**CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT**

The Company was notified by its existing US GAAP accountants, KPMG (Registered), an Indian partnership, ( KPMG India ) that for the fiscal year ended March 31, 2004, KPMG LLP, a UK limited liability partnership ( KPMG LLP ) would serve as the Company's US GAAP accountants. The change was made at the request of KPMG India.

The Company reports financial results in accordance with both US GAAP and Indian GAAP. Under the rules promulgated by the US Securities and Exchange Commission (the SEC ), the change from KPMG India to KPMG LLP for fiscal years ended March 31, 2004 and forward constitutes a change in the registrant's certifying accountants. The change, however, is likely to be transitory, with KPMG India expected to be re-appointed as the Company's US GAAP accountants once it has successfully completed its registration with the U.S. Public Company Accounting Oversight Board (the PCAOB ). There has been no change in the company's Indian GAAP accountants, Bharat S. Raut and Co.

The reports of KPMG India on the Company's financial statements for each of the fiscal years ended March 31, 2002 and 2003 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended March 31, 2002 and 2003 and through the date of change of accountants, there were no disagreements with KPMG India on any matter of accounting principle or practice, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of KPMG India, would have caused them to make reference to the subject matter in connection with their reports on the Company's financial statements for such years. There were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided KPMG India with a copy of the foregoing disclosures. Attached as Exhibit 99.1 is a copy of the letter of KPMG India, dated April 12, 2004, stating its agreement with such statements.
