Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") enables a corporation in its certificate of incorporation to eliminate or limit the personal liability of a director for violations of the director's fiduciary duty, except (i) for breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit. The Company's certificate of incorporation contains a provision that eliminates the liability of directors to the fullest extent permitted by Delaware law. It further provides that if said provision is amended or repealed, or, an inconsistent provision is adopted, such amendment, repeal or adoption will not be effective with respect to any cause of action, suit, claim or other matter that, but for the liability provision, would accrue or arise prior to such amendment, repeal or adoption.

Under the Company's By-Laws, and in accordance with Section 145 of the DGCL, the Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than any action or suit by or in the right of the Company to procure a judgment in its favor, which is hereinafter referred

Edgar Filing: AES CORPORATION - Form S-8

to as a "derivative action") by reason of the fact that such person is or was a director, officer or employee of the Company, or is or was serving in such capacity or as agent at the request of the Company for another entity, to the full extent authorized by Delaware law, against expenses (including, but not limited to, attorneys' fees), judgments, fines and amounts actually and reasonably incurred in connection with the defense or settlement of such action, suit or proceeding if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe was unlawful. Agents of the Company may be similarly indemnified, at the discretion of the Board of Directors.

Under Section 145 of the DGCL, a similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with the defense or settlement of such an action and then, where the person is adjudged to be liable to the Company, only if and to the extent that the Court of Chancery of the State of Delaware or the court in which such action was brought determines that such person is fairly and reasonably entitled to such indemnity and only for such expenses as the court shall deem proper.

Pursuant to the Company's By-Laws, a person eligible for indemnification may have the expenses incurred in connection with any matter described above paid in advance of a final disposition by the Company. However, such advances will only be made upon the delivery of an undertaking by or on behalf of the indemnified person to repay all amounts so advanced if it is ultimately determined that such person is not entitled to indemnification.

The Company's By-Laws provide that the indemnification expressly provided by statute in a specific case shall not be deemed exclusive of any other rights to which any person indemnified may be entitled under any lawful agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person. In addition, under the Company's By-Laws, the Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company or of another corporation against any liability asserted against and incurred by such person in such capacity, or arising out of the person's status as such whether or not the Company would have the power or the obligation to indemnify such person against such liability under the provisions of the Company's By-Laws. The Company has purchased and maintains directors' and officers' insurance.

Item 9. Undertakings.

The Company hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant with or furnished to the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: AES CORPORATION - Form S-8

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

OPINION OF SKADDEN, ARPS, SLATE, MEAGHER & FLOM LLP

February 6, 2002

The AES Corporation
1001 North 19th Street
Arlington, Virginia 22209

Ladies and Gentlemen:

We have acted as special counsel to The AES Corporation, a Delaware corporation (the "Company"), in connection with the preparation of a Registration Statement on Form S-8, which is being filed by the Company with the Securities and Exchange Commission (the "Commission") on the date hereof (the "Registration Statement") relating to the registration and issuance by the Company of up to 1,000,000 shares (the "Shares") of the common stock, par value \$0.01 per share (the "Common Stock"), of the Company pursuant to the Indianapolis Power & Light Company Employees' Thrift Plan (the "Plan"), which is maintained by the Company's subsidiary, Indianapolis Power & Light Company.

This opinion is delivered in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act of 1933, as amended (the "Securities Act").

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement of the Company on Form S-8 filed with the Commission on the date hereof, (ii) a specimen certificate representing the Common Stock, (iii) the Plan, (iv) the Certificate of Incorporation of the Company, as amended and restated to date and currently in effect (v) the By-laws of the Company, as amended to date and currently in effect, and (vi) a copy of certain resolutions adopted by the Board of Directors of the Company relating to the Registration Statement and related matters. We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such agreements, certificates of public officials, certificates of officers or other representatives of the Company and others, and such other documents, certificates and records as we have deemed necessary or appropriate as a basis for the opinions set forth herein.

In our examination, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified, or photostatic copies and the authenticity of the originals of such latter documents. In making our examination of documents executed or to be executed by parties other than the Company, we have assumed that such parties had or will have the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and the validity and binding effect thereof. As to any facts material to the opinions expressed herein which we have not independently established or verified, we have relied upon statements and representations of officers and other representatives of the Company and others. In rendering the opinion set forth below, we

Edgar Filing: AES CORPORATION - Form S-8

have assumed that the certificates representing the Shares in the form of the specimen certificate examined by us will be manually signed by one of the authorized officers of the transfer agent and registrar for the Common Stock and registered by such transfer agent and registrar and will conform to the specimen thereof examined by us.

Members of our firm are admitted to the bar in the State of Delaware, and we do not express any opinion with respect to the law of any jurisdiction other than the Delaware General Corporation Law.

Based upon and subject to the foregoing, we are of the opinion that when certificates representing the Shares have been delivered and paid for in accordance with the terms and conditions of the Plan, the issuance and sale of the Shares will have been duly authorized, and subject to any restrictions imposed by the Plan, the Shares will be validly issued, fully paid and nonassessable.

We hereby consent to the filing of this opinion with the Commission as Exhibit 5.1 to the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.

Very truly yours,

/s/ Skadden, Arps, Slate, Meagher & Flom LLP
