**PROXY STATEMENT**

This Proxy Statement is furnished to holders of common stock, \$.001 par value per share, of CytRx Corporation, a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors for use at our 2006 Annual Meeting of Stockholders to be held at the Hotel Bel Air, 701 Stone Canyon Road, Los Angeles, California, at 10:00 A.M., local time, on Tuesday, July 18, 2006, and at any postponement or adjournment thereof.

This Proxy Statement and the accompanying proxy card are first being mailed to our stockholders on or about June 15, 2006.

**What is the purpose of the Annual Meeting?**

At the Annual Meeting, stockholders will act upon the matters referred to in the attached Notice of Meeting and described in detail in this Proxy Statement, which are the election of one director and the ratification of our appointment of independent accountants. In addition, management will report on our performance during fiscal 2005 and respond to appropriate questions from stockholders.

**Who is entitled to vote at the Annual Meeting?**

Only stockholders of record at the close of business on May 22, 2006 will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof.

**What constitutes a quorum?**

Our Bylaws provide that the presence, in person or by proxy, at our Annual Meeting of the holders of a majority of outstanding shares of our common stock will constitute a quorum for the transaction of business.

For the purpose of determining the presence of a quorum, proxies marked withhold authority or abstain will be counted as present. Shares represented by proxies that include so-called broker non-votes also will be counted as shares present for purposes of establishing a quorum. On the record date, there were 69,924,277 shares of our common stock issued and outstanding.

**What are the voting rights of the holders of our common stock?**

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. With regard to the election of directors, the nominee receiving the greatest number of votes cast will be elected.

**What are the Board's recommendations?**

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendations of our Board of Directors are set forth together with the description of each Proposal in this Proxy Statement. In summary, our Board of Directors recommends a vote:

**PROPOSAL I**

**ELECTION OF DIRECTORS**

Pursuant to our Bylaws, our Board of Directors has fixed the number of our directors at seven. Our Restated Certificate of Incorporation and our Bylaws provide for the classification of these directors into three classes, with each class to consist as nearly as possible of an equal number of directors. One class of directors is to be elected at each annual meeting of stockholders to serve for a term of three years.

The term of the one director in Class III expires at the Annual Meeting. The Board of Directors has nominated the incumbent Class III director, Dr. Max Link, for reelection as the Class III director to serve until the 2009 Annual Meeting of Stockholders and until his successor is duly elected and qualified. A vacancy currently exists within our Class III directors as a result of the retirement of a past director in 2004. Our Board of Directors may seek to fill this vacancy subsequent to the Annual Meeting.

The following is information concerning the nominee for election, as well as the directors whose terms of office will continue after the Annual Meeting. Each director's age is indicated in parentheses after his name.

**Current Nominee**

We believe that the nominee will be available and able to serve as a director. In the event that he is unable or unwilling to serve, the proxy holders will vote the proxies for such other nominee as they may determine.

### **Meetings of the Board of Directors and Committees**

*Board of Directors.* The property, affairs and business of CytRx are conducted under the general supervision and management of our Board of Directors as called for under the laws of Delaware and our Bylaws. Our Board of Directors has established a standing Audit Committee, Compensation Committee, and Nomination and Governance Committee.

The Board of Directors held eight meetings during 2005. Each director attended at least 75% of the total meetings of the Board during 2005, except for Louis Ignarro, Ph.D. Each director who served on a Committee of our Board of Directors attended at least 75% of all Committee meetings during 2005. Board agendas include regularly scheduled

executive sessions for the independent directors to meet without management present. In 2005, the independent directors met twice in executive session.

Our Board of Directors has determined that Messrs. Link, Rubinfeld, Selter and Wennkamp each are independent under the current independence standards of both the Nasdaq Capital Market and the Securities and Exchange Commission, or SEC, and have no material relationships with us (either directly or as a partner, shareholder or officer of any entity) that could be inconsistent with a finding of their independence as members of

**Table of Contents**

our Board of Directors or as the members of our Audit Committee. Our Board of Directors also has determined that Mr. Selter, one of the independent directors serving on our Audit Committee, is an audit committee financial expert as defined by SEC rules.

The following table provides information concerning the current membership of our Board committees:

- (4) These directors constitute the members of our Nomination and Governance Committee. Mr. Wennekamp is Chairman of the Committee.

*Audit Committee.* Our Board of Directors has determined that each of the current members of the Audit Committee are independent under the current independence standards of the Nasdaq Capital Market. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to:

The quality and integrity of our financial statements and reports.

The independent registered public accounting firm's qualifications and independence.

The performance of our internal audit function and independent auditors.

The Audit Committee reviews our financial structure, policies and procedures, appoints the outside independent registered public accounting firm, reviews with the outside independent registered public accounting firm the plans and results of the audit engagement, approves permitted non-audit services provided by our independent registered public accounting firm, reviews the independence of the auditors and reviews the adequacy of our internal accounting controls. The Audit Committee's responsibilities also include oversight activities described below under the Report of the Audit Committee.

The Audit Committee has discussed with the outside independent registered public accounting firm the auditors independence from management and CytRx, including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of permitted non-audit services with the auditors independence. The Audit Committee operates pursuant to a written charter, which was filed as an exhibit to our 2005 Proxy Statement.

The Audit Committee held six meetings during 2005.

*Compensation Committee.* The Compensation Committee is authorized to review and make recommendations to the full Board of Directors relating to the annual salaries and bonuses of our officers and to determine in its sole discretion all grants of stock options, the exercise price of each option, and the number of shares to be issuable upon the exercise of each option under our various stock option plans. The Committee also is authorized to interpret our stock option plans, to prescribe, amend and rescind rules and regulations relating to the plans, to determine the

**Table of Contents**

term and provisions of the respective option agreements, and to make all other determinations deemed necessary or advisable for the administration of the plans.

The Compensation Committee held six meetings during 2005.

*Nomination and Governance Committee.* The Nomination and Governance Committee assists our Board of Directors in discharging its duties relating to corporate governance and the compensation and evaluation of the Board. The Nomination and Governance Committee operates pursuant to a written charter, which was filed as an exhibit to our 2005 Proxy Statement. As indicated above with respect to service on our Audit Committee, our Board of Directors has determined that each of the current members of the Nomination and Governance Committee, Messrs. Link, Selter and Wennkamp, are independent under the current independence standards of the Nasdaq Capital Market.

The principal responsibilities of the Nomination and Governance Committee include:

Overseeing our corporate governance practices and developing and recommending to our Board a set of Corporate Governance Guidelines.

Assisting the Board in identifying qualified director candidates, selecting nominees for election as directors at meetings of stockholders and selecting candidates to fill vacancies on our Board, and developing criteria to be used in making such recommendations.

Creating and recommending to our Board a policy regarding the consideration of director candidates recommended by stockholders and procedures for stockholders' submission of nominees of director candidates.

Reviewing and recommending the compensation for non-employee directors and making recommendations to our Board for its approval.

Establishing criteria for our Board and for all committees (including the Nomination and Governance Committee) to use to evaluate their performance on an annual basis.

Overseeing developments related to corporate governance and advising our Board in connection therewith.

The Nomination and Governance Committee has sole authority, in connection with the identification of qualified director candidates, to retain and terminate any search firm for such purpose (including the authority to approve any such firm's fees and other retention terms). We do not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

The Nomination and Governance Committee held four meetings during 2005.

The Nomination and Governance Committee has not established any specific minimum qualifications for director candidates or any specific qualities or skills that a candidate must possess in order to be considered qualified to be nominated as a director.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. In making its nominations, our Nomination and Governance Committee generally will consider, among other things, an individual's business experience, industry experience, financial background, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

**Stockholder Recommendations of Director Candidates**

The policy of the Nomination and Governance Committee is that a stockholder wishing to submit recommendations for director candidates for consideration by the Nomination and Governance Committee for election at an annual meeting of shareholders must do so in writing by December 15 of the previous calendar year. The written recommendation must include the following information:

A statement that the writer is a stockholder and is proposing a candidate for consideration.

## **Table of Contents**

The name and contact information for the candidate.

A statement of the candidate's business and educational experience.

Information regarding the candidate's qualifications to be a director.

The number of shares of our common stock, if any, owned either beneficially or of record by the candidate and the length of time such shares have been so owned.

The written consent of the candidate to serve as a director if nominated and elected.

Information regarding any relationship or understanding between the proposing stockholder and the candidate.

A statement that the proposed candidate has agreed to furnish us all information as we deem necessary to evaluate such candidate's qualifications to serve as a director.

As to the stockholder giving the notice, the written recommendation must state the name and address of the stockholder and the number of shares of our common stock which are owned beneficially or of record by the shareholder.

Any recommendations in proper form received from stockholders will be evaluated in the same manner that potential nominees recommended by our Board members or management are evaluated.

### **Stockholder Nominations of Directors**

Our Bylaws specify the procedures by which stockholders may nominate director candidates directly, as opposed to merely recommending a director candidate to the Nomination and Governance Committee as described above. Any stockholder nominations must comply with the requirements of our Bylaws and should be addressed to: Corporate Secretary, CytRx Corporation, 11726 San Vicente Boulevard, Suite 650, Los Angeles, California 90049.

### **Stockholder Communication with Board Members**

Stockholders who wish to communicate with our Board members may contact us by telephone, facsimile or regular mail at our principal executive office. Written communications specifically marked as a communication for our Board of Directors, or a particular director, except those that are clearly marketing or soliciting materials, will be forwarded unopened to the Chairman of our Board, or to the particular director to which they are addressed, or presented to the full Board or the particular director at the next regularly scheduled Board meeting. In addition, communications sent to us via telephone or facsimile for our Board of Directors or a particular director will be forwarded to our Board or the director by an appropriate officer.

### **Board Member Attendance at Annual Meetings**

Our Board of Directors has no formal policy regarding attendance of directors at our annual stockholder meetings. Of the six members of our Board as of the date of our 2005 Annual Meeting of Stockholders, five attended that meeting.

### **Compensation of Directors**

Periodically, our Board reviews our director compensation policies and, from time to time, makes changes to such policies based on various criteria the board deems relevant. During 2004, directors who were employees of our company received no compensation for their service as directors or as members of Board committees.

Effective October 1, 2005, our non-employee directors receive a quarterly retainer of \$2,000 (\$8,000 for the Chairman of the Board), a fee of \$2,000 for each Board meeting attended (\$750 for meetings attended by teleconference and for Board actions taken by unanimous written consent) and \$1,000 for each committee meeting attended. Non-employee directors who serve as the Chairman of a Board committee receive an additional \$1,500 for each meeting of the Nomination and Governance Committee or the Compensation Committee attended and an additional \$2,000 for each meeting attended of the Audit Committee. Prior to October 2005, our non-employee

**Table of Contents**

directors received a quarterly retainer of \$1,500, a fee of \$1,500 for each board meeting attended (\$750 for meetings attended by teleconference and for Board actions taken by unanimous written consent) and \$750 for each committee meeting attended. Non-employee directors who served as Chairman of a Board committee received an additional \$500 for each meeting attended of the Nomination and Governance Committee or the Compensation Committee and an additional \$1,000 for each meeting attended of the Audit Committee. We also grant options to purchase 15,000 shares of common stock at an exercise price equal to the current market value of our common stock to each non-employee director annually, usually in the summer of each year. Past option grants were made subject to vesting in annual increments of 1/3rd each, subject to the director remaining as a director through the vesting dates.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Our executive officers and directors and any person who owns more than 10% of our outstanding shares of common stock are required by Section 16(a) of the Securities Exchange Act to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and to furnish us with copies of those reports. Based solely on our review of copies of reports we have received and written representations from certain reporting persons, we believe that all of our directors and executive officers and greater-than-10% shareholders complied with these filing requirements for 2005.

**Beneficial Owners of More Than Five Percent of CytRx's Common Stock; Shares Held by Directors and Executive Officers**

Based solely upon information made available to us, the following table sets forth information with respect to the beneficial ownership of our common stock as of June 5, 2006 by (1) each person who is known by us to beneficially own more than five percent of the common stock; (2) each director; (3) the named executive officers listed in the Summary Compensation Table under the caption Executive Compensation ; and (4) all executive officers and directors as a group.

Beneficial ownership is determined in accordance with the SEC rules. Shares of common stock subject to warrants or options that are presently exercisable, or exercisable within 60 days of June 5, 2006, which are indicated by footnote, are deemed outstanding in computing the percentage ownership of the person holding the warrants or options, but not in computing the percentage ownership of any other person. The percentage ownership reflected in the table is based on 69,984,770 shares of our common stock outstanding as of June 5, 2006. Except as otherwise indicated, the holders listed below have sole voting and investment power with respect to all shares of common stock shown, subject to applicable community property laws. An asterisk represents beneficial ownership of less than 1%.

**Compensation Committee Report On Executive Compensation**

The Compensation Committee of the Board of Directors establishes our general compensation practices, establishes the compensation plans and specific compensation levels for executive officers and administers our compensation plans. In establishing base salaries and cash bonuses for executive officers, the Compensation Committee considers relative company performance, the individual's past performance and future potential, and compensation for persons holding similarly responsible positions at other companies in the pharmaceutical and biotechnology industries. The relative importance of these factors varies depending upon the individual's

**Table of Contents**

responsibilities; all facts are considered in establishing both base salaries and cash bonuses. When making comparison to other companies, the Compensation Committee generally considers those companies included in the Nasdaq Pharmaceutical Index.

The Compensation Committee believes that the Chief Executive Officer's compensation should be influenced by CytRx's performance, although performance for a company engaged in pharmaceutical research and development does not necessarily correlate to profits. The Compensation Committee considers performance to include achievement of product development targets and milestones, effective fund-raising efforts, and effective management of personnel and capital resources, among other criteria. The Compensation Committee also reviews the Chief Executive Officer's compensation in light of the level of similar executive compensation arrangements within the biopharmaceutical industry. The Compensation Committee believes that stock options should be granted to the Chief Executive Officer, as well as to other executives, primarily based on the executive's ability to influence CytRx's long-term growth and profitability. These options and warrants may include a combination of tenure-based vesting as well as vesting upon the achievement of corporate objectives. The Compensation Committee believes that this arrangement provides executive officers with the greatest incentive to accelerate achievement of corporate objectives and thereby enhance long-term stockholder value.

In May 2005, we entered into amended and restated employment agreements with Matthew Natalizio, our Chief Financial Officer, Benjamin Levin, our Vice President - Legal Affairs, General Counsel and Corporate Secretary, and Dr. Jack Barber, our Senior Vice President - Drug Development. In September 2005, we entered into an amended and restated employment agreement with Dr. Mark Tepper, our Senior Vice President - Drug Discovery. In determining their new compensation packages, the Compensation Committee considered CytRx's business strategy, its requirements for those positions, and the past performance and future potential of those individuals.

***Chief Executive Officer's Compensation***

The specific terms of Steven A. Kriegsman's employment agreement as our Chief Executive Officer are discussed above under Employment Agreement with Steven A. Kriegsman and Change in Control Agreement with Steven A. Kriegsman. Mr. Kriegsman's performance period for purposes of this report is the fiscal year ended December 31, 2005. Pursuant to Mr. Kriegsman's amended and restated employment agreement dated as of May 17, 2005, Mr. Kriegsman was paid an annual base salary of \$400,000 for 2005. In addition to his annual base salary, the employment agreement provides that Mr. Kriegsman is to be eligible to receive a bonus as of each anniversary of the contract date as determined by our Board of Directors (or our Compensation Committee), but in no event to be less than \$150,000. In May 2005, on the Compensation Committee's recommendation, our Board of Directors awarded Mr. Kriegsman a total bonus of \$250,000. In addition, for fiscal 2005, Mr. Kriegsman received additional compensation of \$11,500 which includes (i) approximately \$5,000 in insurance premiums paid by us with respect to a life insurance policy for Mr. Kriegsman which has a face value of approximately \$1.4 million as of December 31, 2004 and under which Mr. Kriegsman's designee is the beneficiary and (ii) approximately \$6,000 of legal fees and expenses paid or reimbursed by us in accordance with the terms of Mr. Kriegsman's employment agreement.

Apart from his salary and bonus, Mr. Kriegsman is eligible to receive grants of options to purchase shares of our common stock. As an incentive to enter his amended and restated employment agreement, Mr. Kriegsman was granted as of May 17, 2005, a ten-year, nonqualified option under our 2000 Long-Term Incentive Plan to purchase 300,000 shares of our common stock at a price of \$0.79 per share.

### ***Internal Revenue Code Limits on Deductibility of Compensation***

For 2005, there was no occasion for the Compensation Committee to consider Section 162(m), which limits tax deductions of public companies on compensation to certain executive officers in excess of \$1 million. Where applicable, the Compensation Committee intends to consider the effect of Section 162(m) on its compensation decisions, but it has no formal policy to structure executive compensation so as to be fully deductible for tax purposes.

Respectfully submitted,

Compensation Committee:

Marvin R. Selter  
Richard L. Wennekamp

### **Compensation Committee Interlocks and Insider Participation**

There are no interlocks, as defined by the SEC, with respect to any member of the compensation committee. Joseph Rubinfeld, Ph.D., Marvin R. Selter and Richard L. Wennekamp are the current members of the compensation committee.

### **Code of Ethics**

We have adopted a Code of Ethics applicable to our principal executive officer, principal financial officer, and principal accounting officer or controller, a copy of which was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, and which is available as described below under Other Matters Annual Report.

### **Report of the Audit Committee**

*The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent it is specifically incorporated by reference therein.*

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to:

The quality and integrity of CytRx's financial statements and reports.

The independent auditors' qualifications and independence.

The performance of CytRx's internal audit function and independent auditors.

The Audit Committee operates under a written charter adopted by the Board of Directors in April 2003, which was amended by the Board of Directors in November 2004.

The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor CytRx's financial reporting process and internal control system.

Review and appraise the audit efforts of CytRx's independent accountants and internal audit function.

Provide an open avenue of communication among the independent accountants, internal auditors, CytRx's operational management and the Board of Directors.

**Table of Contents**

The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community, and others relating to CytRx's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of CytRx's financial statements and the ethics programs when established by CytRx management and the Board of Directors. The Audit Committee has the sole authority (subject, if applicable, to stockholder ratification) to appoint or replace the outside auditors and is directly responsible for determining the compensation of the independent auditors.

The Audit Committee must pre-approve all auditing services and all permitted non-auditing services to be provided by the outside auditors. In general, the Audit Committee's policy is to grant such approval where it determines that the non-audit services are not incompatible with maintaining the auditors' independence and there are cost or other efficiencies in obtaining such services from the auditors as compared to other possible providers. During fiscal 2005, the Audit Committee approved all of the non-audit services proposals submitted to it.

The Audit Committee met six times during fiscal 2005. The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention, with full access to all of CytRx's books, records, facilities and personnel, and to retain its own legal counsel and other advisers as it deems necessary or appropriate.

As part of its oversight of CytRx's financial statements, the Audit Committee reviews and discusses with both management and its outside auditors CytRx's interim financial statements and annual audited financial statements that are included in CytRx's Quarterly Reports on Form 10-Q and Annual Report on Form 10-K, respectively. CytRx management advised the Audit Committee in each case that all such financial statements were prepared in accordance with generally accepted accounting principles and reviewed significant accounting issues with the Audit Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as amended by SAS No. 90 (Communication with Audit Committees).

Effective January 20, 2004, the Audit Committee terminated the engagement of Ernst & Young LLP as CytRx's independent auditors. The Audit Committee subsequently engaged, and then terminated the engagement of, PriceWaterhouseCoopers LLP, and retained BDO Seidman, LLP to audit CytRx's financial statements for fiscal 2003, 2004 and 2005. The Audit Committee also has selected BDO Seidman, LLP as CytRx's independent auditors for fiscal 2006. For a discussion of these matters, please refer to the discussion under the heading "Changes in and Disagreements with Accountants on Accounting and Financial Disclosure" elsewhere in this Proxy Statement.

The Audit Committee discussed with BDO Seidman, LLP, which audited CytRx's annual financial statements for fiscal 2005, matters relating to its independence, including a review of audit and non-audit fees and the letter and written disclosures made by BDO Seidman, LLP to the Audit Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

In addition, the Audit Committee reviewed initiatives aimed at strengthening the effectiveness of CytRx's internal control structure. As part of this process, the Audit Committee continued to monitor and review staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

**Table of Contents**

Taking all of these reviews and discussions into account, the Committee recommended to the Board of Directors that the Board approve the inclusion of CytRx's audited financial statements in its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, filed with the SEC.

Respectfully submitted,

Audit Committee:

**PROPOSAL II**

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.**

Effective as of January 20, 2004, the Audit Committee of our board of directors dismissed Ernst & Young LLP, or E&Y, as our independent registered public accounting firm. Effective as of January 30, 2004, our Audit Committee engaged PricewaterhouseCoopers LLP, or PwC, as our new independent registered public accounting firm and to audit our financial statements for the year ended December 31, 2003. During the years ended December 31, 2002 and December 31, 2001 and the subsequent period through January 30, 2004, neither we nor anyone on our behalf consulted with PwC regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that PwC concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of SEC Regulation S-K and the related instructions thereof, or a reportable event, as that term is defined in Item 304(a)(1)(v) of SEC Regulation S-K.

On April 12, 2004, our Audit Committee dismissed PwC as our independent registered public accounting firm. PwC was dismissed prior to completing its audit procedures and did not issue any report on our financial statements. On April 14, 2004, our Audit Committee engaged BDO Seidman, LLP, or BDO, which completed its client acceptance process on that date, to serve as our independent registered public accounting firm and to audit our financial statements for the year ended December 31, 2003. Based on our desire to have the audit of these financial statements completed in as expeditious a fashion as possible, our Audit Committee had concluded that it was in our best interests to dismiss PwC and to engage new independent accountants to complete the audit of these financial statements.

During the period from January 30, 2004 through April 12, 2004, there had been no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PwC would have caused it to make reference thereto in its report had it completed an audit and issued a report on our financial statements, except as disclosed in the sixth paragraph below. In addition, for the same period, there had been no reportable events (as defined in SEC Regulation S-K Item 304(a)(1)(v)), except as described in the sixth paragraph below. We recorded all material adjustments that were communicated to us by PwC during PwC's engagement or to BDO prior to BDO's engagement.

In our Current Report on Form 8-K filed with the SEC on April 1, 2004, we indicated that we were reviewing, with the assistance of PwC, the accounting treatment of our July 2002 acquisition of Global Genomics and Global Genomics' assets at the time of its merger with us, which included Global Genomics' investments in two genomics companies, Blizzard and Psynomics. These investments had an aggregate carrying value on our financial statements, as of September 30, 2003, of approximately \$5.87 million. This accounting review delayed the completion of our financial statements for the year ended December 31, 2003 and the filing with the SEC of our Annual Report on Form 10-K.

Although we had previously disclosed, in our Current Report on Form 8-K dated January 16, 2004, that we would write off our investments in Blizzard and Psynomics in the quarter ended December 31, 2003, the following principal issues were identified during our accounting review:

Whether a portion of the purchase price in our July 2002 merger with Global Genomics (accounted for as a purchase of a group of assets, not a business combination) should have been allocated to an acquired assembled workforce, which would have reduced the amount of the purchase price allocated to the Blizzard and Psynomics

investments (\$7.3 million and \$78,000, respectively) and whether the amount originally determined to be the fair value of the Blizzard investment was overstated.

Whether an other-than-temporary impairment charge should have been taken by us against the appropriate carrying value of the Blizzard investment earlier than in the fourth quarter of 2003.

**Table of Contents**

The resolution of these issues in a manner that would result in a different accounting than originally reported would have had no effect on our cash or working capital position for any accounting period nor would it have had a material effect on our net worth as of December 31, 2003. One possible resolution could, however, have resulted in our net loss for the year ended December 31, 2002 being materially larger than that reported by us in our financial statements for that year and in our reporting a net worth significantly lower than the net worth we reported in our financial statements for that year. Such a resolution, in turn, could have required a restatement of those financial statements as well as our unaudited financial statements for the quarterly periods ended March 31, 2003, June 30, 2003 and September 30, 2003. Other possible resolutions could have resulted in the recognition of an other-than-temporary impairment charge in an earlier 2003 quarter and could have required a restatement of our unaudited financial statements for that and any subsequent quarter. However, the impact of the resolution of these issues on our net loss for the year ended December 31, 2002 and/or subsequent periods were not readily estimable by us, because it would have depended on the amount of the purchase price to be allocated to other assets and the nature of those assets and the valuation of our investment in Blizzard as of December 31, 2002 and as of the end of each of the three subsequent quarters, each of which would be dependent upon various assumptions and valuation methods.

As a result of the issues that were brought to our attention by PwC, we thoroughly re-reviewed, in late March and early April 2004, the prior accounting treatment for the Global Genomics acquisition and the Blizzard investment. This review included, among other things, (i) our submission of additional documentation to PwC, (ii) discussions of these issues by our Audit Committee with PwC, (iii) discussions between PwC and us, (iv) discussions between E&Y and us and (v) the retention of a nationally respected valuation firm to review certain of the methodologies that were used by us in connection with the purchase price allocation for Global Genomics, including amounts, if any, that would be attributable to an acquired assembled workforce and methodologies utilized in our other-than-temporary impairment analyses and to assess what amount of the purchase price for Global Genomics could appropriately have been attributable to an acquired assembled work force, if any.

Following our re-review of the accounting treatment for the purchase price for the Global Genomics merger and the carrying value of the Blizzard investment, we advised PwC, in early April 2004, that we continued to believe that our prior accounting treatment was correct in all material respects. We also advised PwC that our valuation firm had concluded that, even if any amount were to be allocated to an acquired assembled workforce, the valuation of such an acquired workforce would be only \$250,000.

During the course of its engagement PwC informed us that it disagreed with the timing of the fourth quarter 2003 other-than-temporary impairment charge that we had recorded related to our investment in Blizzard. PwC also informed us that PwC needed to significantly expand the scope of its audit procedures with respect to the matters identified in the fourth paragraph above, including procedures designed to understand the impact, if any, of certain third party comments regarding indicators of value, and that it had not completed audit procedures regarding the nature and timing of our impairment of Blizzard and the original purchase price allocation upon our acquisition of Global Genomics in 2002. PwC has advised us that, as a result of their dismissal, they were unable to complete their expanded audit procedures, and as a consequence, PwC had not formed a view as to whether our accounting for these matters was in conformity with accounting principles generally accepted in the United States.

E&Y's report on our financial statements for the years ended December 31, 2001 and December 31, 2002 did not contain any adverse opinion or a disclaimer of an opinion or any qualification as to uncertainty, audit scope or accounting principles. In connection with E&Y's audits for those years there were no disagreements or reportable events as defined in Item 304 of SEC Regulation S-K, except as described in this paragraph. However, we were informed by E&Y, in April 2004, that, until such time as the impact of the third party comments regarding indicators of value concerning Blizzard, referred to by PwC, were further evaluated, E&Y was not able to conclude as to whether the prior accounting treatment was appropriate in all material respects. E&Y advised us that, depending upon the

outcome of those procedures, the financial statements for the year ended December 31, 2002, audited by E&Y, or the unaudited interim financial statements for the quarters ended March 31, June 30, and September 30, 2003, might require restatement. However, E&Y has not withdrawn its opinion on our 2002 audited financial statements.

A special committee consisting of two of our Audit Committee members subsequently performed an evaluation of the impact of the third party comments regarding indicators of value concerning Blizzard. This special committee concluded that we did not withhold from E&Y any documents that would have changed the conclusions reached by E&Y relative to the carrying value of Blizzard and its audit of our financial statements. After reviewing this evaluation, E&Y advised us that it had concluded that our audited 2002 financial statements and our unaudited interim financial statements for the quarters ended March 31, 2003 and June 30, 2003 did not require any restatement. Accordingly, no information has come to the Company's attention that would lead us to believe that an investor could no longer rely on E&Y's opinion on our 2002 audited financial statements.

In connection with the preparation of our financial statements for the year ended December 31, 2003, we believed that we had a reasonable basis for recording the Blizzard impairment charge in the fourth quarter of 2003; however, after further review of the issues relating to the timing of this charge, we determined in May 2004 that this charge should have been recorded in the third quarter of 2003. We filed an amended Form 10-Q for the period ended September 30, 2003 in May 2004 to reflect the impairment charges recorded during that period.

During our two fiscal years ended December 31, 2002 and December 31, 2003 and the interim period through the date of our engagement of BDO to perform the audit of our financial statements for the year ended December 31, 2003, we did not consult with BDO regarding (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that BDO concluded was an important factor considered by us in reaching a decision as to an accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in paragraph 304(a)(1)(iv) of SEC Regulation S-K and the related instructions to this item) or a reportable event (as described in paragraph 304(a)(1)(v) of SEC Regulation S-K), except as follows:

On April 2, 2004, our Audit Committee engaged BDO to perform agreed-upon procedures with respect to our financial statements for the year ended December 31, 2003. Due to our Audit Committee's concerns that the concurrent involvement of two auditing firms might create the appearance that we were shopping for a particular audit opinion, the terms of our April 2, 2004 engagement of BDO stated that BDO was not to conduct a compilation, review or audit, but rather was to conduct only certain agreed upon procedures. We agreed with BDO that the procedures would be conducted solely in order to assist BDO in completing a potential future audit of our financial statements in the event the Audit Committee subsequently engaged BDO to opine on our financial statements. Since the agreed upon procedures specified in our engagement agreement were to be conducted in preparation for a possible future audit, they included a majority of the procedures that would have been necessary in order for BDO to opine with respect to our financial statements. The specific procedures were proposed by BDO and were jointly accepted by BDO and us without modification. We have been advised by BDO that, as of April 14, 2004, the date on which we engaged BDO to become our independent auditor, BDO had completed approximately 64% of the hours that they eventually worked to complete their audit, but a significant portion of the manager and partner review had not yet been completed.

Subsequent to engaging BDO to perform these agreed-upon procedures, we consulted with BDO concerning the need to include separate audited financial statements of Blizzard in our Annual Report for the year ended December 31, 2003. BDO orally advised us that separate audited Blizzard financial statements were required to be included in this Annual Report. This advice was consistent with the advice previously received by us from PwC on this issue, no disagreement on this issue existed between PwC and us, and we subsequently filed these financial statements in our Annual Report for the year ended December 31, 2003, together with our financial statements.

During the course of BDO's performance of the above agreed-upon procedures, we did not solicit or receive any oral or written opinion from BDO with respect to the proper accounting treatment for the allocation of the purchase price paid by us in connection with our merger with Global Genomics or the subsequent carrying value of our investment in Blizzard. However, we did discuss with BDO our views on the proper accounting treatment for these items and provided BDO with certain of our accounting records, a valuation analysis prepared by a valuation firm in 2002 utilized by management in connection with its allocation of the

purchase price for the Global Genomics merger and an analysis prepared in April 2004 by another valuation firm covering certain aspects of the allocation of that purchase price and the subsequent carrying value of Blizzard.

**Tax Fees**

We did not engage BDO to perform any tax-related services for the year ended December 31, 2005. The aggregate fees billed by BDO for professional services for tax compliance, tax advice and tax planning for the year ended December 31, 2004 were \$20,000.

**Appointment of BDO Seidman, LLP**

BDO currently serves as our independent registered public accounting firm and has audited our financial statements for the years ended December 31, 2005, 2004 and 2003. BDO does not have and has not had any financial interest, direct or indirect, in CytRx, and does not have and has not had any connection with CytRx except in its professional capacity as our independent auditors.

Our Audit Committee has reappointed BDO to serve as our independent registered public accounting firm for the year ending December 31, 2006. The ratification by our stockholders of the appointment of BDO is not required by law or by our Bylaws. Our Board of Directors, consistent with the practice of many publicly held corporations, is nevertheless submitting this appointment for ratification by the stockholders. If this appointment is not ratified at the Annual Meeting, the Audit Committee intends to reconsider its appointment of BDO. Even if the appointment is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year if the Committee determines that such a change would be in

the best interests of CytRx and its stockholders.

Any material non-audit services to be provided by BDO are subject to the prior approval of the Audit Committee. In general, the Audit Committee's policy is to grant such approval where it determines that the non-audit services are not incompatible with maintaining the independent registered public accounting firm's independence and there are cost or other efficiencies in obtaining such services from the independent registered public accounting firm as compared to other possible providers.

We expect that representatives of BDO will be present at the Annual Meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.
