(f) Each Manager is a citizen of the United States.

Item 3. Source and Amount of Funds or Other Consideration

On October 6, 2005, the Partnership entered into a Securities Purchase Agreement (the Purchase Agreement) with the Company and certain other investors, pursuant to which the Partnership agreed to purchase 33,333,334 shares of the Common Stock of the Company for a purchase price of \$0.75 per share. The Purchase Agreement is filed as Annex A to the Company s Proxy Statement on October 27, 2005. The funds to purchase the Securities under the Purchase Agreement were obtained from the working capital of the Partnership and not the assets of the General Partner nor the Managers.

The closing of the Purchase Agreement took place on December 14, 2005. At that time and as a condition to the Purchase Agreement, the Company agreed to ensure that the board of directors would

exist of no more than nine directors. Under the Purchase Agreement, the Partnership is entitled to designate for nomination two members to the Company's board of directors and one member jointly designated by the Partnership and Frazier Healthcare V, L.P. (Frazier). Accordingly, the Partnership designated and the Company appointed Mr. Sutter and Frank E. Young to the Company's board of directors. Jointly with Frazier, the Partnership designated and the Company appointed Nader J. Naini to the board of directors.

In connection with the closing of the Purchase Agreement, the Partnership received a Warrant to Purchase Common Stock, a form of which is filed as Annex B to the Company's Proxy Statement on October 27, 2005, to purchase 8,333,334 shares of Common Stock of the Company at a price of \$1.00 per share. The Warrant to Purchase Common Stock is exercisable at any time after the closing date under the Purchase Agreement until the earlier of (i) the fifth anniversary of December 12, 2005, which is the date the Company's stockholders approved an increase in the authorized shares of the Common Stock of the Company and (ii) the date of consummation of any certain extraordinary transactions, including certain mergers, exchanges with respect to the Company's Common Stock and the sale or transfer of all or substantially all of the Company's assets. The Warrant to Purchase Common Stock includes a cashless exercise provision that permits the Partnership to exercise all or a portion of the shares pursuant to the Warrant without paying the exercise price which will result in the Partnership acquiring a net amount of the shares of Common Stock subject to the Warrant. The cashless exercise feature is available at the election of the Partnership provided that the fair market value of the Common Stock of the Company is greater than the exercise price then in effect under the Warrant.

The Securities acquired pursuant to the Purchase Agreement have certain registration rights under a Registration Rights Agreement dated as of October 6, 2005 whereby the Company would file within 45 days of the closing under the Purchase Agreement and cause to be go effective a Registration Statement on Form S-3 as soon as practicable but in no event later than 135 days after the closing date under the Purchase Agreement. A registration delay payment will be owed to each investor under the Purchase Agreement, in an accruing amount per week ranging from \$0.00375 to \$0.015 per share from the first day of such registration delay. A registration delay includes the occurrence, among other things, of a missed deadline under the Registration Rights Agreement for filing or effectiveness of any registration statement required to be filed by the Company or declared effective. The Company also granted to the Partnership piggy-back registration rights under the Registration Rights Agreement whereby the Partnership will have the right to include the Shares in a registration statement the Company files for shares of its own Common Stock or upon the request of other stockholders. The Registration Rights Agreement is filed as Annex F to the Company's Proxy Statement on October 27, 2005.

The above summary description of the Purchase Agreement, the Warrant to Purchase Common Stock, and the Registration Rights Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, the Warrant to Purchase Common Stock, and the Registration Rights Agreement which are incorporated herein by reference.

Item 4. Purpose of Transaction

The Reporting Persons acquired the Securities solely for the purpose of investment. The Reporting Persons may make additional purchases of the Company's securities either in the open market or in private transactions depending on the Company's business, prospects and financial condition, the market for the Company's securities, general economic conditions, money and stock market conditions and other future developments.

Except as described in this Schedule 13D, none of the Reporting Persons has any present plan or proposal which relates to, or could result in, any of the events referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. However, the Reporting Persons will continue to review the

business of the Company and, depending upon one or more of the factors referred to above, may in the future propose that the Company take one or more such actions.

Currie, Sutter, Thangaraj, Himawan, Pacala and Vainio have the power by unanimous consent and through the GP Partnership (i) to cause the Partnership to buy and sell marketable securities of portfolio companies and (ii) to direct the voting of such securities. As a result, Messrs. Currie, Sutter, Thangaraj, Himawan, Pacala and Vainio may also be deemed to have shared dispositive power and voting power with respect to the securities held by the Partnership. In addition, Mr. Sutter is a member of the Company's Board of Directors. Messrs. Currie, Sutter, Thangaraj, Himawan, Pacala and Vainio disclaim beneficial ownership of such securities except to the extent of their respective pecuniary interests therein.

Except for the transactions described in this Schedule 13D, none of the Reporting Persons has effected any transactions in the securities of the Company during the past 60 days.
