INFORMATION ABOUT CITIZENS, INC.

We are a leading insurance holding company serving the life insurance needs of individuals in the United States and around the world. We presently receive life insurance applications from 36 countries outside of the U.S. We pursue a strategy of offering ordinary life insurance products in niche markets where we believe we are able to achieve competitive advantages. Our core operations include:

the issuance of ordinary life insurance in U.S. Dollar-denominated amounts to foreign nationals through outside marketing consultants, principally in Latin America and the Pacific Rim; and

offering final expense ordinary life insurance through our home service distribution channel.

We have provided our insurance products internationally since 1975 and domestically since 1969. We believe we are one of the leading writers of U.S. Dollar-denominated ordinary life insurance in the international market. In October 2004, we entered the home service distribution channel through the acquisition of Security Plan Life Insurance Company, a significant provider of final expense ordinary life insurance in Louisiana. We also provide ordinary life insurance to middle income individuals in various markets in the midwest and southern United States, as well as small face amount property insurance in Louisiana.

We market our products through our network of 3,000 marketing consultants, independent agents and employee agents, and provide underwriting, investment and administrative functions through 170 employees in our executive offices in Austin, Texas and a support center in Donaldsonville, Louisiana.

We were formed in 1969 by our Chairman, Harold E. Riley, who had many years of past experience in international and domestic life insurance before forming our Company. Since then, our business has grown significantly, both internationally and domestically. Revenues rose from \$99.9 million in 2004 to \$142.1 million in 2005 and to \$158.1 million in 2006. Since 1987, we have completed and integrated the acquisitions of 14 life insurance companies in the United States. We continue to seek acquisitions of other domestic life insurance companies as well as expand our life insurance business.

During the five years ended December 31, 2006, our assets grew from \$326.3 million to \$711.2 million, and total stockholders' equity increased from \$101.8 million to \$139.6 million. Total assets and total stockholders' equity increased to \$721.7 million and \$143.4 million, respectively, at March 31, 2007.

We organize and manage our life insurance business through two primary operating business segments, Life Insurance and Home Service Insurance. We exited the Domestic Health segment in 2004.

Our principal executive office is located at 400 East Anderson Lane, Austin, Texas 78752, and our telephone number is (512) 837-7100.

RISK FACTORS

Before making an investment decision, you should carefully consider the specific risks set forth under the caption Risk Factors in the applicable prospectus supplement, under the caption Risk Factors as set forth in Item 1A of our Form 10-K for the year ended December 31, 2006, filed on March 30, 2007, and Amendment No. 1 to our Form 10-K filed on May 25, 2007, and under the caption Risk Factors as set forth in Item 1A in our Form 10-Q for the quarter ended March 31, 2007, which are incorporated by reference in this prospectus, and any subsequent report that is incorporated by reference into this prospectus.

The risks and uncertainties set forth under these captions in the above documents are not the only ones we face. Additional risks and uncertainties not presently known to us, or that we currently deem not material, may also adversely affect our business. Any of the risks discussed in this report or that are presently unknown or not material, if they were to actually occur, could result in a significant adverse impact on our business, operating results, prospects or financial condition.

USE OF PROCEEDS

Unless the applicable prospectus supplement states otherwise, we expect to use the net proceeds of the sale of our Class A common stock for general corporate purposes, including, but not limited to, acquisitions of insurance-related companies, repayment of existing indebtedness and for working capital, including capital contributions to insurance subsidiaries. As of the date of this prospectus, we have not identified as probable any specific material proposed uses of these proceeds. If, as of the date of any prospectus supplement, we have identified any such uses, we will describe them in the prospectus supplement. The amount of our Class A common stock offered from time to time pursuant to this prospectus and any prospectus supplement, and the precise amounts and timing of the application of net proceeds from the sale of those shares of our Class A common stock, will depend upon our funding requirements. If we elect at the time of an issuance of our Class A common stock to make different or more specific use of proceeds than described in this prospectus, such use will be described in the prospectus supplement relating to those shares of our Class A common stock.

SUMMARY OF RIGHTS OF HOLDERS OF CLASS A COMMON STOCK

We have issued two classes of common stock, Class A and Class B common stock. The Class B stockholders have the right to elect a majority of our board of directors, and the Class A stockholders elect the remaining directors. Cumulative voting is not allowed in the election of directors. A majority vote of all outstanding shares of the Class A and Class B common stock, each voting separately as a class, would be required for approval of extraordinary corporate transactions, such as our merger with another corporation or the sale of substantially all of our assets. A majority vote of a quorum (which consists of one-third of all shares entitled to vote) is sufficient to approve other actions. Although we have never paid cash dividends on any of our common stock, if we were to do so, the Class A common stock would be entitled to twice the amount per share paid on the Class B common stock. Our common stockholders have no preemptive rights to acquire stock issued by us.

In addition to the foregoing summary of the rights of the holders of our Class A common stock, you should also refer to the description of our common stock incorporated by reference under Incorporation of Certain Information by Reference on page 9 below.

PLAN OF DISTRIBUTION

We will sell shares of our Class A common stock pursuant to this prospectus and an accompanying prospectus supplement through agents on our behalf or through underwriters or dealers, or directly to purchasers or our stockholders, as designated from time to time. These distributions may include underwritten public offerings, negotiated transactions, block trades or a combination of these methods. If any agents or underwriters are involved in the sale of any of our Class A common stock, the applicable prospectus supplement will provide the names of the agents or underwriters and any applicable fees, commissions or discounts.

Also, pursuant to a July 12, 2004 Securities Purchase Agreement, we have agreed that the holders of our Series A preferred stock will have certain preferential rights to purchase a portion of the Class A common stock that we may issue under this prospectus and any prospectus supplement. As set forth in the Securities Purchase Agreement, in offerings conducted on a firm commitment, underwritten basis, the holders of our preferred stock will have the right to purchase up to the lesser of 10% of the number of Class A common shares, or \$25 million, in proportion to their respective holdings of Series A preferred stock. Otherwise, unless certain exceptions apply, the preferred holders generally will be entitled to purchase up to 50% of the number of shares of Class A common stock that we may offer or sell.

We may distribute our Class A common stock from time to time in one or more transactions:

at a fixed price or prices, which may be changed;

at market prices prevailing at the time of sale; or

at prices related to such prevailing market prices; or

we may directly solicit offers to purchase shares of the Class A common stock being offered by this prospectus and any related prospectus supplement.

We may also designate agents to solicit offers to purchase our Class A common stock from time to time. We will name in a prospectus supplement any agent involved in the offer or sale of the shares of Class A common stock.

If we utilize a dealer in the sale of our Class A common stock being offered by this prospectus, we will sell the shares to the dealer, as principal. The dealer may then resell the Class A common stock to the public at varying prices to be determined by the dealer at the time of resale.

If we utilize an underwriter in the sale of our Class A common stock being offered by this prospectus, we will execute an underwriting agreement with the underwriter at the time of sale, and we will provide the name of any underwriter in the prospectus supplement that the underwriter will use to make resales of the shares of Class A common stock to the public. In connection with the sale of our Class A common stock, we, or the purchasers of the Class A common stock for whom the underwriter may act as agent, may compensate the underwriter in the form of underwriting discounts or commissions. The underwriter may sell our Class A common stock to or through dealers, and the underwriter may compensate those dealers in the form of discounts, concessions or commissions.

We will set forth in the applicable prospectus supplement any compensation we pay to underwriters, dealers or agents in connection with the offering of our Class A common stock, and any discounts, concessions or commissions allowed by underwriters to participating dealers. Underwriters, dealers and agents participating in the distribution of our Class A common stock may be deemed to be underwriters within the meaning of the Securities Act of 1933 (the Securities Act), and any discounts and commissions received by them and any profit realized by them on resale of our Class A common stock may be deemed to be underwriting discounts and commissions. We may enter into agreements to indemnify underwriters, dealers and agents against civil liabilities, including liabilities under the Securities Act, or to contribute to payments they may be required to make in respect thereof.

We may authorize underwriters, dealers or agents to solicit offers by certain purchasers to purchase our Class A common stock from us at the public offering price set forth in the prospectus supplement. These purchases will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions we pay for solicitation of these purchases.

To facilitate the offering of our Class A common stock, certain persons participating in the offering may engage in transactions that stabilize, maintain or otherwise affect the price of the Class A stock. This may include over-allotments or short sales of our Class A common stock, which involves the sale by persons participating in the offering of more of our Class A common stock than we sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option. In addition, these persons may stabilize or maintain the price of the Class A common stock by bidding for or purchasing our Class A common stock in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating

in the offering may be reclaimed if the shares of Class A common stock sold by them are repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of our Class A common stock at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

The underwriters, dealers and agents may engage in transactions with us, or perform services for us, in the ordinary course of business.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution.

ITEM 17. UNDERTAKINGS

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume

and price represent no more than a 20 percent change in

the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that

(A) the undertakings set forth in paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement; and

(B) the undertakings set forth in paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of the registration statement.

(C) *provided further, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the registration statement is for an offering of asset-backed securities on Form S-1 or Form S-3, and the information required to be included in a post-effective amendment is provided pursuant to Item 1100(c) of Regulation AB.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after

effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of

Table of Contents

Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
