GENERAL INFORMATION

Why did I receive this proxy statement?

This proxy statement is furnished in connection with the solicitation of proxies on behalf of our Board of Directors (the Board) to be voted at the annual meeting of our stockholders to be held on May 20, 2009, and any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The meeting will be held at our headquarters, 4300 Wildwood Parkway, Atlanta, Georgia 30339, on Wednesday, May 20, 2009 at 1:00 p.m. Eastern Time. This proxy statement and accompanying proxy card are being first sent or given to our stockholders on or about April 16, 2009. Our annual report on Form 10-K for the year ended January 3, 2009, accompanies this proxy statement.

Who is soliciting my vote?

Our Board is soliciting your vote at the 2009 Annual Meeting of BlueLinx Stockholders.

Who is entitled to vote?

Only our stockholders of record at the close of business on April 3, 2009, the Record Date, are entitled to receive notice of the meeting, attend the meeting and to vote the shares of our common stock that they held on that date at the meeting, or any adjournment thereof. Each outstanding share that you own as of the Record Date entitles you to cast one vote on each matter to be voted upon.

Who can attend the meeting?

All stockholders of record as of the close of business on the Record Date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date. If you are a stockholder of record, your name will appear on our stockholder list.

What will I vote on?

Two items:

the election of ten directors to our Board; and

the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2009.

Will there be any other items of business on the agenda?

We do not expect any other items of business at the meeting. Nonetheless, if there is an unforeseen matter raised, your proxy will give discretionary authority to the persons named on the proxy to vote on any other matters that may be brought before the meeting. These persons will use their best judgment in voting your proxy.

How many votes must be present to conduct business at the meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the Record Date will constitute a quorum, permitting business to be conducted at the meeting. As of the Record Date, we had 32,642,043 shares of common stock outstanding. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted

Table of Contents

as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing either a notice of revocation or a duly executed proxy bearing a later date with our secretary, at our principal executive offices, BlueLinx Holdings Inc., attn: Corporate Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339. The powers of the proxy holder(s) will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the recommendations of our Board of Directors?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board. Our Board recommends a vote **FOR** the election of the nominated slate of directors and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2009.

What vote is required to approve each item?

Election of Directors. A nominee will be elected as a director if he receives a plurality of the votes cast at the meeting. Plurality means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. In other words, the ten director nominees receiving the most votes will be elected. Broker non-votes and marking your proxy card to withhold authority for all or some nominees will not be counted either for or against a director nominee.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2009. Abstentions and broker non-votes will not be counted either for or against this proposal.

Are abstentions and broker non-votes part of the quorum?

Abstentions, broker non-votes and votes withheld for director nominees or the ratification of our independent registered public accounting firm count as shares present at the meeting for purposes of determining whether a quorum is present.

What if I don't vote for some or all of the matters listed on my proxy card?

If you are a registered stockholder and you return a signed proxy card without indicating your vote for some or all of the matters, your shares will be voted as follows for any matter you did not indicate a vote on:

FOR the director nominees to the Board listed on the proxy card; and

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2009.

How will proxies be solicited?

Proxies will be solicited by mail. Proxies may also be solicited by our officers and regular employees personally or by telephone or facsimile, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of our common stock. We will pay the expense of preparing, assembling, printing, mailing and soliciting proxies.

Is there electronic access to the proxy materials and annual report?

Yes. This proxy statement and our annual report on Form 10-K are available on our website at www.bluelinxco.com.

Who are our largest stockholders?

As of the date of this proxy statement, Cerberus ABP Investor LLC, an affiliate of Cerberus Capital Management, L.P., or Cerberus, owned 18,100,000 shares of our common stock, representing approximately 55% of the then outstanding shares of common stock of BlueLinx.

PROPOSAL 1:

ELECTION OF DIRECTORS

Our Board currently consists of ten members. Each of our current directors has been nominated for reelection and has consented to stand for reelection.

The terms of all of the members of our Board will expire at the next annual meeting after their election, or until their successors, if any, are elected and appointed. If, for any reason, any of the nominees become unavailable for election, the individuals named in the enclosed proxy card may exercise their discretion to vote for any substitutes proposed by the Board. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

Our Board unanimously recommends a vote FOR each of the following nominees:

Howard S. Cohen

Charles H. McElrea

Richard S. Grant

Alan H. Schumacher

George R. Judd

Mark A. Suwyn

Richard B. Marchese

Robert G. Warden

Steven F. Mayer

PROPOSAL 2:

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our board of directors has selected Ernst & Young LLP to serve as our independent registered public accounting firm for fiscal year 2009. Ernst & Young LLP has served as our independent registered public accounting firm since our inception. While stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise, our board is submitting the selection of Ernst & Young LLP to our stockholders for ratification. If our stockholders fail to ratify the selection, the audit committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the audit committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the fiscal year if it determines that such a change would be in our best interests and that of our stockholders.

Ernst & Young LLP has advised us that it has no direct, nor any material indirect, financial interest in us or any of our subsidiaries. We expect that representatives of Ernst & Young LLP will be present at the meeting to make any statement they may desire and to respond to appropriate questions from our stockholders.

Table of Contents**Fees Paid To Independent Registered Public Accounting Firm**

The following table presents the aggregate fees billed by Ernst & Young LLP for professional services for fiscal years 2008 and 2007, by category as described in the notes to the table:

	2008	2007

Audit-Related Fees(2)	145,000	209,695
Tax Fees		
All Other Fees		
TOTAL	\$ 1,705,000	\$ 2,509,695

(1) Primarily includes fees related to audits of our consolidated financial statements, and reviews of interim financial statements and disclosures in filings with the Securities and Exchange Commission (SEC). Audit fees also included fees related to the audit of internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

(2) Primarily consists of fees billed for services related to benefit plan audits.

Pre-Approval of Audit and Non-Audit Services

The charter of the Audit Committee provides that the Committee is responsible for the pre-approval of all material audit services and non-audit services to be performed for us by our independent registered public accounting firm. There were no non-audit related services performed by Ernst & Young LLP for us during either fiscal year 2008 or fiscal year 2007. To the extent required by applicable law, the fees paid to the independent registered public accounting firm described above for fiscal years 2008 and 2007 were pre-approved by the Audit Committee. The Audit Committee may delegate to one or more of its members the authority to grant such pre-approvals. The decisions of any such member shall be presented to the full Audit Committee at each of its scheduled meetings.

Our board unanimously recommends a vote FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2009.

INFORMATION ABOUT THE BOARD OF DIRECTORS

Our Board met seven times during 2008. Each incumbent director attended at least 75% of the total of all board and committee meetings he was entitled to attend during 2008.

Our Board has reviewed the independence of each of its members based on the criteria for independence set forth under applicable securities laws, including the Securities Exchange Act of 1934, as amended (the Exchange Act), applicable rules and regulations of the SEC and applicable rules and regulations of the New York Stock Exchange (NYSE). The NYSE Listed Company Manual and corresponding listing standards provide that, in order to be independent, the Board must determine that a director has no material relationship with the Company other than as a director. The Board has reviewed the relationships between each Board member and the Company. Based on its review, the Board has affirmatively determined, by resolution of the Board as a whole, that the following directors

have no material relationship with us or any other matter of any kind that would impair their independence for purposes of serving on our Board and, therefore, satisfy the requirements to be considered independent under the NYSE listing standards applicable to the Board as well as satisfy the independence requirements applicable to audit committee membership: Richard S. Grant, Richard B. Marchese and Alan H. Schumacher.

As further described under Controlled Company, below, because we are a controlled company, we are exempt from the requirement that our Board be comprised of a majority of independent directors. Five members of our current Board are current or former employees of, or advisors to, Cerberus, the indirect holder of a majority of the outstanding shares of our common stock, and as such are not independent.

Table of Contents

Our business and affairs are managed by our Board. To assist it in carrying out its responsibilities, our Board has established the two standing committees described below, under Committees of the Board of Directors. The charter for each of these committees, as in effect from time to time, may be found on our website, www.bluelinxco.com. Each of these committees has the right to retain its own legal counsel and other advisors. All directors are encouraged to attend the annual meeting of stockholders. On the date of the 2008 annual meeting of stockholders there were nine members of the Board and eight members were present at the meeting.

Lead Director

The lead director's duties generally include serving as the chairperson for all executive sessions of the non-management directors and communicating to the Chief Executive Officer the results of non-management executive board sessions. Mr. Cohen, the Chairman of the Board, currently serves as the Company's lead director. Any interested party may contact the lead director by directing such communications to the lead director c/o Corporate Secretary, BlueLinx Holdings Inc., 4300 Wildwood Parkway, Atlanta, Georgia 30339. Any such correspondence received by us will be forwarded to the lead director.

Committees of the Board of Directors

The Audit Committee

Our Board established a separately-designated standing Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act. The purpose of the Audit Committee is to assist our Board in fulfilling its responsibilities to oversee our financial reporting process, including monitoring the integrity of our financial statements and the independence and performance of our internal and external auditors. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm.

The Audit Committee met ten times in 2008. The Audit Committee currently consists of Messrs. Grant, Marchese and Schumacher. As discussed above, our Board has affirmatively determined that Messrs. Grant, Marchese and Schumacher are each independent, as such term is defined under the rules of the SEC and the listing standards of the NYSE applicable to audit committee membership, and each meets the NYSE's financial literacy requirements. Pursuant to its charter, the Audit Committee is comprised of at least three members appointed by our Board. Our Board has determined that Mr. Schumacher is an audit committee financial expert, as such term is defined under the applicable rules of the SEC.

The Audit Committee operates pursuant to a written charter, a copy of which can be found on our website at www.bluelinxco.com. Additionally, the audit committee charter is available in print to any stockholder who requests it by writing to BlueLinx Holdings Inc., attn: Corporate Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339.

The Audit Committee has adopted a procedure to receive allegations on any fraudulent accounting issues through a toll-free telephone number as set out in our code of conduct and ethics. See Corporate Governance Guidelines and Code of Ethics below.

The Compensation Committee

The Compensation Committee oversees the determination of all matters relating to employee compensation and benefits and is empowered to: (1) establish a compensation policy for executive officers, including setting base salaries and incentive compensation; (2) review compensation practices and trends; (3) make recommendations as to compensation levels for executive officers; (4) approve employment contracts; (5) administer our equity and other incentive plans; and (6) undertake administration of other employee benefit plans. The Compensation Committee

currently consists of Messrs. Marchese, Schumacher and Suwyn, and met seven times during 2008. As further described under "Controlled Company" below, because we are a controlled company, we are exempt from the requirement that the Compensation Committee be comprised

Table of Contents

solely of independent directors. Mr. Suwyn was formerly an advisor to Cerberus, and as such, is not considered independent.

The Compensation Committee has formally engaged Hewitt Associates to serve as an advisor to the Committee on executive compensation issues and to provide recommendations as to executive compensation levels. Hewitt provides ongoing executive compensation advisory services for the Committee as its independent compensation consultant. Pursuant to the terms of its written charter, the Compensation Committee may delegate certain of its duties and responsibilities to a subcommittee consisting of one or more members of the Committee, or to executive officers of the Company. The Compensation Committee operates pursuant to a written charter, a copy of which can be found on our website at www.bluelinxco.com. Additionally, the charter is available in print to any stockholder who requests it by writing to BlueLinx Holdings Inc., attn: Corporate Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339.

For more information on the role of the Compensation Committee and its processes and procedures for considering and determining executive officer compensation, see Compensation Discussion and Analysis beginning on page 11 of this proxy statement.

Controlled Company

We are a controlled company for purposes of the NYSE listing requirements. Our basis for this determination is that Cerberus ABP Investor LLC, an affiliate of Cerberus, owns 18,100,000, or approximately 55% of the outstanding shares of our common stock as of the record date of this proxy statement. Accordingly, we are exempt from the NYSE listing requirements that would otherwise mandate (1) a majority of independent directors on our Board, (2) a nominating committee of our Board, comprised solely of independent directors, to select or recommend nominees to our Board, and (3) a compensation committee of our Board, comprised solely of independent directors, to determine the compensation of our executive officers.

Nomination Process

Because we are a controlled company, we do not have a standing nominating committee comprised solely of independent directors or any other committee performing similar functions. Such matters are considered at meetings of our full Board. Due to the size of our Board, we do not foresee an immediate need to establish a separate nominating committee or adopt a charter to govern the nomination process. In addition, because we are a controlled company, we do not have a policy regarding our consideration of nominations or recommendations for director candidates by other stockholders. To the extent we receive any such nominations or recommendations, they will be considered at such time based on such factors as the Board considers relevant.

Our Board has generally used an informal process to identify and evaluate director candidates. We believe that identifying and nominating highly skilled and experienced director candidates is critical to our future. Our Board has previously engaged third parties to assist it in identifying qualified independent director candidates. Our Board encourages all directors, independent or otherwise, to identify potential director nominees. As a result, our Board believes that it is presented with a diverse and experienced group of candidates for discussion and consideration.

During the evaluation process, our Board seeks to identify director candidates with the highest personal and professional ethics, integrity and values. In the context of the needs of our Board at any given point in time, our Board will seek candidates with diverse experience in business, finance and other matters relevant to a company such as ours, prominence in their profession, concern for the interests of our stockholders and an understanding of our business. Additionally, our Board requires that director nominees have sufficient time to devote to our business and affairs.

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our equity securities, to file initial reports of ownership and reports of changes in ownership with the SEC. Based solely on our review of the copies of such reports received by us with respect to transactions during 2008, or written representations from certain reporting persons, we believe that our directors, executive officers and persons who own more than 10% of our equity securities have complied with all applicable filing requirements for 2008.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of the Board of Directors, referred to in this discussion as the Committee, is responsible for reviewing, establishing and approving the compensation of our named executive officers. Compensation paid to our Chief Executive Officer, Chief Financial Officer and the other named executive officers identified in the Summary Compensation Table is set forth under Compensation of Executive Officers below. The following discussion and analysis focuses on compensation to our named executive officers for 2008.

The Committee regularly consults with management regarding employee compensation matters. Mr. Judd's compensation was adjusted on November 1, 2008 when he entered into an employment agreement with the Company to serve as our Chief Executive Officer. Our Board of Directors established a Search Committee in March 2008 to lead and coordinate the search for a permanent chief executive officer. The Search Committee included Messrs. Suwyn, Schumacher, Grant, and Cohen. The Search Committee engaged an executive search firm to assist in identifying qualified candidates for the chief executive officer role. The Search Committee members interviewed internal and external candidates for the role before ultimately recommending Mr. Judd for the position. The terms of his employment agreement were established based on a review of the compensation he was receiving in his capacity as our President and Chief Operating Officer, the compensation necessary to hire a qualified chief executive officer from outside of the Company, as well as our review of the market data for chief executive officer compensation at comparator companies which was provided to the Committee by its outside compensation consultant, Hewitt Associates, in its 2008 compensation benchmarking survey.

Our Chief Executive Officer makes compensation recommendations to the Committee for the other named executive officers. The Committee also considers market factors in making decisions about our compensation program. In this regard, in 2005, the Committee retained Hewitt Associates to advise it on executive compensation matters and to provide compensation recommendations as to our executive officers. The Committee and the Company periodically discuss compensation issues and solicit compensation advice and recommendations from Hewitt. At the request of the Committee, Hewitt provided an updated compensation benchmarking study to the Company in October 2008. The following discussion and analysis, which was reviewed and approved by the Committee, analyzes the objectives and results for 2008 of our named executive officer compensation policies and procedures.

Compensation Policies and Objectives

Our primary goal is to establish a compensation program that serves the long-term interests of the Company and our stockholders by aligning management's interests with that of our stockholders through equity ownership and by promoting the attainment of certain individual and corporate goals. In addition, our compensation program is designed to attract and retain top quality executives with the qualifications necessary for the long-term financial success of the Company.

Our executive compensation program is based on the following principles:

Compensation decisions are driven by a pay-for-performance philosophy, which takes into account performance by both the Company and the individual;

Table of Contents

Performance is determined with reference to pre-established goals, both with respect to the Company and the individual, which we believe enhances the individual executive's performance;

Where possible, a significant component of total direct compensation should consist of variable compensation;

Total compensation opportunity should be comparable to the median ranges in the marketplace within which we compete; and

Increased compensation can be earned through an individual's increased contribution to the Company.

Compensation programs in which our named executive officers participate are designed to be competitive with the compensation programs of companies with whom we compete for executive talent in order to enhance our ability to attract and retain key executive leadership. In this regard, the Committee directed the Company to engage Hewitt Associates to perform a benchmark study of the Company's compensation structure in 2008. In evaluating our compensation program, the Committee considered the level of compensation paid to executive officers in comparable executive positions within a comparator group consisting of eighteen distribution companies and two building products companies selected by BlueLinx with annual revenues between \$645 million and \$10.8 billion. The companies within the group were selected based on size, industry focus and organizational status and we believe as a group they represent the appropriate comparable labor market for executive talent. This group comprised the following companies: Amcon Distributing Company; Andersons Inc.; Applied Industrial Technologies Inc.; Beacon Roofing Supply Inc.; Building Materials Holding Corporation; Builders FirstSource Inc.; Fastenal Company; GATX Corp.; Genuine Parts Company; Huttig Building Products Inc.; Interline Brands Inc.; MSC Industrial Direct; Nash Finch Co.; RSC Holdings Inc.; Rush Enterprises Inc.; United Rentals Inc.; Universal Forest Products; Watsco Inc.; Wesco International Inc.; and WW Grainger Inc.

Hewitt's comprehensive benchmarking study focused on a number of elements to compare the Company to companies within these comparator groups, including base salaries, target bonuses and actual bonuses paid, actual annual equity awards, total cash compensation, benefits and total compensation. The Company and the Committee reviewed information from these comparator companies to assist them in establishing the compensation program for the Company, setting our executive officers' compensation and benefits to be competitive with those of executive officers in similar positions at these comparator companies and to achieve a balance of incentives to help achieve our performance objectives. The Committee periodically consults with Hewitt on compensation issues and may periodically engage consultants in the future to advise on the ongoing competitiveness of our compensation programs as warranted. In addition, the Committee periodically reviews and revises salary ranges and total compensation programs to develop compensation ranges that it believes will position us within the same range as market salaries for similar positions in our industry based on market information obtained from consultation with Hewitt, informal market surveys, various trade group publications and other publicly available information.

Elements of Compensation

Compensation for our named executive officers consists of four general components:

Base salary;

Annual performance-based cash awards;

Long-term equity incentive compensation; and

Other perquisite and benefit programs.

The appropriate mix and amount of compensation for each executive officer varies based on the level of the executive's responsibilities, as determined by the Committee in consultation with our Chief Executive Officer. Our Chief Executive Officer's compensation structure is largely established by his employment agreement. The Committee may increase any component of compensation provided by an employment agreement to any of our named executive officers. There is no established policy or formula for allocating any

Table of Contents

individual's total compensation between cash and non-cash, or between short-term and long-term incentives. This approach is designed to provide the Company with flexibility to respond to marketplace and individual factors in attracting and retaining executive talent and encouraging performance.

Several members of the Company's executive team are relatively new to BlueLinx or new to their positions with the Company and therefore certain elements of their compensation, including base salary and, in some cases, short and long-term incentives, were established in an effort to attract them to join BlueLinx or in connection with their promotion. In establishing these compensation structures, the Committee applied the principles described in this discussion below, as well as individual considerations to attract the executive officer to join BlueLinx or in connection with a promotion.

Mr. Judd, our President and Chief Executive Officer, entered into an employment agreement with the Company in November 2008, which was approved by the full Board of Directors. Pursuant to the agreement, his annual base salary was established at \$600,000. Prior to entering into this agreement, Mr. Judd served as the Company's President and Chief Operating Officer with an annual base salary of \$450,000. Mr. Judd's salary was adjusted to reflect his new responsibilities as chief executive officer of the Company. The Committee also reviewed the Hewitt Associates benchmark study and considered the level of compensation paid to chief executive officers within the comparator group of companies as a factor in establishing his new base salary.

Mr. Cohen, our current Chairman and former Executive Chairman and Interim Chief Executive Officer entered into an agreement with the Company in March 2008 to serve as our Interim Chief Executive Officer until we employed a permanent chief executive officer. In establishing Mr. Cohen's compensation as Interim Chief Executive Officer, the Committee considered the fact that Mr. Cohen resigned from his position as a member of Cerberus' operations team so he could be heavily involved in the Company's operations during this transition period. The Committee determined it was critical to have an experienced chief executive officer lead the Company and protect its shareholders during the historic cyclical housing downturn and it would be extremely difficult to operate without a chief executive officer for the time period necessary to conduct an appropriate search for a permanent candidate. Mr. Cohen's Employment Agreement provided him with a base salary at the rate of \$750,000 per year. Pursuant to the terms of his Employment Agreement, he received options to purchase 750,000 shares of the Company's common stock and a restricted stock award of 750,000 restricted shares of the Company. Mr. Cohen's employment agreement was terminated on November 1, 2008, when the Company appointed Mr. Judd as its new Chief Executive Officer. At that time, he continued to serve as Executive Chairman with a base salary of \$750,000 but no longer participated in any of the Company's incentive plans. Effective April 1, 2009, Mr. Cohen's annual salary was reduced to \$240,000 and he is no longer employed by the Company. He continues to serve as Chairman of the Board of Directors.

Mr. Goforth, our Chief Financial Officer and Treasurer, entered into an employment agreement with BlueLinx effective February 18, 2008. Mr. Goforth's annual base salary was established at the rate of \$325,000 per year, prorated for the portion of any partial year during which he is employed by the Company. Mr. Goforth also received 60,000 restricted shares of the Company's common stock on February 18, 2008 as part of his incentive package to join the Company. He received additional equity grants described below pursuant to the Company's long term equity incentive plan. Based on his performance in 2008, particularly as it related to managing the Company's working capital and generating free cash flow for the Company and its shareholders, the Compensation Committee recommended that Mr. Goforth's base salary be increased to \$375,000 beginning in January 2009. Mr. Goforth requested that this recommended salary increase be deferred until business conditions improve and his annual base salary remained unchanged from 2008.

The annual base salary of Mr. Goodwin, our former Senior Vice President, Supply Chain, was \$267,048 in 2008. Mr. Goodwin was not covered by an employment agreement governing the terms of his compensation.

His annual base salary was adjusted to \$400,000 beginning in January 2009 based on the terms of the retention incentive agreement he and the Company entered into on April 1, 2008 as further

Table of Contents

discussed below. Mr. Goodwin departed the Company on April 1, 2009. In connection with his departure, Mr. Goodwin received a severance payment of \$500,000.

The annual base salary of Mr. Adelman, our Chief Administrative Officer, was \$233,034 for 2008. Mr. Adelman is not covered by an employment agreement governing the terms of his compensation. His base salary was adjusted to \$315,000 beginning in January 2009 in connection with his increased responsibilities related to his promotion from Vice President Human Resources to Chief Administrative Officer. The Committee also reviewed the Hewitt Associates benchmark study and considered the level of compensation paid to executive officers in comparable executive positions to Mr. Adelman within the comparator group of companies to establish his new base salary.

The Committee typically reviews and adjusts base salaries and awards of cash bonuses and equity-based compensation on an annual basis. Our former Chief Executive Officer presented recommendations and proposals on 2008 compensation, which were developed in consultation with our Chief Administrative Officer and other Company representatives, to the Committee, including recommended base salaries, recommended structure, target levels and payout levels for the annual cash bonus program under the Company's short term incentive plan (STIP), and recommended equity awards to executive officers, and management's rationale for its recommendations. The Compensation Committee considered these recommendations before determining compensation.

Base Salary

Base salaries represent a fixed portion of named executive officer compensation and vary by job responsibility. We provide base salary because it is standard in the marketplace and provides a stable part of compensation to encourage retention. Named executive officer salaries generally are reviewed and approved annually by the Committee. Additionally, periodic salary adjustments are considered upon a promotion, change in job responsibility or when otherwise necessary for equitable reasons. The Chief Executive Officer's base salary was established in his employment agreement, and the Committee consults with the Chief Executive Officer regarding the salaries of the other named executive officers. The Committee then considers such matters and approves base salary as to the named executive officers. The Committee primarily considers the recommendations of the Chief Executive Officer, market data, a general review of the executive's compensation (individually and relative to the other executives), and the individual performance of the executive.

Annual Bonuses

We utilize cash bonuses as an incentive to promote achievement of individual and Company performance goals. This component of compensation places more emphasis on our annual financial performance and the potential rewards associated with future performance of the Company and the individual executive. Annual bonuses are determined based on agreements with the individual executive as well as pursuant to the Company's STIP. Cash incentives are designed to:

- Support our strategic business objectives;
- Promote the attainment of specific financial goals;
- Reward achievement of specific performance objectives; and
- Encourage teamwork.

Under the STIP, an annual bonus pool is established and funded based solely on performance as measured against established business and/or financial goals at different levels of the Company's operating structure. The Committee establishes the bonus pool based on Company performance. In general, the bonus pool is allocated to each participant based on the participant's target bonus percentage (a percentage of such participant's current base salary) and the extent to which the Company and/or such participant's operating group(s) meets the established business and/or financial goals. Each of the named executive officers is a participant in the STIP, and each of their annual bonuses are subject to adjustment by the Committee, in its discretion, based on the executive's individual performance and contribution to the Company during the year. The threshold, target

Table of Contents

and maximum bonus percentages for 2008 for each of the named executive officers as a percentage of each executive's base salary were as follows:

	Threshold	Target	Maximum
Howard S. Cohen	37.5%	75%	150%
George R. Judd	32.5%	65%	130%
H. Douglas Goforth	30.0%	60%	120%
Duane G. Goodwin	32.5%	65%	130%
Dean A. Adelman	22.5%	45%	90%

In February 2008, the Committee approved the STIP goals for 2008, which provide for cash incentives upon the achievement of pre-established corporate goals. At such time, the Committee established the financial goals used in establishing bonus targets for 2008 under the STIP.

Generally, the Committee sets the target levels for financial performance metrics for the STIP in alignment with the Company's strategic plan. In making the annual determination of the threshold, target and maximum levels, the Committee may consider specific circumstances facing the Company during the year. For 2008, 50% of a named executive officer's potential STIP award was based on corporate earnings before interest, tax, depreciation and amortization (EBITDA) targets and 50% of the potential STIP was based on corporate free cash flow targets. Each objective is measured separately against a threshold, target and maximum goal. For 2008, these goals were as follows:

	Threshold (\$)	Target (\$)	Maximum (\$)
	(In millions)		
EBITDA	5.2	6.2	33.0
Free Cash Flow	0	0	20.0

We define EBITDA for these purposes as net earnings plus interest, taxes, depreciation and amortization, as adjusted for non-cash items and other items that are allowed at the discretion of the Committee. We define free cash flow as operating cash flow minus capital expenditures.

For purposes of STIP calculations, during 2008 the Company achieved EBITDA of \$11.2 million and free cash flow of \$176.4 million. The Committee determined that the Company's EBITDA achievement fell between the target and maximum payout levels for the named executive officers and free cash flow achievement exceeded the maximum payout level. The named executive officers were awarded the following bonuses based on the Company's achievement of these financial metrics established by the Committee in February 2008.

Howard S. Cohen	\$ 597,646
George R. Judd	\$ 466,172
H. Douglas Goforth	\$ 310,781
Duane G. Goodwin	\$ 276,645
Dean A. Adelman	\$ 250,000

Mr. Adelman's STIP award included a discretionary bonus in the amount of \$82,871. The Committee awarded Mr. Adelman this discretionary bonus in recognition for his achievements during 2008 and the additional

responsibilities he assumed in 2008 with his promotion from Vice President, Human Resources to Chief Administrative Officer. The Committee may in the future exercise similar discretion as to awards outside the STIP based on relevant factors at such time.

In February 2008, the Committee also approved a quarterly cash bonus program for the named executive officers whereby each named executive officer is eligible to receive a quarterly cash bonus for each quarter the Company exceeds its free cash flow plan for the quarter by more than \$1 million. The Committee approved this plan to incent the named executive officers to aggressively manage the Company's cash flow and protect the Company's resources during the continuing decline in the housing market. The Company exceeded its

Table of Contents

quarterly free cash flow plan by more than \$1 million for every quarter during 2008 and the following cash bonus awards were paid during the year to the named executive officers under the plan:

Howard S. Cohen	\$ 60,000
George R. Judd	\$ 80,000
H. Douglas Goforth	\$ 80,000
Duane G. Goodwin	\$ 80,000
Dean A. Adelman	\$ 80,000

For 2009, the Committee established the named executive officers' STIP financial performance objectives to be EBITDA (50%) and free cash flow (50%). Due to the continued weak outlook for the housing market, we believe it will be a challenge to achieve the target financial goals in 2009 for funding of the STIP at its target funding level. The maximum financial goals were designed to be difficult to achieve, and we believe they will be.

Long Term Equity Incentive Plan

The purpose of our Long Term Equity Incentive Plan, or LTIP, is to provide an incentive to our employees to work towards the achievement of our long term performance goals. A further purpose of the LTIP is to provide a means through which we may better attract able individuals to become employees of the Company by providing these individuals with stock ownership. We also consider the program a key retention tool. For all of these reasons, we believe this component of compensation further advances and aligns the interests of the Company and its stockholders. LTIP grants are made annually. On May 29, 2007, the Compensation Committee resolved to set the date on which annual LTIP grants would be made to executive officers to the second Tuesday of each fiscal year. The Committee has the discretion to make additional LTIP grants at any time during the year. Such grants generally will be in connection with new hires or promotions within the Company.

In making decisions regarding long-term equity incentive awards for named executive officers, the Committee reviews the comparable equity award data for similar positions in our industry, market data and data from our compensation consultant, and also considers other relevant factors, such as each individual's performance and responsibilities.

On January 8, 2008, the Committee awarded a total of 529,609 shares of restricted stock and 587,067 performance shares to the Company's executives, which included the following grants to the named executive officers: Mr. Judd (87,092 restricted shares and 96,558 performance shares); Mr. Goodwin (45,000 restricted shares and 45,000 performance shares); Mr. Adelman (23,203 restricted shares and 25,725 performance shares); Mr. Macadam (122,549 restricted shares and 135,870 performance shares) and Ms. Wentworth (65,359 restricted shares and 72,464 performance shares). Messrs. Macadam and Goodwin and Ms. Wentworth's awards were forfeited when they left the Company. The awards were structured so that each executive officer received 50% of their LTIP grant date fair value in the form of restricted shares and 50% of the grant date fair value in the form of performance shares. The restricted stock awards vest five years from the date of the grant but are subject to accelerated vesting in the event the Company's stock price reaches the following pre-established levels for at least 90 consecutive days:

	Cumulative Percentage of Award Shares Vested
Average Company Share Price Increases to \$4.14	33.333%
Average Company Share Price Increases to \$4.76	66.66%

Average Company Share Price Increases to \$5.48

100%

In no event can greater than 33.333% of the awards vest before one year from the date of the grant. These vesting targets were determined based on compounded stock price appreciation of 15% from the market price of our common stock of \$3.60 on the date of the grant and are used for compensatory purposes only. This rate of stock price appreciation is not the Committee's or the Company's estimate or projection of future prices for the Company's stock. On May 16, 2008, 33.333% of the January 2008 restricted share awards

Table of Contents

vested for those executives who were still employed by the Company on that date based on the appreciation in the Company's common stock price.

The number of performance shares issued to each executive represents a target number of shares to be issued to the recipient at the conclusion of the performance cycle on December 31, 2010 (subject to accelerated vesting in the event of a change of control, as defined in the LTIP). The performance measure vesting schedule in the award agreement is used to determine the actual amount of shares of Company common stock to be issued to the recipient, based on whether or not the Company meets certain targets for return on net assets for the performance period of 2008 through 2010. Based on the Company's financial results for 2008, the Company currently believes the actual number of shares that will vest will be below the target number of performance shares issued in January 2008. These targets were approved by the Compensation Committee in conjunction with the grant of performance share awards. Pursuant to the terms of the performance measure vesting schedule, a recipient may earn 0% to 150% of the number of targeted shares awarded to him or her in the Performance Share Award Agreement.

Additionally, pursuant to the terms of his Employment Agreement, on March 10, 2008, Mr. Cohen received options to purchase 750,000 shares of the Company's common stock and a restricted stock award of 500,000 restricted shares of the Company. Mr. Cohen received an additional 250,000 restricted shares of the Company's common stock on June 10, 2008 also pursuant to his Employment Agreement. The restricted shares and the options vest in three equal annual installments beginning on March 10, 2009. The exercise price of the options is \$4.66 per share based upon the price of the Company's common stock on the New York Stock Exchange at the time of the grant.

Pursuant to the terms of his Employment Agreement, Mr. Goforth was issued 40,000 shares of restricted stock and 42,000 performance shares subject to similar time and performance based vesting criteria as was established by the Committee for similar executive level grants issued to Company executives on January 8, 2008. Mr. Goforth vested in 13,333 of the shares of restricted stock on September 29, 2008 based on the appreciation in the Company's common stock price. In addition, Mr. Goforth received 60,000 restricted shares of the Company's common stock on February 18, 2008 as part of his incentive package to join the Company. The shares vest three years from the date of grant, but if Mr. Goforth's employment is terminated without cause or if he resigns for good reason within the first three years, these 60,000 shares will immediately vest.

Further information on equity ownership can be found below in Compensation of Executive Officers.

Defined Contribution Plan

The Company historically provides retirement benefits to the named executive officers, including matching contributions, under the terms of its tax-qualified 401(k) defined contribution plan. The Company suspended its matching contributions to the 401(k) plan for all employees for 2009 until business conditions improve. The named executive officers participate in the plan on substantially the same terms as our other participating employees. We believe that these benefits are comparable to those provided by comparable companies. The Company does not maintain any defined benefit or supplemental retirement plans.

Perquisites and Other Personal Benefits

The Company provides the named executive officers with perquisites and other personal benefits that the Company believes are reasonable, competitive in the market and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The named executive officers are generally provided a car allowance, payment of certain club dues, life insurance and reimbursement for relocation expenses, if applicable. The Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers.

Costs of the perquisites and personal benefits described above for the named executive officers for 2008 that meet the threshold established by SEC regulations are included in the Summary Compensation Table in this Proxy Statement in the All Other Compensation column. See Compensation of Executive Officers.

However, the Committee reserves the right to provide for compensation to executive officers that may not be deductible if it believes such compensation is in the best interests of the Company and its stockholders.

(1) Both stock and option awards are valued based on fair value of the entire grant as calculated under Statement of Financial Accounting Standards (SFAS) 123R, Share Based Payment, on the grant date. The amounts in these columns represent the compensation cost recognized by the Company for financial statement reporting purposes during the applicable fiscal year for grants made during such year and during prior years. Stock and option awards generally vest in various increments over multi-year periods. As a result, this fair value may not be indicative of the ultimate value the executive may receive under these grants. Moreover, in valuing stock and option awards, forfeitures will be disregarded. Therefore, calculations of stock and option award values will deviate from the information in the financial statements to the extent of forfeitures. See Note 5 to the consolidated financial statements included in our Annual Report on Form 10-K for fiscal 2008 for the valuation assumptions used in determining the fair value of the awards.

(1) These columns show the range of payouts targeted for 2008 performance under the Company's STIP as described in the section titled Annual Bonuses in the Compensation Discussion and Analysis and are based on the named executive officer's base salary for 2008. The Committee determined that the Company achieved (i) the pre-established maximum level for the free cash flow financial performance target for the named executive officers in 2008 and (ii) a level between the pre-established target and maximum level for the EBITDA financial

performance target for named executive officers in 2008. Pursuant to the terms of his employment agreement, Mr. Cohen's payout was prorated for the period during the year while he served as Interim Chief Executive Officer.

- (2) The performance shares issued to each executive represent a target number of shares to be issued to the recipient at the conclusion of the performance cycle on December 31, 2010, pursuant to the terms of the performance measure vesting schedule in the award agreement (subject to accelerated vesting in the event of a change of control, as defined in the 2006 LTIP). The performance measure vesting schedule is used to determine the actual amount of shares of Company common stock to be issued to the recipient, based on the Company meeting certain targets for return on net assets during the performance cycle of 2008 through 2010. These targets were approved by the Compensation Committee in conjunction with the grant of performance share awards. Pursuant to the terms of the performance measure vesting schedule, a recipient may earn between 0% to 150% of the number of targeted shares awarded to him or her in the Performance Share Award Agreement. Based on the Company's financial results for 2008, the Company currently

Table of Contents

believes the actual number of shares in which the executives will vest will be below the target number of performance shares issued in January 2008.

- (3) The restricted stock grants disclosed in the table were all issued pursuant to the Company's 2004 or 2006 LTIP. Mr. Cohen's awards vest in three equal annual installments beginning on March 10, 2009. Mr. Goforth received an award of 60,000 shares of restricted stock scheduled to vest three years from the date of grant on February 18, 2011. Each of the other restricted stock awards vest five years from the date of grant, subject to accelerated vesting. Pursuant to the accelerated vesting provision of the Restricted Stock Award Agreement, a percentage of the stock award vests upon the attainment of a specified average company share price, as defined in the Restricted Stock Award Agreement (and above under "Long Term Equity Incentive Plan"), with no more than 33.333% of the award shares vesting before January 8, 2009.
- (4) All of Messrs. Macadam and Goodwin's and Ms. Wentworth's awards were forfeited upon their resignation from the Company.

Payments upon Certain Events of Termination or Change-in-Control

As described above under Employment Agreements, certain of our named executive officers are entitled to receive payments in connection with the termination of their employment by the Company for certain reasons or in connection with a change in control of the Company. Additionally, our named executive officers hold equity awards issued pursuant to our 2004 LTIP and our 2006 LTIP. Options and restricted stock issued pursuant to these plans generally vest automatically upon a change in control of the Company.

The following table describes the estimated present value of unvested stock options, restricted stock awards and performance shares that would have immediately vested in the event that the named executive officer's employment was terminated by reason of death or disability on January 3, 2009 or if a change in control of the Company occurred on such date. In addition to accelerated vesting of outstanding equity awards, our named executive officers are entitled to receive certain other payments in connection with certain termination events. In the case of Messrs. Judd and Goforth, any of the Company's obligations to make cash payments following the termination of their respective employment is contingent upon the executive complying with the restrictive covenants contained in their respective agreements. These restrictive covenants prohibit, during periods defined in the agreements and subject to certain limited exceptions, (i) competing with the Company, (ii) employing or soliciting Company employees, (iii) interfering with Company relationships with its customers or vendors and (iv) disclosing or using in an unauthorized manner any of the Company's confidential or proprietary information. These

restrictive covenants generally limit the employee's competitive activities for a period of eighteen months to two years following the later of the expiration or termination of employment under the agreement.

In the event that any of the named executive officers' employment is terminated by the Company for cause, we are only obligated to pay the executive his salary and provide the executive with fringe benefits through the date of termination.

As described above under Employment Agreements and Change in Control Agreements, certain of our named executive officers are entitled to receive payments in connection with their termination by the Company. The following table describes the estimated present value of payments that would have been due to the named executive officers in the event that certain termination events described below had occurred on January 3, 2009. AUDIT COMMITTEE REPORT

The Audit Committee is composed of independent directors as required by and in compliance with the listing standards of the NYSE. The Audit Committee operates under a written charter which is posted on the Company's website at www.bluelinxco.com. The role of the Audit Committee is to assist the Board in its oversight of the integrity of the Company's financial reporting process and compliance with legal and regulatory requirements. The Audit Committee reviews the Company's financial reporting process on behalf of the Board. The Company's management is responsible for the preparation, presentation, and integrity of the Company's financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures and establishing and maintaining internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee held ten meetings during the year. The Audit Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Company's independent registered public accounting firm and with the appropriate financial personnel. The Audit Committee also met privately with the independent registered public accounting firm, which has unrestricted access to the Audit Committee. The Audit Committee of the Board of Directors has reviewed and discussed the Company's audited financial statements as of and for the year ended January 3, 2009, with management and the Company's independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The independent registered public accounting firm has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence, and the Audit Committee has also discussed with the independent registered public accounting firm its independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management.

Based on the reports and discussions described above, the Audit Committee has recommended to the Board that the Company's audited financial statements be included in its annual report on Form 10-K for the year ended January 3, 2009, for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

Our law department and Corporate Secretary are primarily responsible for identifying and reviewing relationships and transactions in which the Company and our directors, executive officers, certain of our stockholders or their immediate family members are participants to determine whether any of these related persons had or will have a direct or indirect material interest. In order to identify potential related person transactions, our law department annually prepares and distributes to all directors and executive officers a written questionnaire which includes questions intended to elicit information about any related person transactions. Information regarding transactions with related persons or any violation of policy, including transactions involving a potential conflict of interest in violation of our Code of Ethical Conduct, may be anonymously reported by employees through our Business Conduct and Ethics Hotline.

If a related person transaction is identified by the law department as one which must be reported in our Proxy Statement pursuant to applicable SEC regulations, we present the transaction to the Audit Committee for its review and approval or ratification. In evaluating related person transactions, our Audit Committee members apply the same standards of good faith and fiduciary duty they apply to their general responsibilities as a committee of the Board and as individual directors. The Audit Committee may approve a related person transaction when, in its good faith judgment, the transaction is in the best interests of the Company.

Cerberus Capital Management, L.P., our equity sponsor, retains consultants that specialize in operations management and support and who provide Cerberus with consulting advice concerning portfolio companies in which funds and accounts managed by Cerberus or its affiliates have invested. From time to time, Cerberus makes the services of these consultants available to Cerberus portfolio companies. We believe that the terms of these consulting arrangements are favorable to us, or, alternatively, are materially consistent with those terms that would have been obtained by us in an arrangement with an unaffiliated third party. We have normal service, purchase and sales arrangements with other entities that are owned or controlled by Cerberus. We believe that these transactions are not material to our results of operations or financial position.

Other than the transactions discussed above, for the last fiscal year there has not been, nor is there currently proposed, any transaction, as defined by the SEC:

to which we are or will be a participant;

in which the amount involved exceeded or will exceed \$120,000; and

in which any related person, as defined by the SEC, had or will have a direct or indirect material interest.

Non-Independent Directors

Seven of the current members of our Board do not meet the independence standards promulgated under the listing standards of the NYSE. Five of the current members of our Board are either current or former employees of or advisors to Cerberus. Messrs. Mayer and Warden are currently employed by Cerberus and Mr. Warner is an advisor to Cerberus. Messrs. Cohen and Suwyn were formerly advisors to Cerberus.

Our Board has adopted a policy to self-evaluate its performance on an annual basis.

Our code of conduct and ethics, applicable to all employees and officers as well as members of our Board, as in effect from time to time, may be found on our website, www.bluelinxco.com. Any amendment to

Additionally, our corporate governance guidelines and code of conduct and ethics are available in print to any stockholder who requests them by writing to BlueLinx Holdings Inc., attn: Corporate Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339.

Our code of conduct and ethics provides a procedure by which employees and others may directly or anonymously, through a secure toll-free phone number, inform our management and/or the Audit Committee of any alleged violation of our code of conduct and ethics, including any allegations of accounting fraud. Reporting employees are protected from retaliation and any other form of adverse action.

SUBMISSION OF STOCKHOLDER PROPOSALS

We currently expect to hold our 2010 annual meeting of stockholders in May 2010. There are two different deadlines for submitting stockholder proposals for the 2010 meeting. First, if you wish to have a proposal considered for inclusion in next year's proxy statement, you must submit the proposal in writing so that we receive it by December 17, 2009. Proposals should be addressed to our principal executive offices, BlueLinx Holdings Inc., attn: Corporate Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339. If you submit a proposal, it must comply with applicable laws, including Rule 14a-8 of the Exchange Act.

In addition, our bylaws provide that any stockholder wishing to nominate a candidate for director or to propose any other business at the 2010 annual meeting must give us timely written notice. This notice must comply with applicable laws and our bylaws. Copies of our bylaws are available to stockholders free of charge on request to our principal executive offices, BlueLinx Holdings Inc., attn: Corporate Secretary, 4300 Wildwood Parkway, Atlanta, Georgia 30339. To be timely, notice shall be delivered to our secretary before February 19, 2010, but no earlier than January 19, 2010; provided, that, in the event the date of the 2010 annual meeting is more than 30 days before or more than 70 days after the anniversary date of the 2009 annual meeting, notice by the stockholder must be delivered no earlier than 120 days before the 2010 annual meeting and no later than the later of 90 days before the 2010 annual meeting or 10 days following the day on which we make public announcement of the date of such meeting. The public announcement of an adjournment or postponement of an annual meeting of stockholders shall not commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

DELIVERY OF PROXY MATERIALS

To reduce the expenses of delivering duplicate proxy materials to stockholders, we are relying upon SEC rules that permit us to deliver only one proxy statement and annual report to multiple stockholders who share an address, unless we receive contrary instructions from any stockholder at that address. All stockholders sharing an address will continue to receive separate proxy cards based on their registered ownership of our common stock. Any stockholder sharing such an address who does not receive an individual proxy statement and annual report may write or call us as specified below and we will promptly send the materials to the stockholder at no cost. For future meetings, a stockholder may request separate copies of our proxy statement and annual report or request that we only send one set of these materials if the stockholder is receiving multiple copies, by writing to the Board of Directors, in care of our Corporate Secretary, BlueLinx Holdings Inc., 4300 Wildwood Parkway, Atlanta, Georgia 30339, or by telephoning the Company at 770-953-7000.
