Amended Outside Director Compensation Program

On January 26, 2006, the Board of Directors of PlanetOut Inc. (the Company) amended the compensation program for the Company's non-employee directors (Outside Directors) that it had adopted on December 22, 2005 (the Outside Director Compensation Program). A complete description of the Outside Director Compensation Program was provided in, and filed as an exhibit to, the Company's Current Report on Form 8-K filed with the SEC on December 23, 2005, and it is incorporated herein by reference. The Outside Director Compensation Program, which the Company adopted in order to retain and attract the services of qualified members of the Board, initially excluded one of the Company's Outside Directors, Karen Magee, pending approval from her current employer for her participation in the Outside Director Compensation Program. Ms. Magee received such approval from her current employer in early January 2006. Upon recommendation of the Company's Compensation Committee, the Board approved an amendment to the Outside Director Compensation Program on January 26, 2006 to allow Ms. Magee's participation, while keeping all other provisions of the Outside Director Compensation Program in place and unchanged. Pursuant to this amendment, on January 26, 2006, Ms. Magee received a grant of 13,500 non-statutory stock options, subject to the same vesting provisions and transfer restrictions as the other Outside Directors' grants received in December 2005. Ms. Magee will also receive the same cash and equity compensation as the other Outside Directors under the Outside Director Compensation Program.

Company President Compensation Adjustment

On January 26, 2006, in conjunction with his annual salary review and upon recommendation of the Compensation Committee, the Board approved a grant of 2,500 shares of restricted common stock of the Company (Restricted Shares) to the Company's President, Mark Elderkin. The Restricted Shares are subject to forfeiture should Mr. Elderkin leave the Company before the Restricted Shares are fully vested. One-fourth of such Restricted Shares will vest on the first anniversary of grant and 1/48th will vest each month thereafter. The Compensation Committee also approved an approximately 6% increase in Mr. Elderkin's annual salary, from \$245,000 to \$260,000, with an effective date of January 1, 2006.

A summary of the amendment to the Outside Director Compensation Program and a summary of the Company President Compensation Adjustment are filed as an exhibit hereto and are incorporated herein by reference.
