscal year ended January 1, 2005, and
- o representations from the Company's directors, executive officers and beneficial owners of more than 10% of RCM Stock that they have complied with all Section 16(a) filing requirements with respect to 2004.

BOARD MEETINGS AND COMMITTEES

Our Board of Directors has an executive committee, an audit committee and a compensation committee. The committees report their actions to the full Board at the Board's next regular meeting. The following table shows on which of our Board's committees each of our directors served.

Our Board of Directors held three meetings in the fiscal year ended January 1, 2005. The Company does not have a specific written policy with regard to attendance of directors at our annual meetings of stockholders, although board member attendance is strongly encouraged. Each of our five directors attended all Board meetings, including the 2004 Annual Meeting, and all meetings of the committees on which each director served. At each meeting of the Board of Directors, there was an executive session attended only by the Independent Directors.

13

- o See "Report of the Compensation Committee" below.

INDEPENDENCE OF COMMITTEES

The Board of Directors has determined each member of the Audit Committee and the Compensation Committee of the Board meets the independence requirements applicable to members of those committees as prescribed by the National Association of Securities Dealers, the Commission and the Internal Revenue Service. The Board of Directors has further determined that Robert B. Kerr, Chair of the Audit Committee, is an "audit committee financial expert" as such term is defined in Item 401(h) of Regulation S-K promulgated by the Commission.

DIRECTOR NOMINATIONS

Due to its relatively small size, the Board of Directors does not have a separate nominating committee. Nominees for election to the Board of Directors are selected by a majority of our Independent Directors. The Independent Directors do not have a charter relating to the nominating process. They seek nominees with the highest personal and professional character and integrity, who possess appropriate characteristics, skills, experience and time to make a significant contribution to the Board of Directors, the Company and its stockholders.

The Independent Directors consider recommendations for nominations from a variety of sources, including directors, business contacts, legal counsel, community leaders and members of management. In addition, the Independent Directors consider stockholder recommendations for director nominees that are received in a timely manner. Nominees proposed by shareholders will be considered using the same criteria and in the same manner as all other nominees. All such stockholder recommendations should be submitted in writing in care of Stanton Remer, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109 no later than December 27, 2005.

COMMUNICATIONS WITH THE BOARD

Stockholders may send communications to the Board of Directors in writing, addressed to the full Board of Directors, individual directors or a specific

committee of the Board of Directors, in care of Stanton Remer, Secretary, RCM Technologies, Inc., 2500 McClellan Avenue, Suite 350, Pennsauken, New Jersey 08109. In general, all stockholder communications sent to our Secretary for forwarding to the Board of Directors or to specified Board members will be forwarded in accordance with the sender's instructions. However, our Secretary reserves the right not to forward any personally abusive or otherwise inappropriate materials.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Compensation Committee and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.

This report summarizes the functions and philosophical principles of the compensation committee, the components of the compensation paid to RCM's executives and other factors that the compensation committee considers in determining the compensation of RCM's executives.

FUNCTIONS OF THE COMMITTEE

The compensation committee's primary functions include:

- o reviewing, approving and determining the salaries, bonuses and other benefits of RCM's directors, executive officers and senior management,
- o recommending to RCM's Board amendments to existing stock option plans and the adoption of new stock option plans,

14

- o negotiating, reviewing, approving and determining the adoption of, or amendments to, any compensatory plans, arrangements or agreements between RCM and its executives, and
- o establishing and reviewing management perquisites.

COMPENSATION PHILOSOPHY

The Company's compensation program for executives consists of three key elements:

- o a base salary,
- o a performance-based annual cash bonus, and
- o periodic grants of stock options.

Under this approach, executive compensation involves a high proportion of pay that is "at risk"—namely, the annual bonus and stock options. The variable annual bonus also is based, in significant part, on Company performance. Stock options relate a significant portion of long-term remuneration directly to stock price appreciation realized by all of the Company's stockholders. We believe that this three-part approach best serves the interests of the Company and its stockholders. It enables the Company to meet the requirements of the highly competitive environment in which we operate while ensuring that

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

executive officers are compensated in a way that advances both the short-term and long-term interests of stockholders.

COMPONENTS OF COMPENSATION

The compensation committee generally structures RCM executives' compensation through a combination of the following:

- o Base Salary: As a general rule, the compensation committee establishes base salaries for RCM's executives based upon the individual's performance and contribution to RCM. The compensation committee takes into account base salaries of executives in comparable positions in companies similar to RCM. Some of RCM's executives are parties to employment agreements. The salaries of those executives are based on their agreements.
- o Annual Incentive Compensation: The compensation committee provides annual incentive awards to RCM's executives to reward their contributions to RCM. Mr. Kopyt's bonus is based solely on RCM's EBITDA. Mr. Remer's bonus is determined based on a combination of EBITDA and certain other factors at the discretion of the chief executive officer. The bonuses of all other executives are determined based on RCM's operating income and certain other factors at the discretion of the chief executive officer, based on the guidelines established by the compensation committee.
- o Long-Term Incentive Compensation: The compensation committee periodically grants stock options and other RCM securities to RCM executives. The compensation committee intends the grants to be a significant portion of the total executive compensation. The grants are designed to align the interests of each RCM executive with those of the stockholders, and provide each executive with a significant incentive to manage RCM from the perspective of an owner with an equity stake in the business. Grants typically permit executives to acquire RCM's common stock at a fixed price per share (generally, the market price on the grant date) over a specified period of time (usually up to ten years). The grants provide a return to the executive only if the market price of the shares appreciates over the option term.

The compensation committee bases the size of each executive's option grant upon the executive's:

- o position with RCM,
- o potential for future responsibility over the option term,
- o performance in recent periods, and
- o current holdings of RCM stock and options.

The compensation committee believes that RCM's financial performance is a better indicator of executive achievement than its stock price. The compensation committee examines a number of financial indicators in assessing RCM's performance, including:

- o net sales,

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

- o operating income,
- o net income, and
- o earnings per share.

The compensation committee does not base compensation decisions upon any precise formula or accord any one factor greater weight than the other factors.

COMPENSATION OF LEON KOPYT, RCM'S CHIEF EXECUTIVE OFFICER

Leon Kopyt, RCM's Chief Executive Officer, participates in the same programs as RCM's other executives, and receives compensation based on: the same factors as RCM's other executives, his employment agreement and a termination benefits agreement. Mr. Kopyt's overall compensation reflects his degree of policy- and decision-making authority and his level of responsibility with respect to RCM's strategic direction and financial and operational results. Mr. Kopyt's compensation for 2004 was determined based on a study of the compensation of chief executive officers of other companies in the information technology industry that have financial and corporate characteristics similar to those of RCM. Mr. Kopyt's compensation components for RCM's fiscal year ended January 1, 2005 were as follows:

- o Base Salary: Mr. Kopyt received a base salary of \$475,000.
- o Annual Incentive Compensation: Pursuant to Mr. Kopyt's incentive compensation arrangement, Mr. Kopyt received a \$35,000 bonus for the fiscal year ended January 1, 2005 based on the Company's EBITDA. The bonus represented 7.4% of the base salary.
- o Long-Term Incentive Compensation: Mr. Kopyt did not receive any stock option awards during the fiscal year ended January 1, 2005.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Internal Revenue Code limits the amount of executive compensation RCM may deduct for federal income tax purposes. In general, Section 162(m) only allows a publicly held corporation to deduct up to one million dollars per year of compensation paid to certain executives. The executives whose compensation is subject to limitation under Section 162(m) are those executives who, as of the close of a corporation's taxable year, are either the chief executive officer (or an individual acting in such capacity), or an executive whose compensation is required to be reported to stockholders under the Securities Exchange Act of 1934 by reason of that executive being among the four highest compensated officers of a corporation for the taxable year (other than the chief executive officer). Performance-based compensation is not, however, subject to this deduction limitation if it meets certain requirements. One of the requirements is that performance-based compensation be payable only on the attainment of performance goals that have been approved by a corporation's stockholders. Compensation attributable to the exercise of options that are granted with an exercise price at or above the fair market value of the stock subject to the option under a stockholder-approved stock option plan meeting certain requirements is also qualified as performance-based compensation. The compensation committee has generally attempted to structure the compensation it pays to RCM's executives subject to Section 162(m) so that compensation that would exceed the one million dollar limitation otherwise imposed under Section 162(m) will qualify for the exemption noted above for performance-based compensation.

PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has selected Grant Thornton LLP to act in the capacity of independent accountants for the current fiscal year. Ratification and approval by the stockholders will be sought by the Board of Directors for the selection of Grant Thornton LLP as independent accountants to audit our accounts and records for the fiscal year ending December 31, 2005, and to perform other appropriate services. The affirmative vote of a majority of the outstanding shares of our voting stock is required to ratify the selection of Grant Thornton LLP. In the event that a majority of the shares voted at the Annual Meeting do not vote for ratification of the selection of Grant Thornton LLP, the Audit Committee will reconsider such selection.

Representatives of Grant Thornton LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by stockholders.

FEES BILLED BY GRANT THORNTON LLP DURING 2003 AND 2004

Audit Fees. Fees billed to the Company by Grant Thornton LLP during 2004 and 2003 for audit services rendered by Grant Thornton LLP for the audit of the Company's annual financial statements for such years, for the review of those financial statements included in the Company's Quarterly Reports on Form 10-Q during such years, and for services that are normally provided by Grant Thornton LLP in connection with statutory and regulatory filings or engagements, totaled \$154,000 and \$139,000, respectively.

Audit-Related Fees. Fees billed to the Company by Grant Thornton LLP during 2004 and 2003 for audit-related services that were reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the preceding paragraph totaled \$1,600 and \$22,800, respectively.

Tax Fees. Fees billed to the Company by Grant Thornton LLP during 2004 and 2003 for professional services rendered for tax compliance, tax advice and tax planning totaled \$18,900 and \$17,900, respectively.

All Other Fees. Grant Thornton LLP was engaged by the Company during 2004 and 2003 to perform certain non-audit services. The aggregate fees billed by Grant Thornton LLP for those other services during 2004 and 2003 were \$11,700 and \$22,800, respectively. In fiscal year 2004, the fees of \$11,700 related to the audit of the Company's 401(k) plan. In fiscal year 2003, the fees of \$22,800 consisted of \$12,600 for financial reporting advice and \$10,200

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

related to an audit of the Company's 401(k) plan.

The Audit Committee has considered whether Grant Thornton LLP's provision of services other than professional services rendered for the audit and review of our financial statements is compatible with maintaining Grant Thornton LLP's independence, and has determined that it is so compatible.

The Audit Committee has been informed by Grant Thornton LLP that less than 50 percent of the hours expended on Grant Thornton LLP's engagement to audit our financial statement for the fiscal year ended January 1, 2005 were attributed to work performed by persons other than Grant Thornton LLP's full-time, permanent employees.

All audit, audit-related, tax and other services were pre-approved by the Audit Committee pursuant to applicable regulations. The Audit Committee currently pre-approves all engagements of the Company's accountants to provide both audit and non-audit services, and has not established formal pre-approval policies

17

or procedures. The Audit Committee did not approve any non-audit services pursuant to Rule 2-01(c) (7)(i)(C) of Regulation S-X during 2004.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION AND APPROVAL OF THE SELECTION OF GRANT THORNTON LLP AS OUR INDEPENDENT ACCOUNTANTS FOR FISCAL 2005.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this report by reference therein.

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's outside auditors all financial statements prior to their issuance. Management advised the Committee in each case that all financial statements were prepared in accordance with generally accepted accounting principles, and reviewed significant accounting issues with the Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Committee also discussed with Grant Thornton LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures made to the Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

In addition, the Committee reviewed major initiatives and programs aimed at strengthening the effectiveness of the Company's internal control structure. As part of this process, the Committee continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Taking all of these reviews and discussions into account, the Committee recommended to the Board of Directors that the Board approve the inclusion of

Edgar Filing: RCM TECHNOLOGIES INC - Form DEF 14A

the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended January 1, 2005 for filing with the Commission.
